Realidades 2 and Online Course 6 Yr Grade 6, Level 2 *Pearson School K12*

Vocabulary Development *MDPI*
Knowledge of word meanings is critical to success in reading. A reader cannot fully understand a text in which the meaning to a significant number of words is unknown. Vocabulary knowledge has long been correlated with proficiency in reading. Yet, national surveys of student vocabulary knowledge have demonstrated that student growth in vocabulary has been stagnant at best. This volume offers new insights into vocabulary knowledge and vocabulary teaching. Articles range from a presentation of theories of vocabulary that guide instruction to innovative methods and approaches for teaching vocabulary. Special emphasis is placed on teaching academic and disciplinary vocabulary that is critical to success in content area learning. Our hope for this volume is that it may spark a renewed interest in research into vocabulary and vocabulary instruction and move toward making vocabulary instruction an even more integral part of all literacy and disciplinary instruction.

Gaby, Lost and Found *Scholastic Inc.*

Wanted: One amazing forever home for one amazing sixth grader."My name is Gaby, and I'm looking for a home where I can invite my best friend over and have a warm breakfast a couple of times a week. Having the newest cell phone or fancy clothes isn't important, but I'd like to have a cat that I can talk to when I'm home alone." Gaby Ramirez Howard loves volunteering at the local animal shelter. She plays with the kittens, helps to obedience train the dogs, and writes adoption advertisements so that the strays who live there can find their forever homes: places where they'll be loved and cared for, no matter what. Gaby has been feeling like a bit of a stray herself, lately. Her mother has recently been deported to Honduras and Gaby is stuck living with her inattentive dad. She's confident that her mom will come home soon so that they can adopt Gaby's favorite shelter cat together. When the cat's original owners turn up at the shelter, however, Gaby worries that her plans for the perfect family are about to fall apart.

Called for Freedom *Wipf and Stock Publishers*

In this frank and honest work, one of the pioneers of liberation theology in Latin America reassesses the movement in light of post-Cold War realities. Comblin outlines a liberative, theological pastoral agenda for now and the decades to come in the face of massive urbanization and the apparent triumph of the global marketplace. With the increasing apartheid of rich and poor, the cause of liberation remains as urgent as ever-perhaps more so. Jose Comblin, already established as a premier contributor to liberation theology, has now provided a work of major new importance. Significant changes have occurred since the inception of liberation theology thirty years ago, and Comblin provides a remarkably comprehensive, critical, and insightful study of economic, political, cultural, and religious developments that liberation theology must address. He offers as well a challenging new theological emphasis on 'freedom.' -Arthur F. McGovern, SJ University of Detroit A 'must read' for all interested in current debates among Latin American liberation theologians, and more broadly, on the eve of the third millennium, for all wondering about the meaning of the good news of the coming of God's reign in history. -Lee Cormie St. Michael's College and the Toronto School of Theology He dispels the rumor that liberation theology is disappearing or dead. This book is about the future of liberation theology, and, if Jose Comblin is right, it will play a vital role in the coming century. - Curt Cadorette University of Rochester
