The Prescriber's Digital Reference is a compilation of manufacturers' prescribing information on prescription drugs, updated regularly. The original PDR was titled "Physician's Desk Reference" but was renamed because not all prescribers are physicians and the reference is no longer a hardback book stored on a desk. While designed to provide physicians with the full legally mandated information relevant to writing prescriptions, it is widely available in libraries and bookstores, widely used by o

Physicians' Desk Reference - Wikipedia

Drugs.com began licensing and displayed Physician's Desk Reference (PDR) drug information in 2003 and continued to publish PDR content until 2010. In mid-2010 a change in policy by the distributors of PDR resulted in the non-renewal of the licence and the removal of Physician's Desk Reference Consumer Drug Information from the Drugs.com website.
