Practicing the Power of Now

Essential Teachings, Meditations, and Exercises from the Power of Now *New World Library*

New York Times bestselling author Eckhart Tolle — A key to happiness is living in the now Practice The Power of Now: If you, like many others, have benefited from the transformative experience of reading The Power of Now, you will want to own and read Practicing the Power of Now. Eckhart Tolle: Eckhart Tolle, a spiritual teacher and author who was born in Germany and educated at the Universities of London and Cambridge, is rapidly emerging as one of the world's most inspiring spiritual teachers. His views go beyond any particular religion, doctrine, or guru. In The Power of Now and his subsequent book Practicing the Power of Now, Eckhart shares the enlightenment he himself experienced after a profound inner transformation radically changed the course of his life. Your path to enlightenment: Practicing the Power of Now extracts the essence from Eckhart's teachings in his New York Times bestseller, The Power of Now (translated into 33 languages). Practicing the Power of Now shows us how to free ourselves from "enslavement to the mind." The aim is to be able to enter into and sustain an awakened state of consciousness throughout everyday life. Through meditations and simple techniques, Eckhart shows us how to quiet our thoughts, see the world in the present moment, and find a path to "a life of grace, ease, and lightness." The next step in human evolution: Eckhart's profound yet simple teachings have already helped countless people throughout the world find inner peace and greater fulfillment in their lives. At the core of the teachings lies the transformation of consciousness, a spiritual awakening that he sees as the next step in human evolution. An essential aspect of this awakening involves transcending our ego-based state of consciousness. This is a prerequisite not only for personal happiness but also for the ending of violence on our planet. Readers of other transformational self-help books such as The

Four Agreements, The Miracle Morning, Braving the Wilderness, and The Book of Joy will want to read Practicing the Power of Now.

Practising the Power of Now

Essential Teachings, Meditations and Exercises from the Power of Now *Mobius*

The essential companion volume to the phenomenal self-help bestseller THE POWER OF NOW - 'the must-read bible du jour'. Eckhart Tolle's book describes the experience of heightened consciousness that radically transformed his life - and shows how by living in the moment we can also reach a higher state of being where we can find joy and peace and where problems do not exist. The invaluable companion volume - PRACTISING THE POWER OF NOW - contains all the essential techniques we need to start to put this important book into practice in our own lives. No reader will be complete without it.

The Power of Now

A Guide to Spiritual Enlightenment *New World Library*

To make the journey into the Now we will need to leave our analytical mind and its false created self, the ego, behind. From the very first page of Eckhart Tolle's extraordinary book, we move rapidly into a significantly higher altitude where we breathe a lighter air. We become connected to the indestructible essence of our Being, "The eternal, ever present One Life beyond the myriad forms of life that are subject to birth and death." Although the journey is challenging, Eckhart Tolle uses simple language and an easy question and answer format to guide us. A word of mouth phenomenon since its first publication, The Power of Now is one of those rare books with the power to create an experience in readers, one that can radically change their lives for the better.

The Power of Now

A Guide to Spiritual Enlightenment *New World Library*

The author shares the secret of his own self-realization and the philosophy for living in the present he has developed.

The Power of Now

A Guide to Spiritual Enlightenment *New World Library*

Eckhart Tolle is emerging as one of today's most inspiring teachers. In The Power of Now, already a word-of-mouth bestseller in Canada, the author describes his transition from despair to self-realization soon after his 29th birthday. Tolle took another ten years to understand this transformation, during which time he evolved a philosophy that has parallels in Buddhism, relaxation techniques, and meditation theory but is also eminently practical. In The Power of Now he shows readers how to recognize themselves as the creators of their own pain, and how to have a pain-free existence by living fully in the present. Accessing the deepest self, the true self, can be learned, he says, by freeing ourselves from the conflicting, unreasonable demands of the mind and living present, fully, and intensely, in the Now.

Practicing the Power of Now

A Guide to Spiritual Enlightenment

THE POWER OF NOW has proved to be one of the greatest spiritual books written in recent times. It contains a power that goes beyond words, and it can lead us to a much quieter place

beyond our thoughts, a place where our thought-created problems dissolve, and we discover what it means to create a liberated life. Throughout, there are specific practices and clear keys that show us how to discover for ourselves the grace, ease and lightness that come when we simply quieten out thoughts and see the world before us in the present moment. **PRACTICING THE POWER OF NOW** is a carefully arranged series of excerpts from **THE POWER OF NOW** that directly give us those exercises and keys. Read this book slowly, or just open it at random, reflect on the words, reflect even on the space between the words, and maybe over time, maybe immediately you'll discover something of life-changing significance. You'll find the power, the ability to change and elevate not only your life, but your world as well. It's in your hands. Discover **THE POWER OF NOW**.

Practicing the Power of Now - Meditations and Exercises and Core Teachings

The Power of Now Journal *New World Library*

This beautiful journal offers a wonderful way to reflect on some of the most insightful and life-changing passages from Tolle's brilliant book, and a place to write whatever thoughts one wishes to add.

Oneness with All Life

Inspirational Selections from A New Earth *Penguin*

Presents author-selected inspirational passages from "A New Earth" enhanced by commissioned artwork.

Milton's Secret

An Adventure of Discovery through Then, When, and the Power of Now *Hampton Roads Publishing*

For the first time ever, bestselling author Eckhart Tolle brings the core of his teachings to children, ages 7 to 100. Beautifully illustrated and artfully expressed, this charming story will bring joy to children and their parents for decades to come. Milton, who is about eight years old, is experiencing bullying on the school playground at the hands of a boy named Carter. Because he is being picked on, Milton no longer enjoys going to school. In fact, he dreads each morning because of his fear of Carter. By discovering the difference between Then, When, and the Now, Milton is able to shed his fear of being bullied. Living in the Now, he no longer dreads encountering Carter--and this changes everything. **Milton's Secret** will not only appeal to the millions of adult readers of Tolle's other books, but also to any parent who wants to introduce their children to the core of Tolle's teachings: Living in the Now is the quickest path to ending fear and suffering.

Practicing the Power of Now : Essential Teachings, Meditations, and Exercises from the Power of Now

A collection of simple meditations and exercises helps readers heighten their consciousness of the present and live in the moment more completely.

Practising the Power of Now - Ssb

This manual-style book instantly dives into Eckhart Tolle's principles of living in the moment, which could be a jarring experience for readers who haven't read his preceding book, **The Power of Now**. For the initiated, though, this makes an excellent companion guide--rich in exercises and meditations to help readers get out of their minds so ...

Letting Go of Nothing

Relax Your Mind and Discover the Wonder of Your True Nature *New World Library*

A practical and empowering approach to the age-old quest to let go of the thoughts and feelings that block happiness, impede change, and hinder self-acceptance. Anyone who has dipped a toe into any of the world's spiritual traditions knows that letting go and letting be are key. But how? In this fresh, frank, and powerful guide, Peter Russell allows readers to see that the things we get hung up on are generally not tangible problems in the present, but are instead thoughts, feelings, interpretations, beliefs, or expectations we have about them. These are not actual things; they exist only in our minds. And we can strip these "no-things" of their power and let them go by making a simple change of mind. Russell boils this letting go down to remarkably easy methods of accepting, acknowledging, recognizing, and even befriending what we tend to run from. This paradoxical practice generates peace of mind, fresh perspectives, and wisdom in action. In turbulent times like ours, this is a true power, one available to us all.

Teach Yourself To Meditate

Over 20 simple exercises for peace, health & clarity of mind *Hachette UK*

A clear and practical guide to learning meditation techniques. Many people are turning to meditation as an effective way to relax and find inner peace. Regular meditation can help you to combat stress, improve your general health, increase your awareness and boost your capacity to think clearly and creatively. **Teach Yourself to Meditate** is the ideal guide for everyone who wants to learn this powerful technique. This excellent book explains what meditation is, why it works and how to do it, as well as the 10 core meditation practices which work best for everyone. Throughout the book there are also easy-to-follow exercises and enjoyable 'spot meditations' which you can do any time, anywhere. By investing just a few minutes a day, you will learn a skill that will greatly improve the quality of your life.

Practicing the Here and Now

Being Intentional with Step 11 *Simon and Schuster*

With **Practicing the Here and Now: Being Intentional with Step 11**, you'll learn to use prayer and meditation to work all the steps, so you can make contact with the Higher Power in a way that is yours and yours alone. Step Eleven Sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out. How do we unlock and experience the teachings of Step Eleven? Herb K. helps us realize that working—and living—this vital recovery “maintenance Step” doesn't have to be as challenging as commonly thought. With **Practicing the Here and Now**, you'll find guidance on using prayer and meditation to help you be present throughout each day, staying in contact with your Higher Power for ongoing inspiration and sustenance. By opening the connection to your Higher Power with what Herb K. calls “Intentional Consciousness,” prayer and meditation can help you fully experience the cumulative power of the Twelve Steps to deepen and sustain your recovery journey.

A New Earth

Awakening to Your Life's Purpose *Penguin*

The 10th anniversary edition of *A New Earth* with a new preface by Eckhart Tolle. With his bestselling spiritual guide *The Power of Now*, Eckhart Tolle inspired millions of readers to discover the freedom and joy of a life lived “in the now.” In *A New Earth*, Tolle expands on these powerful ideas to show how transcending our ego-based state of consciousness is not only essential to personal happiness, but also the key to ending conflict and suffering throughout the world. Tolle describes how our attachment to the ego creates the dysfunction that leads to anger, jealousy, and unhappiness, and shows readers how to awaken to a new state of consciousness and follow the path to a truly fulfilling existence. Illuminating, enlightening, and uplifting, *A New Earth* is a profoundly spiritual manifesto for a better way of life—and for building a better world.

A New Earth

The LIFE-CHANGING follow up to The Power of Now. 'An otherworldly genius' Chris Evans' BBC Radio 2 Breakfast Show *Penguin UK*

'An otherworldly genius' Chris Evans' BBC Radio 2 Breakfast Show This is the follow up to the bestselling self-help book of its generation *The Power of Now*. Eckhart Tolle's *A New Earth* will be a cornerstone for personal spirituality and self-improvement for years to come, leading readers to new levels of consciousness and inner peace. Taking off from the introspective work *The Power of Now*, which is a number one bestseller and has sold millions of copies worldwide, Tolle provides the spiritual framework for people to move beyond themselves in order to make this world a better, more spiritually evolved place to live. Shattering modern ideas of ego and entitlement, self and society, Tolle lifts the veil of fear that has hung over humanity during this new millennium, and shines an illuminating light that leads to happiness and health that every reader can follow. 'A wake-up call for the entire planet . . . [A New Earth] helps us to stop creating our own suffering and obsessing over the past and what the future might be, and to put ourselves in the now' Oprah Winfrey

The Practicing Mind

Developing Focus and Discipline in Your Life Master Any Skill or Challenge by Learning to Love the Process *New World Library*

In those times when we want to acquire a new skill or face a formidable challenge we hope to overcome, what we need most are patience, focus, and discipline, traits that seem elusive or difficult to maintain. In this enticing and practical book, Thomas Sterner demonstrates how to learn skills for any aspect of life, from golfing to business to parenting, by learning to love the process. Early life is all about trial-and-error practice. If we had given up in the face of failure, repetition, and difficulty, we would never have learned to walk or tie our shoes. So why, as adults, do we often give up on a goal when at first we don't succeed? Modern life's technological speed, habitual multitasking, and promises of instant gratification don't help. But in his study of how we learn (prompted by his pursuit of disciplines such as music and golf), Sterner has found that we have also forgotten the principles of practice — the process of picking a goal and applying steady effort to reach it. The methods Sterner teaches show that practice done properly isn't drudgery on the way to mastery but a fulfilling process in and of itself, one that builds discipline and clarity. By focusing on “process, not product,” you'll learn to live in each moment, where you'll find calmness and equanimity. This book will transform a sense of futility

around learning something challenging into an attitude of pleasure and willingness.

Practicing the Power

Welcoming the Gifts of the Holy Spirit in Your Life *Zondervan*

The Bible teaches us that we are to be filled with God's Spirit and that God's presence and grace is manifested among his people as they serve, love, and minister to one another. Yet some of the gifts that God offers to his people aren't commonly seen in many churches today. Gifts of prophecy, healing, tongues, and other supernatural gifts of God seem to be absent, and many Christians are unsure how to cultivate an atmosphere where God's Spirit can work while remaining committed to the foundational truth of God's Word. How can Christians pursue and implement the miraculous gifts of the Spirit without falling into fanatical excess and splitting the church in the process? In *Practicing the Power*, pastor and author Sam Storms offers practical steps to understanding and exercising spiritual gifts in a way that remains grounded in the word and centered in the gospel. With examples drawn from his forty years of ministry as a pastor and teachers, Storms offers a guidebook that can help pastors, elders, and church members understand what changes are needed to see God move in supernatural power and to guard against excess and abuse of the spiritual gifts. If you long to see God's Spirit move in your church and life, and aren't sure why that isn't happening or where to begin, this book is for you.

How The Secret Changed My Life

Real People. Real Stories. *Simon and Schuster*

An awe-inspiring compilation of the most uplifting and powerful real-life stories from readers of the worldwide bestseller *The Secret*. Discover how everyday people completely transformed their lives by applying the teachings of *The Secret*. Since the very first publication of *The Secret* a decade ago, Rhonda Byrne's bestselling book has brought forth an explosion of real people sharing real stories of how their real lives have miraculously changed for the better. *How The Secret Changed My Life* presents a selection of the most heartwarming and moving stories in one inspirational volume. Each story provides an authentic, real-life illustration of the pathway that leads to success in every area of life: money, health, relationships, love, family, and career. The people in *How The Secret Changed My Life* show time and again that no one is excluded from living the life of their dreams.

An Open Heart

Practicing Compassion in Everyday Life *Back Bay Books*

An introduction to the core of Buddhism by its greatest teacher, An Open Heart is the successor to the bestselling *The Art of Happiness*, the Dalai Lama's clear and simple guide to finding compassion and happiness. 25 photos. (World Religions)

Waking Up

A Guide to Spirituality Without Religion *Simon and Schuster*

For the millions of Americans who want spirituality without religion, Sam Harris's latest New York Times bestseller is a guide to meditation as a rational practice informed by neuroscience and psychology. From Sam Harris, neuroscientist and author of numerous New York Times bestselling books, *Waking Up* is for the twenty percent of Americans who follow no religion but who suspect that important truths can be found in the experiences of

such figures as Jesus, the Buddha, Lao Tzu, Rumi, and the other saints and sages of history. Throughout this book, Harris argues that there is more to understanding reality than science and secular culture generally allow, and that how we pay attention to the present moment largely determines the quality of our lives. *Waking Up* is part memoir and part exploration of the scientific underpinnings of spirituality. No other book marries contemplative wisdom and modern science in this way, and no author other than Sam Harris—a scientist, philosopher, and famous skeptic—could write it.

Letters to a Young Feminist *Chicago Review Press*

Letters to a Young Feminist is a visionary message from a leading feminist to the next generation of feminists, both women and men. Phyllis Chesler discusses basic aspects of feminism, explains feminism's relevance in a world that has taken it for granted and derided it and helps the next generation reclaim feminism for itself. Chesler examines sisterhood, sex, families, motherhood, work, feminist heroism and the economics of power, providing guidance to the generation to come.

The Art of Practicing

A Guide to Making Music from the Heart *Crown*

An illustrated guide for the amateur and professional musician that teaches us how to transform practicing from an often laborious activity into an exhilarating and rewarding experience. Foreword by Yehudi Menuhin • “Give this book to any musician you love and to any person who loves what music does for them and for the world.”—Richard Stoltzman, clarinetist In *The Art of Practicing*, acclaimed pianist and teacher Madeline Bruser combines physiological and meditative principles to help musicians release physical and mental tension and unleash their innate musical talent. She offers practical techniques for cultivating free and natural movement, a keen enjoyment of sounds and sensations, a clear and relaxed mind, and an open heart and she explains how to: • Prepare the body and mind to practice with ease • Understand the effect of posture on flexibility and expressiveness • Make efficient use of the hands and arms • Employ listening techniques to improve coordination • Increase the range of color and dynamics by using less effort • Cultivate rhythmic vitality • Perform with confidence, warmth, and freedom Complete with photographs to show essential points of posture and movement for a variety of instruments, this is the definitive guide to turning practice from a sometimes frightening, monotonous chore to a fun, fulfilling activity.

The Laws of Spirit

A Tale of Transformation *Dan Millman*

Perhaps the most important section in Dan Millman's best-selling book, *The Life You Were Born to Live* was titled *Laws that Change Lives*. These laws, as described, were key to overcoming the specific hurdles on a given individual's life path. Different laws played critical roles for different paths. But the author considers these laws so central to all our lives that they needed a book of their own, and a more universal treatment, since anyone could benefit from applying any of these laws. As he writes: “Within the mystery of our existence, the universe operates according to spiritual laws as real as the law of gravity and as constant as the turning of the heavens. Aligning our lives to these laws can transform our relationships, careers, finances, and health. Simply put, they make life work better.” *The Laws of Spirit*, Dan Millman's “little book of big wisdom,” offers a teaching tale in which he encounters an ageless woman sage while on a

mountain hike. There, in the wilderness, she takes Dan and his readers through experiences and tests in the natural world that demonstrate the power of spiritual laws of balance, choice, process, presence, compassion, faith, action, patience, , surrender, and unity. As the sage relates, “These laws belong to all of us. They rest within our hearts and at the heart of every religion and spiritual tradition.” As you make your own journey through the pages of this book, you will find universal solutions to the varied challenges of our lives, leading to perspective and wisdom about the meaning and purpose of our lives here, and our connection with all of creation. It begins with a single step: Open the first page of a book you will refer to again and again for inspiration and guidance on life's journey, up the mountain path.

Practicing Presence

Tools for the Overwhelmed Teacher *Stenhouse Publishers*

Most teachers enter the field of education to make a difference in children's lives. But many end up, as author Lisa Lucas puts it, “tired, wired, and running in circles.” This leads to many new teachers abandoning the profession or to burnout among veteran teachers. Drawing upon her own experiences, Lisa has written a book to help you more successfully manage the frustration of feeling overwhelmed. Written in an informal, conversational tone, *Practicing Presence* is filled with ideas, exercises, checklists, personal anecdotes, and practices you can use to reframe and establish a mindset that will enhance your focus and engagement in the classroom. When teachers care for themselves deeply and deliberately, they are better able to care for the people that matter most in their lives—their students, friends, and families. *Practicing Presence* focuses not on doing, but rather on being present in the life of the classroom. Each chapter includes self-care strategies to explore how to self-regulate, nurture self-acceptance, and promote compassion. This book will give readers the feeling of having a personal coach who provides suggestions and routines so that they not only can deal with being overwhelmed, but rise above it.

The Art of Mindfulness

A HarperOne Select *Harper Collins*

This selection from Thich Nhat Hanh's bestselling *The Art of Power* illuminates the core Buddhist concept of mindfulness for the Western reader. In *The Art of Mindfulness*, one of the most revered Buddhist teachers in the world, Thich Nhat Hanh delivers a life-changing practice to overcome our overdriven mind, to let go of preoccupations and multitasking and focus solely on the task at hand. By devoting 100% of our attention 100% of the time on what we are doing in the moment, we can alleviate suffering, fear, and anxiety. With the energy of mindfulness and the capacity of looking deeply, we can find the insights to transform and heal any situation.

Beyond the Power of Now

A Guide To, and Beyond, Eckhart Tolle's Teachings *L Ron Gardner*

Eckhart Tolle is perhaps the most popular spiritual guru in the world. His books have topped the New York Times Bestseller List, and his core teaching—achievement of liberation via the power of Now—has become the “guiding light” of the New Age movement. But according to L. Ron Gardner, author of *Beyond the Power of Now*, there is a problem—a big problem—with Tolle's core teaching: Tolle never explains what, exactly, the power of Now is. Is it the same thing as Hindu Shakti or the Buddhist Sambhogakaya or the

Christian Holy Spirit? Tolle doesn't say. He continually refers to the Bible and Jesus in his book, but, shockingly, never once mentions the Holy Spirit and how it relates to the Power of Now. L. Ron makes it clear that the true Power of Now is the Holy Spirit, which is the same divine Light-energy as Hindu Shakti and the Buddhist Sambhogakaya. He explains and extolls the true power of Now and castigates Tolle for failing to identify and describe it. To some, Eckhart Tolle is a New Age visionary, describing a "new earth" that can materialize if mankind, en masse, awakens to the power of Now. But according to L. Ron Gardner, he is simply a histrionic ranter full of empty rhetoric. Throughout this book, L. Ron continually points out, from different angles, the folly of Tolle's New (or Now) Age chimera and describes the social system that represents mankind's sociopolitical salvation. Beyond Tolle's teaching about the power of Now and rhetoric about a "new earth," L. Ron takes the renowned guru to task on virtually every subject he addresses. Most significantly, he rebuts his arguments that: 1) emotions can be trusted more than thought; 2) time is a mind-created illusion; 3) psychological time is insanity; 4) the present moment is the Now; 5) the "inner" body is the direct link to the Now; 6) your cells stop aging when you live in the Now; 7) women are spiritually more evolved than men; and 8) animals such as ducks and cats are Zen masters. Eckhart Tolle's teachings are replete with erroneous ideas, and L. Ron Gardner exposes the major flaws in his principal arguments while providing readers with integral solutions.

Building upon The Secret's powerful truths, your knowledge of the law of attraction is about to expand far beyond what you can imagine. More joy, more abundance, more magnificence—every single day of the year.

How to Win Friends and Influence People *Manjul Publishing*

Practising Comparison

Logics, Relations, Collaborations

This book compares things, objects, concepts, and ideas. It is also about the practical acts of doing comparison. Comparison is not something that exists in the world, but a particular kind of activity. Agents of various kinds compare by placing things next to one another, by using software programs and other tools, and by simply looking in certain ways. Comparing like this is an everyday practice. But in the social sciences, comparing often becomes more burdensome, more complex, and more questions are asked of it. How, then, do social scientists compare? What role do funders, their tools, and databases play in social scientific comparisons? Which sorts of objects do they choose to compare

and how do they decide which comparisons are meaningful? Doing comparison in the social sciences, it emerges, is a practice weighed down by a history in which comparison was seen as problematic. As it plays out in the present, this history encounters a range of other agents also involved in doing comparison who may challenge the comparisons of social scientists themselves. This book introduces these questions through a varied range of reports, auto-ethnographies, and theoretical interventions that compare and analyse these different and often intersecting comparisons. Its goal is to begin a move away from the critique of comparison and towards a better comparative practice, guided not by abstract principles, but a deeper understanding of the challenges of practising comparison.

The Secret Gratitude Book *Simon and Schuster*

The best-selling author and producer of The Secret offers inspiring quotes and affirmations to encourage personal journaling and reflection on gratitude and abundance, equipping individuals with a powerful tool to transform their lives and experience more joy. 500,000 first printing. \$250,000 ad/promo.

Self-Compassion

The Proven Power of Being Kind to Yourself *Harper Collins*

Kristin Neff, Ph.D., says that it's time to "stop beating yourself up and leave insecurity behind." Self-Compassion: Stop Beating Yourself Up and Leave Insecurity Behind offers expert advice on how to limit self-criticism and offset its negative effects, enabling you to achieve your highest potential and a more contented, fulfilled life. More and more, psychologists are turning away from an emphasis on self-esteem and moving toward self-compassion in the treatment of their patients—and Dr. Neff's extraordinary book offers exercises and action plans for dealing with every emotionally debilitating struggle, be it parenting, weight loss, or any of the numerous trials of everyday living.

The Future of Nursing

Leading Change, Advancing Health *National Academies Press*

The Future of Nursing explores how nurses' roles, responsibilities, and education should change significantly to meet the increased demand for care that will be created by health care reform and to advance improvements in America's increasingly complex health system. At more than 3 million in number, nurses make up the single largest segment of the health care work force. They also spend the greatest amount of time in delivering patient care as a profession. Nurses therefore have valuable insights and unique abilities to contribute as partners with other health care professionals in improving the quality and safety of care as envisioned in the Affordable Care Act (ACA) enacted this year. Nurses should be fully engaged with other health professionals and assume leadership roles in redesigning care in the United States. To ensure its members are well-prepared, the profession should institute residency training for nurses, increase the percentage of nurses who attain a bachelor's degree to 80 percent by 2020, and double the number who pursue doctorates. Furthermore, regulatory and institutional obstacles -- including limits on nurses' scope of practice -- should be removed so that the health system can reap the full benefit of nurses' training, skills, and knowledge in patient care. In this book, the Institute of Medicine makes recommendations for an action-oriented blueprint for the future of nursing.

The Gentle Art of Blessing

A Simple Practice That Will Transform You and Your World *Simon and Schuster*

How can a blessing change the world? According to Pierre Pradervand, making the conscious choice to bless every person or being around you can truly make a world of difference in yourself and in others around you. In *The Gentle Art of Blessing*, Pradervand shows that the practice of blessing has the power to create more than just a renewed perspective. It unleashes tangible benefits throughout your entire life -- through your daily interactions, your life-long relationships, and in the way you approach your place in the world. Pradervand describes blessing as genuinely wishing the best for another person through seeing their individual worth and honoring them for it. By looking at several different perspectives -- providing spiritual inspiration from Hinduism, Taoism, the Koran, the Bible, and other important spiritual sources -- *The Gentle Art of Blessing* explores the potential in shifting one's attitude from confrontation and negativity to acceptance and enthusiasm. A powerfully simple way of perceiving and shaping our surroundings, blessings can reflect the unconditional love and acceptance that is necessary for world -- and inner -- peace.

Practicing the Presence

The Inspirational Guide to Regaining Meaning and a Sense of Purpose in Your Life *Harper Collins*

The celebrated guide to the awareness of the divine and transcendental in our daily lives. This modern spiritual classic is one of the three books Goldsmith felt contained the essence of all his teachings.

Outliers

The Story of Success *Penguin UK*

From the bestselling author of *Blink* and *The Tipping Point*, Malcolm Gladwell's *Outliers: The Story of Success* overturns conventional wisdom about genius to show us what makes an ordinary person an extreme overachiever. Why do some people achieve so much more than others? Can they lie so far out of the ordinary? In this provocative and inspiring book, Malcolm Gladwell looks at everyone from rock stars to professional athletes, software billionaires to scientific geniuses, to show that the story of success is far more surprising, and far more fascinating, than we could ever have imagined. He reveals that it's as much about where we're from and what we do, as who we are - and that no one, not even a genius, ever makes it alone. *Outliers* will change the way you think about your own life story, and about what makes us all unique. 'Gladwell is not only a brilliant storyteller; he can see what those stories tell us, the lessons they contain' *Guardian* 'Malcolm Gladwell is a global phenomenon ... he has a genius for making everything he writes

seem like an impossible adventure' *Observer* 'He is the best kind of writer - the kind who makes you feel like you're a genius, rather than he's a genius' *The Times*

The Power of Now

50 Inspiration Cards *New World Library*

For admirers of *The Power of Now*, Eckhart Tolle's wisdom now comes in a highly accessible form ? an elegant boxed set of color cards. Each inspirational card expresses a quotation from the book on one side and art on the other to aid busy people with their daily meditations. Topics covered include discovering portals to the now, rising above thought, transforming suffering into peace, and creating enlightened relationships.

Preventing Bullying Through Science, Policy, and Practice *National Academies Press*

Bullying has long been tolerated as a rite of passage among children and adolescents. There is an implication that individuals who are bullied must have "asked for" this type of treatment, or deserved it. Sometimes, even the child who is bullied begins to internalize this idea. For many years, there has been a general acceptance and collective shrug when it comes to a child or adolescent with greater social capital or power pushing around a child perceived as subordinate. But bullying is not developmentally appropriate; it should not be considered a normal part of the typical social grouping that occurs throughout a child's life. Although bullying behavior endures through generations, the milieu is changing. Historically, bullying has occurred at school, the physical setting in which most of childhood is centered and the primary source for peer group formation. In recent years, however, the physical setting is not the only place bullying is occurring. Technology allows for an entirely new type of digital electronic aggression, cyberbullying, which takes place through chat rooms, instant messaging, social media, and other forms of digital electronic communication. Composition of peer groups, shifting demographics, changing societal norms, and modern technology are contextual factors that must be considered to understand and effectively react to bullying in the United States. Youth are embedded in multiple contexts and each of these contexts interacts with individual characteristics of youth in ways that either exacerbate or attenuate the association between these individual characteristics and bullying perpetration or victimization. Recognizing that bullying behavior is a major public health problem that demands the concerted and coordinated time and attention of parents, educators and school administrators, health care providers, policy makers, families, and others concerned with the care of children, this report evaluates the state of the science on biological and psychosocial consequences of peer victimization and the risk and protective factors that either increase or decrease peer victimization behavior and consequences.
