The Name of the Wind

The Kingkiller Chronicle: Book 1 *Hachette UK*

'This is a magnificent book' Anne McCaffrey 'I was reminded of Ursula K. Le Guin, George R. R. Martin, and J. R. R. Tolkien, but never felt that Rothfuss was imitating anyone' THE TIMES 'I have stolen princesses back from sleeping barrow kings. I burned down the town of Trebon. I have spent the night with Felurian and left with both my sanity and my life. I was expelled from the University at a younger age than most people are allowed in. I tread paths by moonlight that others fear to speak of during day. I have talked to Gods, loved women, and written songs that make the minstrels weep. My name is Kvothe. You may have heard of me' So begins the tale of Kvothe - currently known as Kote, the unassuming innkeeper - from his childhood in a troupe of traveling players, through his years spent as a near-feral orphan in a crime-riddled city, to his daringly brazen yet successful bid to enter a difficult and dangerous school of magic. In these pages you will come to know Kvothe the notorious magician, the accomplished thief, the masterful musician, the dragon-slayer, the legend-hunter, the lover, the thief and the infamous assassin.

The Exiles of the New World *Iconic Publishing, LLC*

On a seemingly quiet summer day, a mysterious pathogen is released upon a remote observatory in New Mexico, killing the sole technician on duty. A recovery team later finds the technician's body with a note containing the last set of spatial coordinates the observatory's telescope was pointed at, which the technician believes has triggered the end of days. The next morning, disgraced physics professor Theodore Kim finds himself on a spacecraft orbiting Saturn. With no recollection of how he got there, he tries to piece together his recruitment as part of an unwilling crew along with his longtime girlfriend, a retired physician, a Russian aviator, a zoologist, and a stay-at-home mother. Without any explanation, the experimental craft known as the Moirae departs the galaxy for an unknown destination. Back on Earth, Douglas Silva, a man with no memories, discovers a landscape punctuated by death and abandonment. With no knowledge of the earth's demise, he is haunted by a single vision. A dream. A dream of a man falling from the sky. A dream that unbeknownst to him belongs to Theodore Kim. As Silva moves deeper into the wasteland and the Moirae drifts further away from the galaxy, the questions begin to mount. What has happened to the earth? Why has the Moirae been cast off into space? Are they the last ark of humanity, sent to colonize some distant planet? Or have they been sent on a fool's errand to search out God in the depths of space, as some of the crew believe? If so, why did they send Kim, a boozing agnostic, to do the talking?

The new Northwarden, his ally in the Capital, contends with assassins and politicians and uncovers a dangerous secret. Meanwhile, their compatriot Asha begins a secret investigation into the disappearance of the Shadows. And Caeden races against time to fulfill a treacherous bargain, but as more and more of his memories return, he begins to realize that the two sides in this ancient war may not be as clear-cut as they first seemed. . .

The Black Prism *Orbit*

In a world where magic is tightly controlled, the most powerful man in history must choose between his kingdom and his son in the first book in the epic NYT bestselling Lightbringer series. Guile is the Prism. He is high priest and emperor, a man whose power, wit, and charm are all that preserves a tenuous peace. Yet Prisms never last, and Guile knows exactly how long he has left to live. When Guile discovers he has a son, born in a far kingdom after the war that put him in power, he must decide how much he's willing to pay to protect a secret that could tear his world apart. If you loved the action and adventure of the Night Angel trilogy, you will devour this incredible epic fantasy series by Brent Weeks.

Falls the Shadow

A Novel *St. Martin's Griffin*

Simon de Montfort was a man ahead of his time in the thirteenth century, a disinherited Frenchman who talked his way into an English earldom and marriage with a sister of the English king, Henry III. A charismatic, obstinate leader, Simon soon lost patience with the king's incompetence and inability to keep his word, and found himself the champion of the common people. This is his story, and the story of Henry III, as weak and changeable as Simon was brash and unbending. It is a tale of opposing wills that would eventually clash in a storm of violence and betrayal—an irresistible saga that brings the pages of history completely, provocatively, and magnificently alive.

The Keeper Chronicles

The Complete Trilogy

It will take the Keepers of legend to save Queensland. Too bad all they've got is one man haunted by his past, another who's a failure at magic, and an untrained girl. Mallon the Undying's reign of terror ended eight years ago when he entered the elven wood and never returned. The country of Queensland has shakily returned to normal, and the Keepers who helped defend her have returned to their own pursuits as historians, storytellers, and studiers of magic. But Mallon's moniker was truer than anyone knew. His followers still work to keep his ruthless ideas alive by abducting powerful children, sowing discord among the people, and nibbling away at Queensland's borders. Unfortunately, the only Keepers left between Queensland and destruction are: -Alaric, who betrayed everything he believed to save his wife - and still failed.-Will, a storyteller who's convinced his weak magic makes him useless.-And Sini, a former slave girl with unimagined power but no way to wield it. With the help of unsettling elves, gruff dwarves, sentient stones, and magical swords, Alaric, Will, and Sini will have to find a way to overcome their own weaknesses and face the growing shadows. Can the Keepers survive being hunted by dragons, attacked by frost goblins, and deceived by wizards? Or will Mallon's forces of destruction overwhelm them and the land they love? The complete trilogy of The Keepers Chronicles includes: A Threat of Shadows Pursuit of Shadows Siege of Shadows

Assassin's Apprentice (The Illustrated Edition)

The Farseer Trilogy Book 1 Spectra

A gorgeously illustrated anniversary edition of the book that launched the epic Farseer Trilogy, praised by George R. R. Martin as “fantasy as it ought to be written” and Lin-Manuel Miranda as “an incredible series,” featuring a new foreword by Robin Hobb and ten illustrations. Twenty-five years ago, Robin Hobb’s first novel featuring FitzChivalry Farseer and his mysterious, often maddening friend the Fool struck like a bolt of brilliant lightning. Thus began a beloved saga spanning multiple series, full of adventure, magic, and sinister plots. To celebrate a quarter-century of wonder, this special edition of Assassin’s Apprentice presents a modern classic as it’s never been seen before: in hardcover, with ten beautiful illustrations by Magali Villeneuve. Young Fitz is the bastard son of the noble Prince Chivalry, raised in the shadow of the royal court by his father’s gruff stableman. He is treated as an outcast by all the royalty except the devious King Shrewd, who has him secretly tutored in the arts of the assassin. For in Fitz’s blood runs the magic Skill—and the darker knowledge of a child raised with the stable hounds and rejected by his family. As barbarous raiders ravage the coasts, Fitz is growing to manhood. Soon he will face his first dangerous, soul-shattering mission. And though some regard him as a threat to the throne, he may just be the key to the survival of the kingdom. Praise for Robin Hobb and Assassin’s Apprentice “Fantasy as it ought to be written . . . Robin Hobb’s books are diamonds in a sea of zircons.”—George R. R. Martin “A gleaming debut in the crowded field of epic fantasies . . . a delightful take on the powers and politics behind the throne.”—Publishers Weekly “This is the kind of book you fall into, and start reading slower as you get to the end, because you don’t want it to be over.”—Steven Brust

Among Thieves

A Tale of the Kin Penguin

View our feature on Douglas Hulick's Among Thieves. Drothe has been a member of the Kin for years, rubbing elbows with thieves and murderers in the employ of a crime lord while smuggling relics on the side. But when an ancient book falls into his hands, Drothe finds himself in possession of a relic capable of bringing down emperors—a relic everyone in the underworld would kill to obtain.

The Midnight Assassin

Panic, Scandal, and the Hunt for America's First Serial Killer Henry Holt and Company

A New York Times bestseller, The Midnight Assassin is a sweeping narrative history of a terrifying serial killer—America's first—who stalked Austin, Texas in 1885. In the late 1800s, the city of Austin, Texas was on the cusp of emerging from an isolated western outpost into a truly cosmopolitan metropolis. But beginning in December 1884, Austin was terrorized by someone equally as vicious and, in some ways, far more diabolical than London's infamous Jack the Ripper. For almost exactly one year, the Midnight Assassin crisscrossed the entire city, striking on moonlit nights, using axes, knives, and long steel rods to rip apart women from every race and class. At the time the concept of

a serial killer was unthinkable, but the murders continued, the killer became more brazen, and the citizens' panic reached a fever pitch. Before it was all over, at least a dozen men would be arrested in connection with the murders, and the crimes would expose what a newspaper described as "the most extensive and profound scandal ever known in Austin." And yes, when Jack the Ripper began his attacks in 1888, London police investigators did wonder if the killer from Austin had crossed the ocean to terrorize their own city. With vivid historical detail and novelistic flair, Texas Monthly journalist Skip Hollandsworth brings this terrifying saga to life.

Greenwitch *Simon and Schuster*

Simon, Jane, and Barney, enlisted by their mysterious great-uncle, arrive in a small coastal town to recover a priceless golden grail stolen by the forces of evil -- Dark. They are not at first aware of the strange powers of another boy brought to help, Will Stanton -- nor of the sinister significance of the Greenwitch, an image of leaves and branches that for centuries has been cast into the sea for good luck in fishing and harvest. Their search for the grail sets into motion a series of disturbing, sometimes dangerous events that, at their climax, bring forth a gift that, for a time at least, will keep the Dark from rising.

Monster Hunter Siege *Baen*

#6 in multiple New York Times bestseller Larry Correia's Monster Hunter series. GO BIG OR GO HOME When Monster Hunter International's top hunter, Owen Zastava Pitt, was given a tip about some hunters who had gone missing in action, he didn't realize their rescue mission would snowball into the single biggest operation in MHI's history. Their men are being held prisoner in a horrific nightmare dimension, and the only way to reach them is through the radioactive ruins of a monster-infested war zone. As if that wasn't bad enough, it's also the home base of the powerful creature behind the devastating attacks on the Last Dragon and Copper Lake. It turns out ancient gods of chaos really hate trespassers. But this god picked a fight with the wrong crew, and now MHI wants payback. Calling on their allies, a massive expedition is formed, and with the odds stacked against them, a legion of hunters goes to war. It's D-Day at the City of Monsters. About: Monster Hunter Siege: "Correia's latest slugfest between men and demons covers all the bases: heavy-duty weaponry, slick military banter, humor, tough evil dudes, and a strong-jawed hero who's ready to save the world."—Publishers Weekly About Larry Correia's Monster Hunter series: "...once it grabs a hold of you it can be a tough fight to put [it] down." -iGeekOut "[A] no-holds-barred all-out page turner that is part science fiction, part horror, and an absolute blast to read."—Bookreporter.com "If you love monsters and action, you'll love this book. Dragons of the Hourglass Mage

Lost Chronicles, Volume Three *Wizards of the Coast*

Between *Chronicles* and *Legends*, what made Raistlin aspire to godhood? Raistlin Majere has become a Black Robe wizard and travels to Neraka, the lord city of the Dark Queen, ostensibly to work for her, though in reality he means to further his own quest for power. But Takhisis finds out that the dragon orb has entered her city and sends her draconians to find and destroy the wizard who has it in his possession. Before her agents can strike, though, Raistlin finds out that Takhisis means to take control of all wizardly magic. She has ordered Kitiara to set a trap for the Gods of Magic on the Night of the Eye, when all the high-ranking wizards will be in Neraka to celebrate. As the forces of light, with help from the good dragons, are turning the tide of battle, Raistlin is forced to flee, for his foes are closing in on him. As the Dragon Highlords vie for the Crown of Power in the Temple of the Dark Queen, Raistlin Majere wages his own desperate battle against Takhisis in the dungeons below and meets again the brother he betrayed. The fate of the world hangs in the balance.
