Schools Are Crucial In Helping

Migrant Children Feel At Home

Children of migrant workers struggle to achieve the same level of educational success as their peers. Relocation causes discontinuity in education, which causes migrant students to progress slowly through school and drop out at high rates. Additionally, relocation has negative social consequences on students: isolation from peers due to cultural differences and language barriers. Migrant children, defined as those who relocate because of involvement with agriculture-related industries or other s

Migrant education - Wikipedia

Education of migrant children: Education policy responses for the inclusion of migrant children in Europe Barbara Janta and Emma Harte, RAND Europe Executive summary Roughly 10 per cent of the EU population were born in a different country from the one in which they reside. Children under the age of 15 constitute five per cent of this group.

Education of migrant children: Education policy responses ...

Migrant Education is a federal program that provides services to students and their families whose main source of income comes from the agricultural industry, and who have had to move within the last year, as a result of looking for work. Migrant Education provides one-on-one family outreach, connecting families with community and school services including; medical and mental health, tutoring support, resources for clothing, housing, and food.
