If someone you know is becoming increasingly forgetful, encourage them to see a GP to talk about the early signs

of dementia. There are other reasons why someone might be experiencing memory loss. However, if dementia is found early, its progress can be slowed down in some cases, so the person may be able to maintain their mental function for longer.

Worried someone has dementia - NHS - NHS

“When you’re living with someone who you think or know has COVID-19, you should support them physically and emotionally, while at the same time avoiding getting close, touching them or touching things they have touched that haven’t been cleaned yet,” says Tammy Chang, M.D., M.P.H., M.S., assistant professor of Family Medicine at Michigan Medicine.

14 Things to Do If Someone You Live With Has COVID-19

Whether you or someone you love has cancer, knowing what to expect can help you cope. From basic information about cancer and its causes to in-depth information on specific cancer types – including risk factors, early detection, diagnosis, and treatment options – you’ll find it here.

When Someone You Know Has Cancer

There are many ways you can tell someone you care about them through actions. The great thing about caring actions is that you feel like you have helped to carry some of the weight of your loved one's burden. Even the most minor task can be more appreciated

than you know. Here are a few suggestions to help you get started:

What to Say When Someone Is Diagnosed With Cancer

The dying process usually begins well before death actually occurs, and understanding this process can sometimes help you recognize when your loved one is dying. There are changes that take place physically, behaviorally, and psychologically in the journey towards death, that are signs that the end of life may be nearing.

How to Recognize When Your Loved One Is Dying

Composure after someone has died doesn't necessarily mean someone's 'doing well' or coping. It is important to

ask them if they feel that they are coping. Asking them lets them have an opportunity to tell you about things that they might be struggling with. 10. Take risks

What To Say When Someone Dies - Funeral Guide

Many carers, family members or friends will also have an idea about what the person with dementia would want. You might be the people who know the person best, or have talked to them about what they want for the future. You should be consulted where possible and should say what you think the person would want.

Care homes: When is the right time and who decides ...

If you were around someone who has been diagnosed with COVID-19, someone from the health department may call you to let you know that you may have been exposed to COVID-19. Stay home away from others for 14 days (self-quarantine) after your last contact with that person. Health department staff will help identify the dates for your self-quarantine.

Coronavirus (COVID-19) frequently asked questions | CDC

When someone dies, arrangements have to be made to administer their Estate. This includes dealing with their house, bank accounts, investments and tax affairs, and ensuring that whatever is left

is correctly distributed to those entitled to inherit it. ... If you know of a safe in the deceased's home or secure locked drawers where they kept ...
