Using Rubrics To Improve Student

Pull a small group to reteach or clarify a skill or strategy as needed. The ultimate goal of a rubric is for students to receive feedback that they can use to improve their performance. Use this small group or individual instruction time to give them actionable steps that will help them to do just that. Reference the language used in the rubric as much as possible when providing these action steps.

Using Rubrics for Instruction and Assessment in the ...

Rubrics help students: Understand expectations and components of an assignment. Become more aware of their learning process and progress. Improve work through timely and detailed feedback.

Using Rubrics | Center for Teaching Innovation

1. Use rubrics to teach students to track their own growth. Teachers can teach students to track their own growth by using rubrics. Over the past few years, the pressure for student participation in data tracking has increased. Rubrics are a simple way to make that happen. I encourage my students to be active in the learning process by showing them how to use pre- and post-assessments to measure progress.
