Saw the Intruder 1400 and had to have it. I could have bought two for the price of one Harley. Have since sold the 2002

and bought a 2004 Intruder. don't care for the looks of the 2005 now that they have changed the style and the name. The Intruder 1400 is truly a great looking and riding bike with all the power needed and gets a lot of attention.

One of the main reasons I opted for the C800 was the shaft drive and I find it superb. I have done 4,800 miles on it with two services done at a small independent bike garage, the first service was £75 (Suzuki dealer £220) second service £95. It is now due another service which will be about the same price as the second service.
