A leadership book by former Navy SEAL and New York Times bestselling author Mark Divine, *Staring Down the Wolf* focuses on harnessing the principles of purpose and discipline in life to achieve success. What does it take to command a team of elite individuals? It requires a commitment to seven key principles: Courage, Trust, Respect, Growth, Excellence, Resiliency, and Alignment. The Only Sales Guide You'll Ever Need *Penguin*

The USA Today bestseller by the star sales speaker and author of *The Sales Blog* that reveals how all salespeople can attain huge sales success through strategies backed by extensive research and experience. Anthony Iannarino never set out to become a salesman, let alone a sales manager, speaker, coach, or writer of the most prominent blog about the art and science of great selling. He fell into his profession by accident, as a day job while pursuing rock-and-roll stardom. Once he realized he'd never become the next Mick Jagger, Iannarino turned his focus to a question that's been debated for at least a century: Why are a small number of salespeople in any field hugely successful, while the rest get mediocre results at best? The answer is simple: it's not about the market, the product, or the competition—it's all about the seller. And consequently, any salesperson can sell more and better, all the time. Over twenty-five years, Iannarino has boiled down everything he's learned and tested into one convenient book that explains what all successful sellers, regardless of industry or organization, share: a mind-

set of powerful beliefs and a skill-set of key actions, including...

- Self-discipline: How to keep your commitments to yourself and others.
- Accountability: How to own the outcomes you sell.
- Competitiveness: How to embrace competition rather than let it intimidate you.
- Resourcefulness: How to blend your imagination, experience, and knowledge into unique solutions.
- Storytelling: How to create deeper relationships by presenting a story in which the client is the hero and you're their guide.
- Diagnosing: How to look below the surface to figure out someone else's real challenges and needs.

Once you learn Iannarino's core strategies, picking up the specific tactics for your product and customers will be that much easier. Whether you sell to big companies, small companies, or individual consumers, this is the book you'll turn to again and again for proven wisdom, strategies, and tips that really work.

Look Great, Feel Great

12 Keys to Enjoying a Healthy Life Now *FaithWords*

The bodies God gives are instruments for experiencing a fulfilling life on earth, for doing good works, for spiritual development. To do the work individuals are meant to do, they need to keep in shape. They must maintain a sound mind, body, and soul. Yet in the modern world, it is all too easy to let one, two, or all three of these slip. *LOOK GREAT, FEEL GREAT* presents Joyce's twelve-key plan to address the epidemic of "self esteem drought" that appears to be a factor in perpetuating habits that create poor health. Additionally, Joyce will provide helpful resources, like the "Ounce of Prevention Checklist," for self-maintenance.

The Confident Woman

Start Today Living Boldly and Without Fear *FaithWords*

What keeps women from being their best? Joyce has been helping women better themselves by helping identify emotional barriers and physical, mental, and spiritual obstacles in their lives for years. Now she provides another answer-confidence. Our society has an insecurity epidemic, women in particular. Compensating by pretending to be secure-a common response-only leads to feelings of shame. Lack of self-confidence causes great difficulty in

relationships of all kinds, and in marriage instances can even lead to divorce. In *THE CONFIDENT WOMAN*, Joyce explores the seven characteristics of a woman with confidence, which include a woman who knows she is loved, who refuses to live in fear, and who does not live by comparisons. Joyce explains that confidence stems from being positive in your actions and living honestly, but most importantly from having faith, in God and in ourselves.
