The Great Mouse Plot

Going Solo *Penguin UK*

In Going Solo, the world's favourite storyteller, Roald Dahl, tells of life as a fighter pilot in Africa. 'They did not think for one moment that they would find anything but a burnt-out fuselage and a charred skeleton, and they were astounded when they came upon my still-breathing body lying in the sand nearby.' In 1938 Roald Dahl was fresh out of school and bound for his first job in Africa, hoping to find adventure far from home. However, he got far more excitement than he bargained for when the outbreak of the Second World War led him to join the RAF. His account of his experiences in Africa, crashing a plane in the Western Desert, rescue and recovery from his horrific injuries in Alexandria, flying a Hurricane as Greece fell to the Germans, and many other daring deeds, recreates a world as bizarre and unnerving as any he wrote about in his fiction. 'Very nearly as grotesque as his fiction. The same compulsive blend of wide-eyed innocence and fascination with danger and horror' Evening Standard 'A non-stop demonstration of expert raconteurship' The New York Times Book Review Roald Dahl, the brilliant and worldwide acclaimed author of Charlie and the Chocolate Factory, James and

the Giant Peach, Matilda, and many more classics for children, also wrote scores of short stories for adults. These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play, Roald Dahl's *Twisted Tales* by Jeremy Dyson. Roald Dahl's stories continue to make readers shiver today.

Reed City Boy *Rathole Books*

Meet Tim Bazzett, fifty years ago. This book is not so much a memoir as a rambling and luminous letter he is writing to his kids. In it he pays tribute and homage to his parents, to his teachers, and to Reed City, the town that shaped him. Mining his earliest memories, Bazzett tells of childhood scrapes, homemade toys, playing cowboys and "war" and even comes clean about an embarrassing feat of flatulence in a most unlikely place which became legend in family lore. He takes you along to Indian Lake, where he spent his summers swimming, and to Saturday matinees at the Reed Theater, where he learned homespun values from Gene and Roy. You'll meet the nuns who educated him at St. Philip's School, where he learned to dance and diagram. Early struggles with sex, sin and "Catholic guilt" are given their due, along with a short-lived religious vocation and a stint at the seminary. A "pseudo-farm kid," Bazzett tells too of his trials with cows, chickens, and picking pickles; and of lessons in "animal psychology" learned from his grandfather. His high school years are marred by pimples, dorkiness, and pining for the "popular" girls, but brightened by a few close friends and some minor successes on the basketball court. He loves some of his teachers, clashes with others, and even terrorizes

one, as he fumbles his way toward manhood. It's all here - the work, the play, the frustrations and the joys of growing up working-class and Catholic in the heart of small-town America. Anyone who has been there will chuckle, remember and relate to Reed City Boy.

The Witches *Penguin*

From the World's No. 1 Storyteller, *The Witches* is a children's classic that has captured young reader's imaginations for generations. This is not a fairy tale. This is about real witches. There's nothing they hate so much as children, and they work all kinds of terrifying spells to get rid of them. Her grandson listens closely to Grandmamma's stories—but nothing can prepare him for the day he comes face-to-face with The Grand High Witch herself! Now a major motion picture!

Love from Boy

Roald Dahl's Letters to His Mother *Penguin*

From the author of *The BFG*, *Matilda*, *James and the Giant Peach*, *Willy Wonka and the Chocolate Factory*, and many more beloved classics—a whimsical, witty, and revealing collection of the legendary children's author and writer Roald Dahl's letters written to his mother, from early childhood through Dahl's travels to Africa, his career in the Royal Air Force, his work in post-war Washington, D.C., and Hollywood, and the books that made him a literary star. Roald Dahl penned his first letter to his mother, Sofie Magdalene, when he was just nine years old. The origins of a brilliantly funny, subversive, creative mind were evident in boarding school,

and as he entered adulthood, his penchant for storytelling emerged in his missives home from Africa, where he was stationed by Shell Oil, and then the desert camps of the Royal Air Force. His skills were sharpened after a plane crash in Egypt landed him in Washington, D.C., where his cheery letters home were cover for his work in the British Secret Service, along with gossip updates on his spontaneous rise in Hollywood and his budding New York literary career. His mother was, in many ways, Dahl's first reader, and without her correspondence he might never have become a writer. Sofie Magdalene kept every letter her son wrote to her (sadly, her own side of the correspondence did not survive). It was she who encouraged him to tell stories and nourished his desire to fabricate, exaggerate, and entertain. In these letters, Dahl began practicing his craft, developing the dark sense of humor and fantastical imagination that would later produce his timeless tales. The author of *James and the Giant Peach*, *Charlie and the Chocolate Factory*, *Matilda*, and *The BFG*, Dahl is known by millions the world over today. But, writing candidly to the person who knew him best, Dahl was as singular a character as any he created on paper. Assembled by Dahl's authorized biographer Donald Sturrock, *Love from Boy* is a remarkable collection of never-before-published writing that spans four decades and chronicles the remarkable, unpredictable life of its author. While Dahl's books remain bestselling favorites for all ages, *Love from Boy* provides an unprecedented glimpse of the author through his own eyes—a life punctuated by tragedy, creative stagnation, unexpected fame, and fantastic adventure.

Dude, You're a Fag

Masculinity and Sexuality in High School, With a New Preface *Univ of California Press*

High school and the difficult terrain of sexuality and gender identity are brilliantly explored in this smart, incisive ethnography. Based on eighteen months of fieldwork in a racially diverse working-class high school, *Dude, You're a Fag* sheds new light on masculinity both as a field of meaning and as a set of social practices. C. J. Pascoe's unorthodox approach analyzes masculinity as not only a gendered process but also a sexual one. She demonstrates how the "specter of the fag" becomes a disciplinary mechanism for regulating heterosexual as well as homosexual boys and how the "fag discourse" is as much tied to gender as it is to sexuality.
