The Journal publishes original articles in the domains of labour law and industrial relations – interpreted broadly and dynamically – and aims to deal with countries from all over the world.

International Journal of Comparative Labour Law ...

Labour law arose in parallel with the Industrial Revolution as the relationship between worker and employer changed from small-scale production studios to large-scale factories. Workers sought better conditions and the right to join a labour union, while employers sought a more predictable, flexible and less costly workforce. The state of labour law at any one time is therefore both the product ...
