Literature And Medicine In Nineteenth

The discipline of clinical medicine and the natural and supernatural obsessions of Romantic literature emerged out of the same cultural configurations. Janis Caldwell investigates the links between the growing scientific materialism of the nineteenth century and the persistence of the Romantic literary imagination.

Janis Caldwell investigates the links between the growing scientific materialism of the nineteenth century and the persistence of the Romantic literary imagination. Through closely analyzing literary texts from *Frankenstein* to *Middlemarch*, and examining fiction alongside biomedical lectures, textbooks and articles, Caldwell

argues that the way "Romantic materialism" influenced these disciplines compels us to revise conventional accounts of the relationship between literature and medicine.

Summary. Janis Caldwell, who practiced

emergency medicine for five years before getting her Ph.D. in English, examines the philosophy and practice of nineteenth-century British literature and medicine in this book. In an erudite introduction, she explains what she means by the "double vision" of "Romantic materialism," "Romantic because [physicians and authors] were concerned with consciousness and self-expression, and materialist because they placed a particularly high value on what natural ...

Literature and Medicine in Nineteenth-Century Britain ...

Most of the work to date on nineteenth-century literature and medicine has attempted to map Foucault's reading of French history onto the British scene. 17

Lawrence Rothfield, in *Vital Signs*, reaches for a comprehensive definition of the "medical gaze." 18 Rothfield argues that realist authors modeled themselves after doctors, borrowing cultural authority from the distanced, all-seeing gaze of the clinician. Like medicine, realism aspired to mimesis through exactitude in recording ...
