Using Older Edition Textbooks

Uncertainty—and the fact that students using multiple editions creates extra work for you—are reasons to be concerned about older editions of textbooks in class. In the average science textbook , where the core part of the curriculum rarely changes, you'll find that page numbers, illustrations, figure numbers, chapters and questions might switch

between editions.

The Downsides of Using Older Editions of Textbooks

If you are thinking of using an older edition of a textbook, make sure to ask/email the professor. At my school sometimes professors will specify "older editions of textbook okay." I was always tempted to use older editions of textbooks, but instead I choose to buy international editions.. up to 4 times cheaper and has the exact same content, just different cover.
