Privatisation In The European Union

There is a long history of state ownership of industry in Europe. Since the 1980s, however, privatization has been promoted by economists as the solution to difficulties experienced in managing state-owned enterprises. This study reviews privatization in each of the member states of the European Union.

Privatization in the European Union: A Critical Assessment ...

The term ‘privatisation’ can refer to three broad types of policy: first, asset transfer from the public to the private sector, generally through sale; second, deregulation or liberalisation of statutory monopolies (with or without the sale of assets), with particular emphasis on the removal of entry restrictions; and finally, franchising or contracting out the provision of marketable goods and services to private sector firms.² We could add corporatisation as a fourth method of ...
