Best of Personal Excellence Ser.: Best of Personal ...

Personal excellence involves motives, values and standards The quality of our life today is a reflection of our past

motives and values. Moving toward personal excellence requires that we be willing to raise the bar on our standards. The only legitimate way to expect more from life is to be willing to give more.

Where Does Personal Excellence Begin?

Excellence is performing at your highest level. Whether it's raising your self-esteem, doing well at your job, having satisfying relationships, or improving your physical body, engaging in excellence means you carefully think through your goal and make logical plans, you take the time to do your best, and you work hard at achieving what you desire. Pursuing excellence begins with a decision you make, an ideal you envision.

10 Approaches to Pursuing Excellence - dummies

Personal Excellence: Producing your best in any given situation, within or without a conducive environment to do so; Strive to be better than last time, every time. This definition of excellence only compares with self, and hence is in my control. Given this definition, it is easy to answer the questions I posed at the beginning.

Personal Excellence - Career Bloom

Personal Excellence means being who you really are, in touch with your own inner wisdom, bringing forth the best that is within you, and functioning at your creative peak producing optimal performance.

Personal Excellence - Bring Your Best to Life (6CDs or MP3s)

Aiming for a new "personal best" is backward-looking. To achieve excellence you need to focus on your possible best, or fully maximizing your potential.

The Fallacy Of The Personal Best - forbes.com

Personal Excellence Foundation The Personal Excellence Foundation teaches kids how to be their most authentic selves and live joyful, purpose-driven lives. Because life is not just about what kids should do when they grow-up—it's about who they are as individuals and how they interact with the world around them.

Personal Excellence Foundation

Living consciously is about being conscious of who you are, your role in the universe, and making the best out of your life. Here, you'll find articles on how to be a more conscious human being, including how to find your life purpose, develop your inner self, and better manage your life.

Excellence

I've set up personal rituals for myself for handling e-mail, waking up each morning, writing articles, and reading books. Far from making me inflexible, these rituals give me a useful default pattern that works best 99% of the time. Whenever my current ritual won't work, I'm always free to stop using it.
