The latest edition is called Complete Icelandic, but there aren't many changes compared to the previous edition which has the title Teach Yourself Icelandic. The audio dialogues are identical, and aside from some formatting changes and the addition of a summary at the end of each chapter, the text is pretty much the same. Colloquial Icelandic, by Daisy L. Neijmann This is another very good book, but definitely more challenging, with most of the audio being read at normal or near-normal speed.
