Practices Of An Agile Developer

Agile is all about values and not a set of prescriptive 1s and 0s, even for a development team. There are quite a few practices that align to those values and allow the development team to transition to agility in delivery of software. This session focuses on practices that correlate to the values, how they apply and why we do them.

Agile Development Practices | Agile Alliance

Practices of an Agile Developer makes it easy to become agile, or get even better at it.""--Steffen Gemkow, Managing Director, ObjectFab GmbH Synopsis The practices that make a software project successful are usually missing in those projects that fail.
