Lart De Toucher Le Clavecin

L'art de toucher le clavecin (English: The Art of Playing the Harpsichord) is a didactic treatise by the French composer François Couperin. It was first published in 1716, and was followed by a revised edition in 1717. The treatise was written to instruct keyboard players in performance practice, particularly for Couperin's Pièces de Clavecin; Couperin, upon its publication, noted that it was "absolutely indispensable for playing my Pièces in the style most suitable to them".
