This central section of the Handbook Of Arbitration Practice does more than give good advice to arbitrators, the parties, and their representatives. Both in its text and its appendices it provides checklists which should always be on hand: the listing of the issues to be decided, the importance of each of them, the time it will take to decide them and the amount that each of them represents (see pages 136-137); and the listing of the objects of note-taking and the various methods of note ...
