Killers of the Flower Moon *Vintage*

NATIONAL BOOK AWARD FINALIST • NATIONAL BESTSELLER • A twisting, haunting true-life murder mystery about one of the most monstrous crimes in American history, from the author of *The Lost City of Z*. In the 1920s, the richest people per capita in the world were members of the Osage Nation in Oklahoma. After oil was discovered beneath their land, the Osage rode in chauffeured automobiles, built mansions, and sent their children to study in Europe. Then, one by one, the Osage began to be killed off. The family of an Osage woman, Mollie Burkhart, became a prime target. One of her relatives was shot. Another was poisoned. And it was just the beginning, as more and more Osage were dying under mysterious circumstances, and many of those who dared to investigate the killings were themselves murdered. As the death toll rose, the newly created FBI took up the case, and the young director, J. Edgar Hoover, turned to a former Texas Ranger named Tom White to try to unravel the mystery. White put together an undercover team, including a Native American agent who infiltrated the region, and together with the Osage began to expose one of the most chilling conspiracies in American history. Look for David Grann's new book, *The Wager*, coming in April 2023!

Killers of the Flower Moon *Simon and Schuster*

WINNER OF THE EDGAR AWARD FOR BEST FACT CRIME
SHORTLISTED FOR THE ANDREW CARNEGIE MEDAL FOR EXCELLENCE IN NON-FICTION
SHORTLISTED FOR THE CWA ALCS GOLD DAGGER FOR NON-FICTION
SOON TO BE A MAJOR MOTION PICTURE DIRECTED BY MARTIN SCORSESE STARRING LEONARDO DICAPRIO AND ROBERT DE NIRO
'A riveting true story of greed, serial murder and racial injustice' JON KRAKAUER
'A fiercely entertaining mystery story and a wrenching exploration of evil' KATE ATKINSON
'A fascinating account of a tragic and forgotten chapter in the history of the American West' JOHN GRISHAM
From the bestselling author of *The Lost City of Z*, now a major film starring Charlie Hunnam, Sienna Miller and Robert Pattinson, comes a true-life murder story which became one of the FBI's first major homicide investigations. In the 1920s, the richest people per capita in the world were members of the Osage Indian nation in Oklahoma. After oil was discovered beneath their land, they rode in chauffeured automobiles, built mansions and sent their children to study in Europe. Then, one by one, the Osage began to be killed off. As the death toll climbed, the FBI took up the case. But the bureau badly bungled the investigation. In desperation, its young director, J. Edgar Hoover, turned to a former Texas Ranger named Tom White to unravel the mystery. Together with the Osage he and his undercover team began to expose one of the most chilling conspiracies in American history. 'David Grann has a razor-keen instinct for suspense' LOUISE ERDRICH

Killers of the Flower Moon: Adapted for Young Readers

Crown Books for Young Readers

The New York Times bestseller and National Book Award finalist *Killers of the Flower Moon* is now adapted for young readers. This book is an essential resource for young readers to learn about the Reign of Terror against the Osage people--one of history's most ruthless and shocking crimes. In the 1920s, the richest people per capita in the world were members of the Osage Nation in Oklahoma, thanks to the oil that was discovered beneath their land. Then, one by one, the Osage began to die under mysterious circumstances, and anyone who tried to investigate met the same end. As the death toll surpassed more than twenty-four Osage, the newly created Bureau of Investigation, which became the FBI, took up the case, one of the organization's first major homicide investigations. An undercover team, including one of the only Native American agents in the bureau, infiltrated the region, struggling to adopt the latest modern techniques of detection. Working with the Osage, they began to expose one of the most chilling conspiracies in American history. In this adaptation of the adult bestseller, David Grann revisits his gripping investigation into the shocking crimes against the Osage people. The book is a searing indictment of the callousness and prejudice toward Native Americans that allowed the murderers to occur for so long.

The Devil and Sherlock Holmes *Vintage*

From the bestselling author of *Killers of the Flower Moon* comes this "gripping" (*The Miami Herald*) and "hilarious" (*EW*) collection of true crime mysteries about people whose obsessions propel them into unfathomable and often deadly circumstances. Whether David Grann is investigating a mysterious murder, tracking a chameleon-like con artist, or hunting an elusive giant squid, he has proven to be one of the most gifted reporters and storytellers of his generation. In *The Devil and Sherlock Holmes*, Grann takes the reader around the world, revealing a gallery of rogues and heroes with their own particular fixations who show that truth is indeed stranger than fiction. Look for David Grann's

new book, *The Wager*, coming in April 2023!

Workbook for Killers of the Flower Moon

Any reader can use this workbook for *Workbook for Killers of the Flower Moon: The Osage Murders and the Birth of the FBI* by David Grann and find immediate help in applying its major lessons. *Killers of the Flower Moon: The Osage Murders and the Birth of the FBI* is the story of the Osage murders that took place in the 1920s. Written by David Grann, an American journalist, the book follows the events of the murders and explores the related cultural and financial contexts. The book also links the murders and the FBI's first years of operations, as the case was one of its first high-profile undertakings. The title is a reference to May, which the Osage refers to as the time of the "flower-killing moon." *Killers of the Flower Moon* is a New York Times bestseller and is a 2017 National Book Awards finalist. It was also voted among the top ten non-fiction books of 2017 by Time magazine. A film based on the book is slated for production starring Robert De Niro and Leonardo DiCaprio. Summary of Killers of the Flower Moon *BookSummaryGr*

Summary of *Killers of the Flower Moon* David Grann's *Killers of the Flower Moon: The Osage Murders and the Birth of the FBI* recounts how Tom White, an FBI investigator, straddled the divide between the old Wild West-style law enforcement and its new Progressivism movement predicated on rational, evidence-based, scientific investigation. In Osage County, Oklahoma, Tom White is tasked with solving the Osage murders case, in which twenty-four Osage individuals were suspected of being murdered, but nobody could figure out who or why these killings were happening. The case was four years old, and the Bureau of Investigation—still in its early years, and later transformed into the FBI—was under a lot of pressure to solve it, especially with a new, ambitious director named J. Edgar Hoover at the helm. He would go on to preside as director of the FBI (and Bureau of Investigation) for forty-eight years. At the time, however, Hoover was anxious to solve this troubling case and used its success as a springboard toward launching the Federal Bureau of Investigation's genesis myth. Tom White leads a team of undercover agents into Osage County, carefully eliminating suspects and probing witnesses until he discovers that William K. Hale, the "King of the Osage Hills," is pulling countless local strings to deviate the investigation away from him. What follows is a breathtaking account of a true story filled with corruption and crime—a raw

story of how law enforcement can bring out the rawness and depth of (in)humanity. Here is a Preview of What You Will Get: - A Full Book Summary - An Analysis - Fun quizzes - Quiz Answers - Etc. Get a copy of this summary and learn about the book.

Summary of David Grann's Killers of the Flower Moon by Milkyway Media *Milkyway Media*

Killers of the Flower Moon (2017) narrates a series of murders on the Osage reservation in Oklahoma. In the 1920s, members of the Osage tribe were killed as part of a plot to deprive them of their oil wealth. Purchase this in-depth summary to learn more.

Summary of Killers of the Flower Moon *SpeedyReads*

On the 24th of May 1921, Mollie Burkhart of the Osage settlement town of Gray Horse, Oklahoma, began dreading the worst about her elder sister, Anna Brown. Anna had vanished three days earlier, which wasn't uncharacteristic of her since she disappeared at times. Their sister, Minnie, had passed away three years ago due to a mysterious illness that the doctors had not been able to explain. By the year 1923, the number of killed Osages had reached twenty-four. A young director, J. Edgar Hoover, started obsessing over the case of the Osage killings and called on to a former Texas Ranger named Tom White to investigate and solve the mystery.

The Lost City of Z *Simon and Schuster*

****NOW A MAJOR FILM STARRING ROBERT PATTINSON, CHARLIE HUNNAM AND SIENNA MILLER**** 'A riveting, exciting and thoroughly compelling tale of adventure' JOHN GRISHAM The story of Colonel Percy Harrison Fawcett, the inspiration behind Conan Doyle's *The Lost World* Fawcett was among the last of a legendary breed of British explorers. For years he explored the Amazon and came to believe that its jungle concealed a large, complex civilization, like El Dorado. Obsessed with its discovery, he christened it the City of Z. In 1925, Fawcett headed into the wilderness with his son Jack, vowing to make history. They vanished without a trace. For the next eighty years, hordes of explorers plunged into the jungle, trying to find evidence of Fawcett's party or Z. Some died from disease and starvation; others simply disappeared. In this spellbinding true tale of lethal obsession, David Grann retraces the footsteps of Fawcett and his followers as he unravels one of the greatest mysteries of exploration. 'A wonderful story of a lost age of heroic exploration' Sunday Times 'Marvellous ... An engrossing book whose protagonist could out-think Indiana Jones' Daily Telegraph 'The best story in the world, told perfectly' Evening Standard 'A fascinating and brilliant book' Malcolm Gladwell

The White Darkness *Doubleday*

By the #1 New York Times bestselling author of *Killers of the Flower Moon*, a powerful true story of adventure and obsession in the Antarctic, lavishly illustrated with color photographs Henry Worsley was a devoted husband and father and a decorated British special forces officer who believed in honor and sacrifice. He was also a man obsessed. He spent his life idolizing Ernest Shackleton, the nineteenth-century polar explorer, who tried to become the first person to reach the South Pole, and later sought to cross Antarctica on foot. Shackleton never completed his journeys, but he repeatedly rescued his men from certain death, and emerged as one of the greatest leaders in history. Worsley felt an overpowering connection to those expeditions. He was related to one of Shackleton's men, Frank Worsley, and spent a fortune collecting artifacts from their epic treks across the continent. He modeled his military command on Shackleton's legendary skills and was determined to measure his own powers

of endurance against them. He would succeed where Shackleton had failed, in the most brutal landscape in the world. In 2008, Worsley set out across Antarctica with two other descendants of Shackleton's crew, battling the freezing, desolate landscape, life-threatening physical exhaustion, and hidden crevasses. Yet when he returned home he felt compelled to go back. On November 13, 2015, at age 55, Worsley bid farewell to his family and embarked on his most perilous quest: to walk across Antarctica alone. David Grann tells Worsley's remarkable story with the intensity and power that have led him to be called "simply the best narrative nonfiction writer working today." Illustrated with more than fifty stunning photographs from Worsley's and Shackleton's journeys, *The White Darkness* is both a gorgeous keepsake volume and a spellbinding story of courage, love, and a man pushing himself to the extremes of human capacity.

The Lost City of Z *Vintage*

The #1 New York Times bestseller from the author of *Killers of the Flower Moon* In 1925, the legendary British explorer Percy Fawcett ventured into the Amazon jungle, in search of a fabled civilization. He never returned. Over the years countless perished trying to find evidence of his party and the place he called "The Lost City of Z." In this masterpiece of narrative nonfiction, journalist David Grann interweaves the spellbinding stories of Fawcett's quest for "Z" and his own journey into the deadly jungle, as he unravels the greatest exploration mystery of the twentieth century.

KILLERS OF THE FLOWER MOON - Summarized for Busy People *Goldmine Reads*

This book summary and analysis was created for individuals who want to extract the essential contents and are too busy to go through the full version. This book is not intended to replace the original book. Instead, we highly encourage you to buy the full version. During the 1920s, the world's wealthiest people per capita were the Osage Indians of Oklahoma. Upon the discovery of oil underneath their lands, they built their own mansions, were driven around by chauffeurs in their own automobiles, and enrolled their children to expensive European schools. That is, until the richest of them were killed off one by one. It was evident that the primary target had been the family of one female Osage member named Mollie Burkhart—her sister was shot and her mother poisoned. The deaths in Mollie Burkhart's family mark the beginning of a series of gruesome murders, each Osage death just as suspicious as the last. Set in what remains of the Wild West—where oilmen like J. P. Getty himself had secured his immense fortune—those who had the guts to uncover the mysteries of the Osage murders had their fates sealed just as well. The FBI finally took over the case when the body count rose to over two dozen. The investigation was the Bureau's first big homicide case, and they had botched it well. Young J. Edgar Hoover was director at the time, and he was desperate. He sought the help of Tom White, a former Texas Ranger, to resolve the case once and for all. White assembled a team of undercover agents, including the Bureau's sole American Indian agent. The team infiltrated the county, knowing full well that being compromised will cost them their lives. White, the agents, and the Osage come together to reveal the truth behind one of America's most sordid conspiracies throughout history. *Killers of the Flower Moon* sheds light on the long-kept conspiracy that ordered the murder of more than two dozens of Osage members. David Grann's narrative nonfiction is based upon several years of deep research and shocking new evidence. Each piece of information throughout the Bureau's investigation is a step deeper into an intricate web of cover-ups. More importantly, *Killers of the Flower Moon* illustrates the prejudice and antipathy towards Native Americans which granted the murderers and conspirators impunity all those years ago—even up to this day. Wait no more, take action and get this book now!

Summary: David Grann's Killers of the Flower Moon: The Osage Murders and the Birth of the FBI *Blurb*

During the 1920s in Oklahoma, a number of untimely and suspicious deaths happened to the members of the oil-wealthy Osage Nation. These widespread crimes exposed the inability of the authorities to identify the ones responsible. These led to the establishment of the FBI. Author of the bestselling book *The Lost City of Z*, David Grann writes a complex story of the web of deception and violence that focused on one Osage woman - Mollie Burkhart. Her family members were murdered one after the other. In Grann's bestselling masterpiece *Killers of the Flower Moon: The Osage Murders and the Birth of the FBI*, we see that corruption, cover-ups, violence, and deception have been present before and even after a century later. In this comprehensive look into *Killers of the Flower Moon: The Osage Murders and the Birth of the FBI* by David Grann, you'll gain insight with this essential resource as a guide to aid your discussions. Be prepared to lead with the following: More than 60 "done-for-you" discussion

prompts available Discussion aid which includes a wealth of information and prompts Overall brief plot synopsis and author biography as refreshers Thought-provoking questions made for deeper examinations Creative exercises to foster alternate "if this was you" discussions And more! David Grann's narrative nonfiction is based upon several years of deep research and shocking new evidence. Each piece of information throughout the Bureau's investigation is a step deeper into an intricate web of cover-ups. More importantly, *Killers of the Flower Moon* illustrates the prejudice and antipathy towards Native Americans which granted the murderers and conspirators impunity all those years ago-even up to this day. Wait no more, take action and get this book now!

Killers of the Flower Moon *National Geographic Books*

NEW YORK TIMES BESTSELLER - NATIONAL BOOK AWARD FINALIST "Disturbing and riveting...It will sear your soul." --Dave Eggers, New York Times Book Review SHELF AWARENESS'S BEST BOOK OF 2017 Named a best book of the year by Wall Street Journal, The Boston Globe, San Francisco Chronicle, GQ, Time, Newsday, Entertainment Weekly, Time Magazine, NPR's Maureen Corrigan, NPR's "On Point," Vogue, Smithsonian, Cosmopolitan, Seattle Times, Bloomberg, Lit Hub's "Ultimate Best Books," Library Journal, Paste, Kirkus, Slate.com and Book Browse From New Yorker staff writer David Grann, #1 New York Times best-selling author of *The Lost City of Z*, a twisting, haunting true-life murder mystery about one of the most monstrous crimes in American history In the 1920s, the richest people per capita in the world were members of the Osage Indian nation in Oklahoma. After oil was discovered beneath their land, they rode in chauffeured automobiles, built mansions, and sent their children to study in Europe. Then, one by one, the Osage began to be killed off. The family of an Osage woman, Mollie Burkhart, became a prime target. Her relatives were shot and poisoned. And it was just the beginning, as more and more members of the tribe began to die under mysterious circumstances. In this last remnant of the Wild West--where oilmen like J. P. Getty made their fortunes and where desperadoes like Al Spencer, the "Phantom Terror," roamed--many of those who dared to investigate the killings were themselves murdered. As the death toll climbed to more than twenty-four, the FBI took up the case. It was one of the organization's first major homicide investigations and the bureau badly bungled the case. In desperation, the young director, J. Edgar Hoover, turned to a former Texas Ranger named Tom White to unravel the mystery. White put together an undercover team, including one of the only American Indian agents in the bureau. The agents infiltrated the region, struggling to adopt the latest techniques of detection. Together with the Osage they began to expose one of the most chilling conspiracies in American history. In *Killers of the Flower Moon*, David Grann revisits a shocking series of crimes in which dozens of people were murdered in cold blood. Based on years of research and startling new evidence, the book is a masterpiece of narrative nonfiction, as each step in the investigation reveals a series of sinister secrets and reversals. But more than that, it is a searing indictment of the callousness and prejudice toward American Indians that allowed the murderers to operate with impunity for so long. *Killers of the Flower Moon* is utterly compelling, but also emotionally devastating.

Killers of the Flower Moon *National Geographic Books*

NATIONAL BOOK AWARD FINALIST • NATIONAL BESTSELLER • A twisting, haunting true-life murder mystery about one of the most monstrous crimes in American history, from the author of *The Lost City of Z*. In the 1920s, the richest people per capita in the world were members of the Osage Nation in Oklahoma. After oil was discovered beneath their land, the Osage rode in chauffeured automobiles, built mansions, and sent their children to study in Europe. Then, one by one, the Osage began to be killed off. The family of an Osage woman, Mollie Burkhart, became a prime target. One of her relatives was shot. Another was poisoned. And it was just the beginning, as more and more Osage were dying under mysterious circumstances, and many of those who dared to investigate the killings were themselves murdered. As the death toll rose, the newly created FBI took up the case, and the young director, J. Edgar Hoover, turned to a former Texas Ranger named Tom White to try to unravel the mystery. White put together an undercover team, including a Native American agent who infiltrated the region, and together with the Osage began to expose one of the most chilling conspiracies in American history. Summary of Killers of the Flower Moon *Blurb*

Killers of the Flower Moon: The Osage Murders and the Birth of the FBI by David Grann: Trivia Book Journalist David Grann recreates the events that tell how unsuspecting Osage families, the world's wealthiest in the 1920s, were murdered one by one by seemingly benevolent men who married into the family in order to inherit all the money gained from their land's oil deposits. Reported in the newspapers as the "Reign of Terror" or the "Osage Black Curse," Grann ties in the parallel story of how the modern FBI was created as a resulting effort to capture the murderers. What should interest us today, according to Grann, is how greed continues to threaten American Indian lives. *Killers of the Flower Moon* is one of Time magazine's 2017 top ten non-fiction books. Features You'll Discover Inside: - A comprehensive guide to aid in discussion & discovery - 30 multiple choice questions on the book, plots, characters, and author - Insightful resource for teachers, groups, or individuals - Keep track of scores with results to determine "fan status" - Share with other book fans and readers for mutual enjoyment Disclaimer: This is an unofficial summary, analysis and trivia book to enhance a reader's experience to books they already love and appreciate. Summary of Killers of the Flower Moon by David Grann - Conversation Starters

Summary of *Killers of the Flower Moon* by David Grann | Conversation Starters *Killers of the Flower Moon* is the latest novel from author David Grann. This nonfiction book is about the murder of the Osage Native American tribe in the 1920s. The Osage tribe was forced off their land by the United States government. They moved to Oklahoma and oil was discovered on their land. The oil money made them wealthy enough to buy mansions and cars. They were able to send their children to boarding schools in Europe. Then, tragedy struck. One by one, the members of the Osage tribe turned up murdered in various ways -- gunshots, poisoning, and explosions. David Grann follows the trail of who was responsible for the murders and what happened to the Osage. *Killers of the Flower Moon* has been called the best book released in 2017 by Entertainment Weekly, and it has been labeled as "extraordinary" by Time Magazine A Brief Look Inside: EVERY GOOD BOOK CONTAINS A WORLD FAR DEEPER than the surface of its pages. The characters and their world come alive, and the characters and its world still live on. Conversation Starters is peppered with questions designed to bring us beneath the surface of the page and invite us into the world that lives on. These questions can be used to... Create Hours of Conversation: * Promote an atmosphere of discussion for groups * Foster a deeper understanding of the book * Assist in the study of the book, either individually or corporately * Explore unseen realms of the book as never seen before Disclaimer: This book you are about to enjoy is an independent resource meant to supplement the original book. If you have not yet read the original book, we encourage to do before purchasing this unofficial Conversation Starters.

The Old Man and the Gun *Vintage*

Now a major motion picture starring Robert Redford and Sissy

Spacek, *The Old Man and the Gun* is here joined by two other riveting true-crime tales. "The Old Man and the Gun" is the incredible story of a bank robber and prison escape artist who modeled himself after figures like Pretty Boy Floyd and who, even in his seventies, refuses to retire. "True Crime" follows the twisting investigation of a Polish detective who suspects that a novelist planted clues in his fiction to an actual murder. And "The Chameleon" recounts how a French imposter assumes the identity of a missing boy from Texas and infiltrates the boy's family, only to soon wonder whether he is the one being conned. In this mesmerizing collection, David Grann shows why he has been called a "worthy heir to Truman Capote" and "simply the best narrative nonfiction writer working today," as he takes the reader on a journey through some of the most intriguing and gripping real-life tales from around the world.

38 Nooses *Vintage*

A Kirkus Reviews Best Book of the Year In August 1862, after suffering decades of hardship, broken treaties, and relentless encroachment on their land, the Dakota leader Little Crow reluctantly agreed that his people must go to war. After six weeks of fighting, the uprising was smashed, thousands of Indians were taken prisoner by the US army, and 303 Dakotas were sentenced to death. President Lincoln, embroiled in the most devastating period of the Civil War, personally intervened to save the lives of 265 of the condemned men, but in the end, 38 Dakota men would be hanged in the largest government-sanctioned execution in U.S. history. Writing with uncommon immediacy and insight, Scott W. Berg details these events within the larger context of the Civil War, the history of the Dakota people and the subsequent United States-Indian wars, and brings to life this overlooked but seminal moment in American history.

Running Out *Princeton University Press*

"This book--the first ethnography of water conservation on the Great Plains--provides an account of High Plains aquifer decline through an exploration of the different ways in which heartland residents inhabit and understand the imminent depletion of groundwater. This literary ethnography offers a vividly sketched look into the lives and stories of this community, based on interviews with members of the community such as fellow farmers and state regulators, woven together with historical data, journalistic documentation, and Bessire's personal reflections of his family's lived experiences"--Provided by publisher.

Los Asesinos de la Luna de Las Flores *Vintage Espanol*

BEST-SELLER DEL NEW YORK TIMES - FINALISTA DEL NATIONAL BOOK AWARD "Desconcertante y cautivadora [...] una historia que abrazará tu alma". --Dave Eggers, New York Times Book Review MEJOR LIBRO DEL SHELF AWARENESS DE 2017 Anunciado como mejor libro del año por Wall Street Journal, The Boston Globe, San Francisco Chronicle, GQ, Time, Newsday, Entertainment Weekly, Time Magazine, NPR's Maureen Corrigan, NPR's "On Point", Vogue, Smithsonian, Cosmopolitan, Seattle Times, Bloomberg, Lit Hub's "Ultimate Best Books," Library Journal, Paste, Kirkus, Slate.com and Book Browse. Del redactor de The New Yorker, David Grann, best-seller #1 del New York Times y autor de The Lost City of Z, nos llega esta retorcida y evocadora historia de misterio y asesinatos sobre uno de los crímenes más monstruosos de la historia estadounidense. En la década de 1920, las personas más ricas per cápita del mundo eran los miembros de la Nación Osage en Oklahoma. Después de que se descubriera petróleo bajo sus tierras, comenzaron a tener automóviles con chofer, a construir mansiones y a enviar a sus hijos a estudiar a Europa. Entonces, los Osage comenzaron a ser

exterminados, uno por uno. El blanco principal era la familia de una mujer Osage llamada Mollie Burkhart. Sus parientes fueron envenenados o muertos a tiros. Pero aquello fue tan solo el principio. Cada vez más miembros de la tribu morían bajo misteriosas circunstancias. En este último remanente del Lejano Oeste --donde petroleros como J. P. Getty hicieron sus fortunas y donde deambulaban bandidos como Al Spencer, "el terror fantasma"--muchos de los que se atrevían a investigar aquellos asesinatos también terminaban muertos. Cuando la cuota de muertes ascendió a más de veinticuatro, el FBI tomó las riendas del caso. Se trataba de una de las primeras y más importantes investigaciones de homicidio de la organización y la oficina la echó a perder. Desesperado, el joven director, J. Edgar Hoover, acude a un antiguo ranger de Texas llamado Tom White para descifrar el misterio. White creó un equipo encubierto, que incluía a uno de los únicos agentes nativo-americanos. Los agentes infiltraron la región, luchando por adoptar las últimas técnicas de detección. Junto a los Osage, comenzaron a exponer una de las conspiraciones más escalofriantes de la historia estadounidense. En Los asesinos de la luna de las flores, David Grann revisita una impactante serie de crímenes en la que docenas de personas fueron asesinadas a sangre fría. Basado en años de investigación y en alarmantes nuevas evidencias, este libro es una obra maestra de la narrativa de no-ficción, pues cada paso de la investigación revela una serie de siniestros secretos y percances. Pero, sobre todo, es una denuncia mordaz a la brutalidad y a la discriminación contra los indios americanos, factores que permitieron que crímenes como estos se cometieran impunemente por tanto tiempo. Los asesinos de la luna de las flores es una historia totalmente cautivadora, aunque también emocionalmente devastadora.

Book Club Kit

Presents a true account of the early twentieth-century murders of dozens of wealthy Osage and law-enforcement officials, citing the contributions and missteps of a fledgling FBI that eventually uncovered one of the most chilling conspiracies in American history.

□□□ □

Empire of Deception *Algonquin Books*

"A rollicking tale that is one part The Sting, one part The Great Gatsby, and one part The Devil in the White City." —Karen Abbott, author of Liar, Temptress, Soldier, Spy In a time of unregulated madness, nowhere was it madder than in Chicago at the dawn of the Roaring Twenties. It was the perfect place for a slick, smooth-talking, charismatic lawyer named Leo Koretz to entice hundreds of people to invest as much as \$30 million--upwards of \$400 million today--in phantom timberland and nonexistent oil wells in Panama. It was an ingenious deceit, one that out-Ponzied Charles Ponzi himself. In this rip-roaring tale of greed, financial corruption, dirty politics, over-the-top and under-the-radar deceit, illicit sex, and a brilliant and wildly charming con man on the town and then on the lam, Empire of Deception proves that the American dream of easy wealth is truly a timeless commodity. "Captivating . . . Dean Jobb tells the story of Leo Koretz, a legendary con artist of Madoffian audacity, with terrific energy and narrative brio." —Gary Krist, author of Empire of Sin "A brilliantly researched tale of greed, ambition, and our desperate need to believe in magic, it's history that captures America as it really was--and always will be. A great read." —Douglas Perry, author of Eliot Ness "Reads like a Gatsby-Ponzi mashup . . . Kudos to Jobb for unearthing this overlooked story and bringing to life a charming, witty, naughty, iconic American

crook.” —Neal Thompson, author of *A Curious Man* “The granddaddy of all con men, Leo Koretz gives Jobb the opportunity to exhibit his impressive research and storytelling skills . . . A highly readable, entertaining story.” —Kirkus Reviews

Empire of the Summer Moon *Simon and Schuster*

Finalist for the Pulitzer Prize and the National Book Critics Circle Award *A New York Times Notable Book* *Winner of the Texas Book Award and the Oklahoma Book Award* This New York Times bestseller and stunning historical account of the forty-year battle between Comanche Indians and white settlers for control of the American West “is nothing short of a revelation...will leave dust and blood on your jeans” (The New York Times Book Review). *Empire of the Summer Moon* spans two astonishing stories. The first traces the rise and fall of the Comanches, the most powerful Indian tribe in American history. The second entails one of the most remarkable narratives ever to come out of the Old West: the epic saga of the pioneer woman Cynthia Ann Parker and her mixed-blood son Quanah, who became the last and greatest chief of the Comanches. Although readers may be more familiar with the tribal names Apache and Sioux, it was in fact the legendary fighting ability of the Comanches that determined when the American West opened up. Comanche boys became adept bareback riders by age six; full Comanche braves were considered the best horsemen who ever rode. They were so masterful at war and so skillful with their arrows and lances that they stopped the northern drive of colonial Spain from Mexico and halted the French expansion westward from Louisiana. White settlers arriving in Texas from the eastern United States were surprised to find the frontier being rolled backward by Comanches incensed by the invasion of their tribal lands. The war with the Comanches lasted four decades, in effect holding up the development of the new American nation. Gwynne’s exhilarating account delivers a sweeping narrative that encompasses Spanish colonialism, the Civil War, the destruction of the buffalo herds, and the arrival of the railroads, and the amazing story of Cynthia Ann Parker and her son Quanah—a historical feast for anyone interested in how the United States came into being. Hailed by critics, S. C. Gwynne’s account of these events is meticulously researched, intellectually provocative, and, above all, thrillingly told. *Empire of the Summer Moon* announces him as a major new writer of American history.

Analysis of David Grann's Killers of the Flower Moon by Milkyway Media

Killers of the Flower Moon (2017) narrates a series of murders on the Osage reservation in Oklahoma. In the 1920s, members of the Osage tribe were killed as part of a plot to deprive them of their oil wealth. Purchase this in-depth analysis to learn more.

Killers of the Flower Moon

prefect nice looking the Flower Moon for pepole born Details: cover: matte finich size: 6*9 inche paper: whiet pages:120pages

The Texas Job *Sourcebooks, Inc.*

Some men are destined for danger Texas Ranger Tom Bell is simply tracking a fugitive killer in 1931 when he rides into Kilgore, a hastily erected shanty town crawling with rough and desperate men—oil drillers who've come by the thousands in search of work. The sheriff of the boomtown is overwhelmed and offers no help, nor are any of the roughnecks inclined to assist the young Ranger in his search for the wanted man. In fact, it soon becomes apparent that the lawman's presence has irritated the wrong people, and when two failed attempts are made on his life, Bell knows he's getting closer to finding out who is responsible for cheating and murdering local landowners to access the rich oil fields flowing beneath their farms. When they ambush him for a third time, they make the fatal mistake of killing someone close to him and leaving the Ranger alive. Armed with his trademark 1911 Colt .45 and the Browning automatic he liberated from a gangster's corpse, Tom Bell cuts a swath of devastation through the heart of East Texas in search of the consortium behind the lethal land-grab scheme.

Tastes Like War *Feminist Press at CUNY*

Finalist for the 2021 National Book Award for Nonfiction Winner of the 2022 Asian/Pacific American Award in Literature A TIME and NPR Best Book of the Year in 2021 This evocative memoir of food and family history is "somehow both mouthwatering and heartbreaking... [and] a potent personal history" (Shelf Awareness). Grace M. Cho grew up as the daughter of a white American merchant marine and the Korean bar hostess he met abroad. They were one of few immigrants in a xenophobic small town during the Cold War, where identity was politicized by everyday details—language, cultural references, memories, and food. When Grace was fifteen, her dynamic mother experienced the onset of schizophrenia, a condition that would continue and evolve for the rest of her life. Part food memoir, part sociological investigation, *Tastes Like War* is a hybrid text about a daughter's search through intimate and global history for the roots of her mother's schizophrenia. In her mother's final years, Grace learned to cook dishes from her parent's childhood in order to invite the past into the present, and to hold space for her mother's multiple voices at the table. And through careful listening over these shared meals, Grace discovered not only the things that broke the brilliant, complicated woman who raised her—but also the things that kept her alive. “An exquisite commemoration and a potent reclamation.” —Booklist (starred review) “A wrenching, powerful account of the long-term effects of the immigrant experience.” —Kirkus Reviews

Hero of the Empire *Anchor*

From the bestselling author of *Destiny of the Republic*, this thrilling biographical account of the life and legacy of Wintson

Churchill is a "nail-biter and top-notch character study rolled into one" (The New York Times). At the age of twenty-four, Winston Churchill was utterly convinced it was his destiny to become prime minister of England. He arrived in South Africa in 1899, valet and crates of vintage wine in tow, to cover the brutal colonial war the British were fighting with Boer rebels and jumpstart his political career. But just two weeks later, Churchill was taken prisoner. Remarkably, he pulled off a daring escape—traversing hundreds of miles of enemy territory, alone, with nothing but a crumpled wad of cash, four slabs of chocolate, and his wits to guide him. Bestselling author Candice Millard spins an epic story of bravery, savagery, and chance encounters with a cast of historical characters—including Rudyard Kipling, Lord Kitchener, and Mohandas Gandhi—with whom Churchill would later share the world stage. But *Hero of the Empire* is more than an extraordinary adventure story, for the lessons Churchill took from the Boer War would profoundly affect twentieth century history.

Invidious

The steep descent into Hell is always paved with good intentions. My name is Jemma Blackburn and I'm a Slayer. Finding out I wasn't human was only the beginning of my problems. My best-friend, Taylor, is still missing, and so is the Immortal Amulet, and it's my job alone to get them both back. I don't know who I can trust, and I'm still not sure I'm cut out for any of this, but I'm determined to figure it all out, or die trying. As if that wasn't bad enough, there's a new enemy in town and they've come bearing gifts—an ancient prophesy that is going to blur the very lines between good and evil. And, apparently, my blood is tied to the

center of it. I don't have all the answers yet, but I'm getting closer and closer to discovering the truth. The truth about my bloodlines, and about who I really am. And, believe me when I say, it's going to change everything. *Invidious* is the highly anticipated second installment in The Marked series, a fast-paced paranormal romance filled with self-discovery, mystery, love, and a unique supernatural world that will leave you captivated and hungry for more.

Where the Crawdads Sing *Penguin*

NOW A MAJOR MOTION PICTURE—The #1 New York Times bestselling worldwide sensation with more than 15 million copies sold, hailed by The New York Times Book Review as “a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature.” For years, rumors of the “Marsh Girl” have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.
