Sarah Holland The Dominant Male

It was embarrassing to read. I have read

a couple of Sarah Holland books before, notably ungoverned passion, and have found the male hero strong, arrogant and dominating but also passionate, vulnerable, and willing to fight for their women. This hero was cringe worthy, I couldn't see how any woman would find him at all attractive.

My first Sarah Holland book! This book is so hot right from the beginning. It is not at all graphic like some of the newer HP tend to be. It is just a well written exciting story line that gets you involved from first pages. Hero is a dominant male and from the giddyup he lets heroine know he wants to dominate her.
