This Little President A Presidential Primer

The president is a common title for the head of state in most republics.. The functions exercised by a president vary according to the form of government.In

parliamentary republics, they are usually, but not always, limited to those of the head of state, and are thus largely ceremonial.In presidential, selected parliamentary (e.g. Botswana and South Africa) and semi-presidential republics, the ...

President (government title) - Wikipedia

The fact that the president has been seriously ill has reminded the public they have the two oldest presidential candidates in history. Being first in the line of succession has never been more ...
