Nine Tomorrows Isaac Asimov

Nine Tomorrows is a collection of nine short stories and two pieces of comic verse by American writer Isaac Asimov. The pieces were all originally published in magazines between 1956 and 1958, with the exception of the closing poem, "Rejection Slips", which was original to the collection. The book was first published in the United States in 1959 and in the UK in 1963.

Nine Tomorrows - Wikipedia

“Nine tomorrows” is a collection of stories by Isaac Asimov originally published between 1956 and 1958. I've given the stories an average rating of 4.3. In my opinion the short story forms are ideal for sf, but a lot of what gets published fails the first test - they aren’t stories. Asimov always gives you a beginning, a middle and an end.
