Android Tv Box Leelbox

Its TV Box no longer as an expectation as people. But something always upside down, Leelbox released its upgrade Q4 MAX Android TV Box 8.1, with 4GB RAM+64GB ROM, yet \$69.99, a cheaper price than many TV Boxes on the market. I assume that almost everyone hunting a family streamer media player is mainly interested in one thing only: does Kodi work well on this cheap little box?

Harmony and Android TV

Android TV is an excellent set-top box platform, but many of the units available on the market today have extremely limited storage. As the ATV catalog grows, users

are going to want to install more apps than ever before, even if you don't consider the newer, space-eating games. The good news is that you can actually expand the storage on your Android TV box.
