1-2-Book. 1-2-Book is an online marketplace that helps people finds great local spaces. We make it easy for you to list your venues on the site and make it even easier for people to find them. Users can

easily find and book their ideal space through the 1-2-Book directory and booking system. At the same time, we open access to the countless of people looking for space every day to hold events, host a meeting, or give training.

1-2-Book

The main thesis is that of a dichotomy between two modes of thought: "System 1" is fast, instinctive and emotional; "System 2" is slower, more deliberative, and more logical. The book delineates rational and non-rational motivations/triggers associated with each type of thinking process, and how they complement each other, starting with Kahneman's own

research on loss aversion .
