Race, class, gender, and sexuality are historically and globally specific, socially constructed power relations that simultaneously operate at both the macro (societal) and micro (individual) levels of society. Scholarship in this tradition emphasizes the interdependence of knowledge and activism.

A Conceptual Framework for Understanding Race, Class ...

Understanding how different academic and non-academic outcomes are differently patterned by race/ethnicity, socio-economic status, and gender, including within and between group differences, is an important research area that may assist in understanding the potential causal pathways and explanations for observed inequalities, and in identifying key population groups and points at which interventions should be targeted to address inequalities in particular outcomes [28, 46].

Understanding the Influence of Race/Ethnicity, Gender, and ...

Intersectionality is a theoretical framework for understanding how aspects of a person's social and political identities (e.g., gender, Caste, sex, race, class, sexuality, religion, disability, physical appearance, height, etc.) combine to create different modes of discrimination and privilege.

Intersectionality - Wikipedia

Social constructivist approaches to race, class and gender suggest that the way we perceive each is a function of history and culture, rather than a given objective fact. Our views of women and men, and the roles appropriate to each, for example, is rooted in the political climate, and relates to social power structures (Hirschmann 2003)

In what ways are social class, 'race'/ethnicity, and ...

The term "intersectionality" was first popularized in 1989 by critical legal and race scholar Kimberlé Williams Crenshaw in a paper titled, "Demarginalizing the Intersection of Race and Sex: A Black Feminist Critique of Antidiscrimination Doctrines, Feminist Theory and Antiracist Politics," published in The University of Chicago Legal Forum. In this paper, Crenshaw reviewed legal proceedings to illustrate how it is the intersection of race and gender that shapes how black men and ...

Intersectionality - Definition and Discussion

(including race, class, gender, and dis/ability). 2 Finally, I set out the arguments for understanding the primacy of racism, not as a factor that is the only or inevitably the most important aspect of every inequity in education, but in terms of racism's primacy

as an empirical, personal, and political aspect of critical race scholarship.
