Life Lessons in Getting from Where You Are to Where You Want to Be *Harper Collins*

Ever since the story of his transformation from homeless, single and struggling father to millionaire became known the world over, Chris Gardner -- whose life story both inspired the movie The Pursuit of Happyness and became a #1 New York Times bestseller by the same name--has been inundated with two questions: “How Did You Do It” and “How Can I Do it Too?” Gardner’s power-packed, transformational reply is the basis of this long-anticipated book. As a departure from standard self-help tomes that promise overnight riches and exclusive secrets for success, Gardner avoids any tilt toward magical thinking by staying with real issues and solutions impacting individuals in all walks of life. If you’ve had the rug pulled out from under you, or have been dealing with the loss of a home, a job, a health or financial crisis, or simply can’t find the motivation to pursue new challenges, Start Where You Are abounds with life lessons that offer hope and provide a road map for starting anew. This is also the book for anyone ready to launch a personal, professional undertaking, or break generational cycles that hem in their potential. Taking stock of his own credos, including “The Cavalry Ain’t Coming,” “Find Your Button,” and “Seek the Furthest Star”-- Gardner’s 44 life lessons are earthy, soulful, and always accessible. With an array of stories from the author’s own life, as well as from those he has known or admired, both famous and not, Start Where You Are has arrived just in time to embolden and encourage all of us, even in our era of great global change, reminding us of the infinite resources we already have in our collective pursuit of happyness, and spurring us on in only one direction - forward!

Start Where You Are

A Guide to Compassionate Living *Shambhala Publications*

The perennially helpful guide to transforming our pains and difficulties into opportunities for genuine joy and personal growth, from the beloved Buddhist nun and author of When Things Fall Apart We all want to be fearless, joyful, and fully alive. And we all know that it’s not so easy. We’re bombarded every day with false promises of ways to make our lives better—buy this, go here, eat this, don’t do that; the list goes on and on. But Pema Chödrön shows that, until we get to the heart of who we are and really make friends with ourselves, everything we do will always be superficial. In this perennial self-help bestseller, Pema offers down-to-earth guidance on how we can go beyond the fleeting attempts to “fix” our pain and, instead, to take our lives as they are as the only path to achieve what we all yearn for most deeply—to embrace rather than deny the difficulties of

our lives. These teachings, framed around fifty-nine traditional Tibetan Buddhist maxims, point us directly to our own hearts and minds, such as “Always meditate on whatever provokes resentment,” “Be grateful to everyone,” and “Don’t expect applause.” By working with these slogans as everyday meditations, Start Where You Are shows how we can all develop the courage to work with our own inner pain and discover true joy, holistic well-being, and unshakeable confidence.

The Wisdom of No Escape

and the Path of Loving-Kindness Shambhala Publications

The “down-to-earth, unsentimental, [and] high-humored” Pema Chödrön classic on learning to face our lives just as they are (Los Angeles Times) It's true, as they say, that we can only love others when we first love ourselves—and we can only experience real joy when we stop running from pain. The key to understanding these truisms is simple but not easy: we must learn to open ourselves up to life in all its manifestations. Here, spiritual teacher and When Things Fall Apart author Pema Chödrön presents a uniquely practical approach to doing just that, showing us the true value in having “no escape” from the ups and downs of life. Drawing from her own experiences with marriage, divorce, motherhood, and more, Pema reveals that when we embrace the happiness and heartache, the inspiration and confusion—all the twists and turns that are part of natural life—we can begin to discover a true wellspring of courageous love that’s been within our hearts all along. As she writes in chapter four: “Our neurosis and our wisdom are made out of the same material. If you throw out your neurosis, you also throw out your wisdom.”

One of those rare books that surprise you along the way and then linger in your mind long after you have finished it.” —Kristin Hannah, #1 New York Times bestselling author of The Nightingale and The Four Winds Right. Wrong. Life is lived somewhere in between. Duchess Day Radley is a thirteen-year-old self-proclaimed outlaw. Rules are for other people. She is the fierce protector of her five-year-old brother, Robin, and the parent to her mother, Star, a single mom incapable of taking care of herself, let alone her two kids. Walk has never left the coastal California town where he and Star grew up. He may have become the chief of police, but he’s still trying to heal the old wound of having given the testimony that sent his best friend, Vincent King, to prison decades before. And he's in overdrive protecting Duchess and her brother. Now, thirty years later, Vincent is being released. And Duchess and Walk must face the trouble that comes with his return. We Begin at the End is an extraordinary novel about two kinds of families—the ones we are born into and the ones we create.

A Very Nice Girl

A Novel Henry Holt and Company

A bitingly honest, darkly funny debut about ambition, sex, power, and love, Imogen Crimp's A Very Nice Girl cracks open the timeless questions of what it is to be young, what it is to want to be wanted, and what it is to find your calling but lose your way to it. "Tender, devastating, witty. And deeply true. Sweetbitter meets Normal People."—Meg Mason, author of Sorrow and Bliss Anna doesn't fit in. Not with her wealthy classmates at the selective London Conservatory where she unexpectedly wins a place after university, not with the family she left behind, and definitely not with Max, a man she meets in the bar where she sings for cash. He's everything she's not—rich, tailored to precision, impossible to read—and before long Anna is hooked, desperate to hold his attention, and determined to ignore the warning signs that this might be a toxic relationship. As Anna shuttles from grueling rehearsals to brutal auditions, she finds herself torn between two conflicting desires: the drive to nurture her fledgling singing career, which requires her undivided attention, and the longing for human connection. When the stakes increase, and the roles she's playing—both on stage and off—begin to feel all-consuming, Anna must reckon with the fact that, in carefully performing what's expected of her as a woman, she risks losing sight of herself completely. Both exceedingly contemporary and classic, A Very Nice Girl reminds us that even once we have taken possession of our destinies we still have the power to set all we hold dear on fire.

The Day You Begin *Penguin*

A #1 NEW YORK TIMES BESTSELLER! Featured in its own episode in the Netflix original show Bookmarks: Celebrating Black Voices! National Book Award winner Jacqueline Woodson and two-time Pura Belpré Illustrator Award winner Rafael López have teamed up to create a poignant, yet heartening book about finding courage to connect, even when you feel scared and alone. There will be times when you walk into a room and no one there is quite like you. There are many reasons to feel different. Maybe it's how you look or talk, or where you're from; maybe it's what you eat, or something just as random. It's not easy to take those first steps into a place where nobody really knows you yet, but somehow you do it. Jacqueline Woodson's lyrical text and Rafael López's dazzling art reminds us that we all feel like outsiders sometimes-and how brave it is that we go forth anyway. And that sometimes, when we reach out and begin to share our stories, others will be happy to meet us halfway. (This book is also available in Spanish, as El Día En Que Descubres Quién Eres!)

In the thoroughly revised second edition of Start Where You Are, But Don't Stay There, H. Richard Milner IV addresses the knowledge and insights required on the part of teachers and school leaders to serve students of color. Milner focuses on a crucial issue in teacher training and professional education: the need to prepare teachers for the racially diverse student populations in their classrooms. The book, anchored in real world experiences, centers on case studies that exemplify the challenges, pitfalls, and opportunities facing teachers in diverse classrooms. The case studies--of teachers in urban and suburban settings--are presented amid current discussions about race and teaching. In addition, the second edition includes a new chapter dedicated to opportunity gaps in education and an expanded discussion of how Opportunity Centered Teaching can address these gaps. Start Where You Are, But Don't Stay There strives to help educators in the fight for social justice, equity, inclusion, and transformation for all students. It is a book urgently needed in today's increasingly diverse classrooms.
