Essentially you will want your first meal to be within the first hour of waking up in the morning. Then you will continue eating every 2-3 hours. Your last meal should be about 3 hours before bed. Two big things to remember. DON'T SKIP Breakfast, or other meals and don't go to bed with a bunch of food in your belly. Breakfast will get your metabolism started in the morning, and going to bed with an empty stomach will keep you burning extra fat throughout the night.
