Gassaway, a native Washingtonian, educator, and school leader; coupled with practical solutions, Unopened Books provides insight to multiply the 2%. The special limited edition red mesh cover of the international bestseller... For anyone who's ever had trouble starting, keeping, or finishing a journal or sketchbook comes this expanded edition of Wreck This Journal, an illustrated book that features a subversive collection of prompts, asking readers to muster up their best mistake and mess-making abilities and to fill the pages of the book (or destroy them). Through a series of creatively and quirkily illustrated prompts, acclaimed artist Keri Smith encourages journalers to engage in "destructive" acts--poking holes through pages, adding photos and defacing them, painting pages with coffee, coloring outside the lines, and more--in order to experience the true creative process. With Smith's unique sensibility, readers are introduced to a new way of art and journal making, discovering novel ways to escape the fear of the blank page and fully engage in the creative process.

The Tsarina's Lost Treasure *Simon and Schuster*

A riveting history and maritime adventure about priceless masterpieces originally destined for Catherine the Great. On October 1771, a merchant ship out of Amsterdam, Vrouw Maria, crashed off the stormy Finnish coast, taking her historic cargo to the depths of the Baltic Sea. The vessel was delivering a dozen Dutch masterpiece paintings to Europe's most voracious collector: Catherine the Great, Empress of Russia. Among the lost treasures was The Nursery, an oak-paneled triptych by Leiden fine painter Gerrit Dou, Rembrandt's most brilliant student and Holland's first international superstar artist. Dou's triptych was long the most beloved and most coveted painting of the Dutch Golden Age, and its loss in the shipwreck was mourned throughout the art world. Vrouw Maria, meanwhile, became a maritime legend, confounding would-be salvagers for more than two hundred years. In July 1999, a daring Finnish wreck hunter found Vrouw Maria, upright on the sea floor and perfectly preserved. The Tsarina's Lost Treasure masterfully recounts the fascinating tale of Vrouw Maria—her loss and discovery—weaving together the rise and fall of the artist whose priceless masterpiece was the jewel of the wreckage. Gerald Easter and Mara Vorhees bring to vivid life the personalities that drove (and are still driving) this compelling tale, evoking Robert Massie's depiction of Russian high politics and culture, Simon Schama's insights into Dutch Golden Age art and art history, Gary Kinder's spirit of, danger and adventure on the beguiling Archipelago Sea.

Gericault's Raft and the Art of Being Lost at Sea

The Law of Wreck *Taylor & Francis*

This book covers wreck law as an integrated whole, going beyond the question of "removal" to include issues such as the ownership of wreck and how the law deals with the many commercial law problems arising after ships have been wrecked during the maritime commercial adventure. The book offers authoritative guidance on the genesis and meaning of the Nairobi Wreck Removal Convention 2007, and the interpretation of its often-complex provisions as they apply both to States trying to use its powers and to shipowners and liability insurers faced by its obligations. The authors explain the increasingly complex inter-relationship between linked areas of maritime law, including salvage, intervention and the overlapping international regimes which deal with pollution from oil, bunkers or hazardous and noxious substances. The book examines how a salvage operation transitions to wreck removal and links the liability provisions with the standard form international commercial contracts actually used by the industry to remove wrecks, eg BIMCO's Wreckstage 2010, Wreckhire 2010 and Wreckfixed 2010. It also covers the complex requirements concerning the disposal of wrecks, including the latest recycling regulations applicable in 2019. The Law of Wreck will be of value to shipping industry professionals, insurers and legal practitioners, as well as academics and students of maritime law.
