In Sex, God, and Marriage we find a message needed today in every part of the world. To be pure, to remain pure, can only come at a price, the price of knowing God and of loving him enough to do his will. He will always give us the strength we need to keep purity as something beautiful for God. Purity is the fruit of prayer.

Every object has a `toString()` method that is automatically called when the object is to be represented as a text value or when an object is referred to in a manner in which a string is expected. By default, the `toString()` method is inherited by every object descended from `Object`. If this method is not overridden in a custom object, `toString()` returns "[object type]", where type is the object type.
