How About Never--Is Never Good for You?

My Life in Cartoons *Henry Holt and*

Company

Memoir in cartoons by the longtime cartoon editor of The New Yorker People tell Bob Mankoff that as the cartoon editor of The New Yorker he has the best job in the world. Never one to beat around the bush, he explains to us, in the opening of this singular, delightfully eccentric book, that because he is also a cartoonist at the magazine he actually has two of the best jobs in the world. With the help of myriad images and his funniest, most beloved cartoons, he traces his love of the craft all the way back to his childhood, when he started doing funny drawings at the age of eight. After meeting his mother, we follow his unlikely stints as a high-school basketball star, draft dodger, and sociology grad student. Though Mankoff

abandoned the study of psychology in the seventies to become a cartoonist, he recently realized that the field he abandoned could help him better understand the field he was in, and here he takes up the psychology of cartooning, analyzing why some cartoons make us laugh and others don't. He allows us into the hallowed halls of The New Yorker to show us the soup-to-nuts process of cartoon creation, giving us a detailed look not only at his own work, but that of the other talented cartoonists who keep us laughing week after week. For desert, he reveals the secrets to winning the magazine's caption contest. Throughout *How About Never--Is Never Good for You?*, we see his commitment to the motto "Anything worth saying is worth saying funny."

The Rejection Collection

Cartoons You Never Saw, and Never

Will See, in The New Yorker *Simon and Schuster*

Each week about fifty New Yorker cartoonists submit ten ideas, yielding five hundred cartoons for no more than twenty spots in the magazine. Arguably the most brilliant single-panel-gag cartoonists in the world create a bunch of cartoons every week that never see the light of day. These rejects were piling up in the dusty corners of studios all over the country. Sam Gross, who has been contributing since 1962, has more than 12,000 rejected cartoons. (Seriously. He's been numbering every single cartoon he's ever submitted to The New Yorker since the very beginning.) Enter editor Matthew Diffie. He tapped his fellow cartoonists, asking them to rescue these hilarious lost

gems. From the artists' stacks of all-time favorite rejects, Diffie handpicked the standouts -- the cream of the crap -- and created The Rejection Collection, a place where good ideas go when they die. Too risqué, silly, or weird for The New Yorker, the cartoons in this book offer something no other collection has: They have never been seen in print until now. With a foreword by New Yorker cartoon editor Robert Mankoff that explains the sound judgment, respectability, and scruples not found anywhere in these pages, and handwritten questionnaires that introduce the quirky character of each artist, The Rejection Collection will appeal to fans of The New Yorker...and to anyone with a slightly sick sense of humor.

How to Draw Cartoons *Createspace Independent Pub*

This book is designed for anyone and everyone who has ever thought that they could have been a cartoonist if only they knew how. Handwritten and hand

drawn, it answers questions about cartooning in simple, visual terms. What materials do you use? What size do you draw? How do you caricature, or keep a likeness in a strip cartoon character? These are just a few of the technical problems facing the beginner which Peter Maddocks tackles, but he also considers the inspirational side of cartoons - what comes first, the idea or the artwork; once you've had a bright idea, how do you transfer it on to paper? And he supplies captions and examples of cartoons to help you draw that very first masterpiece. Peter Maddocks was a full time professional Cartoonist, both in National Newspapers, films and TV animation.

Inked: Cartoons, Confessions,

**Rejected Ideas, and Secret Sketches
from the New Yorker's Joe Dator**
Turner

From inspiration to conception and all the trials in-between. Inked is a collection of cartoons from one of the New Yorker's most beloved cartoonists. Filled with more than 150 of Dator's single-panel cartoons, this lively, quick-witted book betrays a deadpan sense of humor. But Inked is more than a book of cartoons. Dator also dives into the creative process, offering bonus commentary on how ideas have come to fruition, how one idea has led to another, and the various attempts to get an idea right. Along the way, he shows how a spark of imagination has turned into a laugh-out-loud moment with only a single image and caption, and how other

attempts have found themselves on the cutting-room floor.

In *Diary of a Wimpy Kid*, author and illustrator Jeff Kinney introduces us to an

A Wealth of Pigeons

A Cartoon Collection *Celadon Books*

#1 NEW YORK TIMES BESTSELLER • WASHINGTON POST BESTSELLER • WALL STREET JOURNAL BESTSELLER • LOS ANGELES TIMES BESTSELLER "I've always looked upon cartooning as comedy's last frontier. I have done stand-up, sketches, movies, monologues, awards show introductions, sound bites, blurbs, talk show appearances, and tweets, but the idea of

a one-panel image with or without a caption mystified me. I felt like, yeah, sometimes I'm funny, but there are these other weird freaks who are actually funny. You can understand that I was deeply suspicious of these people who are actually funny." So writes the multitalented comedian Steve Martin in his introduction to *A Wealth of Pigeons: A Cartoon Collection*. In order to venture into this lauded territory of cartooning, he partnered with the heralded New Yorker cartoonist Harry Bliss. Steve shared caption and cartoon ideas, Harry provided impeccable artwork, and together they created this collection of humorous cartoons and comic strips, with amusing commentary about their collaboration throughout. The result: this gorgeous, funny, singular book, perfect

to give as a gift or to buy for yourself.
