Common European Framework of Reference | Europass

The Common European Framework of Reference for Languages (CEFR) is an international standard for describing language ability. It describes language ability on a six-point scale, from A1 for beginners, up to C2 for those who have mastered a language. This makes it easy for anyone involved in language teaching and testing, such as teachers or learners, to see the level of different qualifications.

International language standards | Cambridge English

The Common European Framework of Reference (usually abbreviated to the CEFR or CEF) describes what language learners can do at different stages of their learning. The CEFR is language-neutral, which means that it can be applied to any foreign language learning situation. It was originally designed as a comprehensive reference tool to promote educational transparency and to allow movement between countries for work or study within the European Union.
