- The sustaining personalities in The Gate To Womens Country publication additionally play an essential function in the tale, with each one including deepness and complexity to the

narrative.

- From the lead character's dedicated buddy to the mystical complete stranger the villain befriends, the sustaining cast aids to bring the world of the tale to life.

Generally, the character growth in this book is just one of its toughness. Each character is well-crafted and adds to the general story, producing a really enjoyable read.

FINAL JUDGMENT

After checking out and assessing The Gate To Womens Country from cover to cover, we have actually pertained to our final verdict.

The Pros

One of the major highlights of this publication The Gate To Womens Country is its distinct narration design which maintains the viewers engaged throughout guide. Furthermore, the well-developed personalities make guide a lot more relatable and enjoyable to read. Additionally, the story spins maintain the reader on their toes, making guide unforeseeable and exciting.

The Disadvantages

Nevertheless, there were some aspects that we discovered doing not have. The pacing of The Gate To Womens Country was slow-moving at times, which made it feel dragged out. Additionally, there were some loosened ends that were not locked up by the end of guide, which left us with unanswered concerns.

Final Ideas

Generally, our company believe that The Gate To Womens Country is worth a read, regardless of some minor defects. The one-of-a-kind narration style, relatable personalities, and story spins make it a worthwhile enhancement to your bookshelf. So, if you're trying to find a captivating read, The Gate To Womens Country is certainly worth considering.

The Gate to Women's Country

A Novel *Spectra*

“Lively, thought-provoking . . . the plot is ingenious, packing a wallop of a surprise . . . Tepper knows how to write a well-made, on-moving story with strong characters. . . . She takes the mental risks that are the lifeblood of science fiction and all imaginative narrative.”—Ursula K. LeGuin, Los Angeles Times Since the flames died three hundred years ago, human civilization has evolved into a dual society: Women’s Country, where walled towns enclose what’s left of past civilization, nurtured by women and a few nonviolent men; and the adjacent garrisons where warrior men live—the lost brothers, sons, and lovers of those in Women’s Country. Two societies. Two competing dreams. Two ways of life, kept apart by walls stronger than stone. And yet there is a gate between them. . . . “Tepper not only keeps us reading . . . she provokes a new look at the old issues.”—The Washington Post “Tepper’s cast of both ordinary and extraordinary people play out a powerful drama whose significance goes beyond sex to deal with the toughest problem of all, the challenge of surmounting humanity’s most dangerous flaws so we can survive—despite ourselves.”—Locus

The Gate to Women's Country *Hachette UK*

The Gate to Women's Country tells of a society that exists three hundred years after our own has nearly destroyed itself. Now, male warriors are separated from women at an early age and live in garrisons plotting futilely for the battles which must never be fought again. Inside the women's towns, education, arts and science flourish. But for some like Stavia, there is more to see. Her sojourn with the man she is forbidden to love brings into sharp focus the contradictions that define their lives. And when tragedy strikes, Stavia is faced with a decision she never thought she would make - a decision that could forever change their world ... The Gate to Women's Country is a novel that rivals Margaret Atwood's The Handmaid's Tale in scope, impact, and the sheer power of its storytelling.

The Moment of Lift

How Empowering Women Changes the World *Flatiron Books*

NEW YORK TIMES BESTSELLER “In her book, Melinda tells the stories of the inspiring people she’s met through her work all over the world, digs into the data, and powerfully illustrates issues that need our attention—from child marriage to gender inequity in the workplace.” — President Barack Obama “The Moment of Lift is an urgent call to courage. It changed how I think about myself, my family, my work, and what’s possible in the world. Melinda weaves together vulnerable, brave storytelling and compelling data to make this one of those rare books that you carry in your heart and mind long after the last page.” — Brené Brown, Ph.D., author of the New York Times #1 bestseller Dare to Lead “Melinda Gates has spent many years working with women around the world. This book is an urgent manifesto for an equal society where women are valued and recognized in all spheres of life. Most of all, it is a call for unity, inclusion and connection. We need this message more than ever.” — Malala Yousafzai "Melinda Gates's book is a lesson in listening. A powerful, poignant, and ultimately humble call to arms." — Tara Westover, author of the New York Times #1 bestseller Educated A debut from Melinda Gates, a timely and necessary call to action for women's empowerment. “How can we summon a moment of lift for human beings - and especially for women? Because when you lift up women, you lift up humanity.” For the last twenty years, Melinda Gates has been on a mission to find solutions for people with the most urgent needs, wherever they live. Throughout this journey, one thing has become increasingly clear to her: If you want to lift a society up, you need to stop keeping women down. In this moving and compelling book, Melinda shares lessons she’s learned from the inspiring people she’s met during her work and travels around the world. As she writes in the introduction, “That is why I had to write this book—to share the stories of people who have given focus and urgency to my life. I want all of us to see ways we can lift women up where we live.” Melinda’s unforgettable narrative is backed by startling data as she presents the issues that most need our attention—from child marriage to lack of access to

contraceptives to gender inequity in the workplace. And, for the first time, she writes about her personal life and the road to equality in her own marriage. Throughout, she shows how there has never been more opportunity to change the world—and ourselves. Writing with emotion, candor, and grace, she introduces us to remarkable women and shows the power of connecting with one another. When we lift others up, they lift us up, too.

The Gate to Women's Country *Spectra*

In a futuristic society where the sexes are separated, men are warriors, and women cultivate the arts, Stavia disobeys the group's prohibitions by loving a man forbidden to her, setting the stage for a momentous decision.

Grass *Spectra*

“One of the most satisfying science fiction novels I have read in years.”—The New York Times Book Review Here is a novel as original as the breathtaking, unspoiled world for which it is named, a place where all appears to be in idyllic balance. Generations ago, humans fled to the cosmic anomaly known as Grass. Over time, they evolved a new and intricate society. But before humanity arrived, another species had already claimed Grass for its own. It, too, had developed a culture. . . . Now, a deadly plague is spreading across the stars. No world save Grass has been left untouched. Marjorie Westriding Yrarier has been sent from Earth to discover the secret of the planet’s immunity. Amid the alien social structure and strange life-forms of Grass, Lady Westriding unravels the planet’s mysteries to find a truth so shattering it could mean the end of life itself.

The Shore of Women

The Classic Work of Feminist Science Fiction *Open Road Media*

A dystopian tale of a power struggle between the sexes in the post-nuclear future, perfect for readers of Margaret Atwood and Ursula K. Le Guin. After a nuclear holocaust, women rule the world. Using advanced technology, they’ve expelled men from their vast walled cities to roam the countryside in primitive bands, bringing them back only for the purpose of loveless reproduction under the guise of powerful goddesses. When one young woman, Birana, questions her society’s deception, she finds herself exiled among the very men she has been taught to scorn. She crosses paths with a hunter, Arvil, and the two grow close as they evade the ever-threatening female forces and the savage wilderness men. Their love just might mend their fractured world—if they manage to survive. Hailed as “one of the genre’s best writers” by the Washington Post Book World, Pamela Sargent is the author of numerous novels, including Earthseed and Venus of Dreams. The winner of the Nebula and Locus awards, she has also coauthored several Star Trek novels with George Zebrowski.

Ready Player One *Ballantine Books*

#1 NEW YORK TIMES BESTSELLER • Now a major motion picture directed by Steven Spielberg. “Enchanting . . . Willy Wonka meets The Matrix.”—USA Today • “As one adventure leads expertly to the next, time simply evaporates.”—Entertainment Weekly A world at stake. A quest for the ultimate prize. Are you ready? In the year 2045, reality is an ugly place. The only time Wade Watts really feels alive is when he’s jacked into the OASIS, a vast virtual world where most of humanity spends their days. When the eccentric creator of the OASIS dies, he leaves behind a series of fiendish puzzles, based on his obsession with the pop culture of decades past. Whoever is first to solve them will inherit his vast fortune—and control of the OASIS itself. Then Wade cracks the first clue. Suddenly he’s beset by rivals who’ll kill to take this prize. The race is on—and the only way to survive is to win. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Entertainment Weekly • San Francisco Chronicle • Village Voice • Chicago Sun-Times • iO9 • The AV Club “Delightful . . . the grown-up’s Harry Potter.”—HuffPost “An addictive read . . . part intergalactic scavenger hunt, part romance, and all heart.”—CNN “A most excellent ride . . . Cline stuffs his novel with a cornucopia of pop culture, as if to wink to the reader.”—Boston Globe “Ridiculously fun and large-hearted . . . Cline is that rare writer who can translate his own dorky enthusiasms into prose that’s both hilarious and compassionate.”—NPR “[A] fantastic page-turner . . . starts out like a simple bit of fun and winds up feeling like a rich and plausible picture of future friendships in a world not too distant from our own.”—iO9

The End of Men

And the Rise of Women *Penguin*

Essential reading for our times, as women are pulling together to demand their rights— A landmark portrait of women, men, and power in a transformed world. “Anchored by data and aromatized by anecdotes, [Rosin] concludes that women are gaining the upper hand.” -The Washington Post Men have been the dominant sex since, well, the dawn of mankind. But Hanna Rosin was the first to notice that this long-held truth is, astonishingly, no longer true. Today, by almost every measure, women are no longer gaining on men: They have pulled decisively ahead. And “the end of men”—the title of Rosin’s Atlantic cover story on the subject—has entered the lexicon as dramatically as Betty Friedan’s “feminine mystique,” Simone de Beauvoir’s “second sex,” Susan Faludi’s “backlash,” and Naomi Wolf’s “beauty myth” once did. In this landmark book, Rosin reveals how our current state of affairs is radically shifting the power dynamics between men and women at every level of society, with profound implications for marriage, sex, children, work, and more. With wide-ranging curiosity and insight unhampered by assumptions or ideology, Rosin shows how the radically different ways men and women today earn, learn, spend, couple up—even kill—has turned the big picture upside down. And in The End of Men she helps us see how, regardless of gender, we can adapt to the new reality and channel it for a better future.

The Years of Rice and Salt

A Novel *Spectra*

With the same unique vision that brought his now classic Mars trilogy to vivid life, bestselling author Kim Stanley Robinson boldly imagines an alternate history of the last seven hundred years. In his grandest work yet, the acclaimed storyteller constructs a world vastly different from the one we know. . . . “A thoughtful, magisterial alternate history from one of science fiction’s most important writers.”—The New York Times Book Review It is the fourteenth century and one of the most apocalyptic events in human history is set to occur—the coming of the Black Death. History teaches us that a third of Europe’s population was destroyed. But what if the plague had killed 99 percent of the population instead? How would the world have changed? This is a look at the history that could have been—one that stretches across centuries, sees dynasties and nations rise and crumble, and spans horrible famine and magnificent innovation. Through the eyes of soldiers and kings, explorers and philosophers, slaves and scholars, Robinson navigates a world where Buddhism and Islam are the most influential and practiced religions, while Christianity is merely a historical footnote. Probing

the most profound questions as only he can, Robinson shines his extraordinary light on the place of religion, culture, power—and even love—in this bold New World. “Exceptional and engrossing.”—New York Post “Ambitious . . . ingenious.”—Newsday

Gibbon's Decline and Fall *Spectra*

In the year 2000, America falls victim to the fundamentalism that is consuming the world, but Carolyn Crespin and five female friends strongly defy the power-hungary Alliance candidate, who may land in the presidency, unless Carolyn can stop him. Reprint. K.

The Gate

A Novel *Baker Books*

When an ad for a vacation cottage catches the eye of a man on the edge of burnout, he impulsively sets off to visit the property while his wife and daughters are away. When he arrives and is ushered through the gate, he finds something far different from the typical vacation retreat. In fact, it seems he may have found the back door to heaven. The proprietor and people from his past welcome him with food, rest, and conversation until what started out as a little escape from everyday life turns into an experience he will never forget. This imaginative novel explores the big questions we all have about what lies beyond this earthly life. Readers hungry for a taste of heaven will find in The Gate hope, encouragement, and pure joy.

The Visitor *Harper Collins*

The "magic" that once was America died horribly along with most of the Earth's inhabitants when an asteroid crashed into the planet sometime during the twenty-first century. Hundreds of years have passed, and all that remains of the time before are fragmented memories distorted by superstition -- as a tragically reduced populace suffers greatly under the tyranny of a repressive ruling order. But destiny has chosen Dismé Latimer to lead a wasted world out of the darkness ... with a book. Written by a courageous scientist ancestor, it is a sacred, unsettling tome rife with disturbing ideas and revelations ... and an impossible hope that compels a gentle, troubled young woman to abandon her abusive home in search of truth and her true self. But common "wisdom" and lore warn of grave dangers out in the world. Evil is there, a malevolence beyond imagining. And in the depths of the Earth, a gargantuan beast asleep for centuries has begun to stir ...

Her Country

How the Women of Country Music Became the Success They Were Never Supposed to Be *Henry Holt and Company*

The full and unbridled inside story of the last twenty years of country music through the lens of Maren Morris, Mickey Guyton, and Kacey Musgraves—their peers and inspirations, their paths to stardom, and their battles against a deeply embedded boys’ club, as well as their efforts to transform the genre into a more inclusive place for all (and not just white men in trucker hats), as told by award-winning Nashville journalist Marissa R. Moss. It was only two decades ago, but, for the women of country music, 1999 seems like an entirely different universe. With Shania Twain, country’s biggest award winner and star, and The Chicks topping every chart, country music was a woman’s world: specifically, country radio and Nashville’s Music Row. Cut to 2021, when women are only played on country radio 16% of the time, on a good day, and when only men have won Entertainer of the Year at the CMA Awards for a decade. To a world where artists like Kacey Musgraves sell out arenas but barely score a single second of airplay. But also to a world where these women are infinitely bigger live draws than most male counterparts, having massive pop crossover hits like Maren Morris’s “The Middle,” pushing the industry to confront its deeply embedded racial biases with Mickey Guyton’s “Black Like Me,” winning heaps of Grammy nominations, banding up in supergroups like The Highwomen and taking complete control of their own careers, on their own terms. When the rules stopped working for the women of country music, they threw them out and made their own: and changed the genre forever, and for better. Her Country is veteran Nashville journalist Marissa R. Moss’s story of how in the past two decades, country’s women fought back against systems designed to keep them down, armed with their art and never willing to just shut up and sing: how women like Kacey, Mickey, Maren, The Chicks, Miranda Lambert, Rissi Palmer, Brandy Clark, LeAnn Rimes, Brandi Carlile, Margo Price and many more have reinvented the rules to find their place in an industry stacked against them, how they’ve ruled the century when it comes to artistic output—and about how women can and do belong in the mainstream of country music, even if their voices aren’t being heard as loudly.

Factfulness

Ten Reasons We're Wrong About the World--and Why Things Are Better Than You Think *Flatiron Books*

INSTANT NEW YORK TIMES BESTSELLER “One of the most important books I’ve ever read—an indispensable guide to thinking clearly about the world.” – Bill Gates “Hans Rosling tells the story of ‘the secret silent miracle of human progress’ as only he can. But Factfulness does much more than that. It also explains why progress is so often secret and silent and teaches readers how to see it clearly.” —Melinda Gates "Factfulness by Hans Rosling, an outstanding international public health expert, is a hopeful book about the potential for human progress when we work off facts rather than our inherent biases." - Former U.S. President Barack Obama Factfulness: The stress-reducing habit of only carrying opinions for which you have strong supporting facts. When asked simple questions about global trends—what percentage of the world’s population live in poverty; why the world’s population is increasing; how many girls finish school—we systematically get the answers wrong. So wrong that a chimpanzee choosing answers at random will consistently outguess teachers, journalists, Nobel laureates, and investment bankers. In Factfulness, Professor of International Health and global TED phenomenon Hans Rosling, together with his two long-time collaborators, Anna and Ola, offers a radical new explanation of why this happens. They reveal the ten instincts that distort our perspective—from our tendency to divide the world into two camps (usually some version of us and them) to the way we consume media (where fear rules) to how we perceive progress (believing that most things are getting worse). Our problem is that we don’t know what we don’t know, and even our guesses are informed by unconscious and predictable biases. It turns out that the world, for all its imperfections, is in a much better state than we might think. That doesn’t mean there aren’t real concerns. But when we worry about everything all the time instead of embracing a worldview based on facts, we can lose our ability to focus on the things that threaten us most. Inspiring and revelatory, filled with lively anecdotes and moving stories, Factfulness is an urgent and essential book that will change the way you see the world and empower you to respond to the crises and opportunities of the future. --- “This book is my last battle in my life-long mission to fight devastating ignorance...Previously I armed myself with huge data sets, eye-opening software, an energetic learning style and a Swedish bayonet for sword-swallowing. It wasn’t enough. But I

hope this book will be.” Hans Rosling, February 2017.

The Graveyard Book *Harper Collins*

It takes a graveyard to raise a child. Nobody Owens, known as Bod, is a normal boy. He would be completely normal if he didn't live in a graveyard, being raised by ghosts, with a guardian who belongs to neither the world of the living nor the dead. There are adventures in the graveyard for a boy—an ancient Indigo Man, a gateway to the abandoned city of ghouls, the strange and terrible Sleer. But if Bod leaves the graveyard, he will be in danger from the man Jack—who has already killed Bod's family.

The Global Findex Database 2017

Measuring Financial Inclusion and the Fintech Revolution *World Bank Publications*

In 2011 the World Bank—with funding from the Bill and Melinda Gates Foundation—launched the Global Findex database, the world's most comprehensive data set on how adults save, borrow, make payments, and manage risk. Drawing on survey data collected in collaboration with Gallup, Inc., the Global Findex database covers more than 140 economies around the world. The initial survey round was followed by a second one in 2014 and by a third in 2017. Compiled using nationally representative surveys of more than 150,000 adults age 15 and above in over 140 economies, The Global Findex Database 2017: Measuring Financial Inclusion and the Fintech Revolution includes updated indicators on access to and use of formal and informal financial services. It has additional data on the use of financial technology (or fintech), including the use of mobile phones and the Internet to conduct financial transactions. The data reveal opportunities to expand access to financial services among people who do not have an account—the unbanked—as well as to promote greater use of digital financial services among those who do have an account. The Global Findex database has become a mainstay of global efforts to promote financial inclusion. In addition to being widely cited by scholars and development practitioners, Global Findex data are used to track progress toward the World Bank goal of Universal Financial Access by 2020 and the United Nations Sustainable Development Goals. The database, the full text of the report, and the underlying country-level data for all figures—along with the questionnaire, the survey methodology, and other relevant materials—are available at www.worldbank.org/globalfindex.

Gateway *Orion Publishing Group*

Wealth . . . or death. Those were the choices Gateway offered. Humans had discovered this artificial spaceport, full of working interstellar ships left behind by the mysterious, vanished Heechee. Their destinations are preprogrammed. They are easy to operate, but impossible to control. Some came back with discoveries which made their intrepid pilots rich; others returned with their remains barely identifiable. It was the ultimate game of Russian roulette, but in this resource-starved future there was no shortage of desperate volunteers.

The Lost Gate *Tor Books*

Orson Scott Card's The Lost Gate is the first book in the Mithermages series from the New York Times bestselling author of Ender's Game. Danny North knew from early childhood that his family was different, and that he was different from them. While his cousins were learning how to create the things that commoners called fairies, ghosts, golems, trolls, werewolves, and other such miracles that were the heritage of the North family, Danny worried that he would never show a talent, never form an outself. He grew up in the rambling old house, filled with dozens of cousins, and aunts and uncles, all ruled by his father. Their home was isolated in the mountains of western Virginia, far from town, far from schools, far from other people. There are many secrets in the House, and many rules that Danny must follow. There is a secret library with only a few dozen books, and none of them in English — but Danny and his cousins are expected to become fluent in the language of the books. While Danny's cousins are free to create magic whenever they like, they must never do it where outsiders might see. Unfortunately, there are some secrets kept from Danny as well. And that will lead to disaster for the North family. The Mithermages series The Lost Gate The Gate Thief Gatefather At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Secret Garden *Рипол Классик*

«Таинственный сад» – любимая классика для читателей всех возрастов, жемчужина творчества Фрэнсис Ходжсон Бернетт, роман о заново открытой радости жизни и магии силы. Мэри Леннокс, жестокое и испорченное дитя высшего света, потеряв родителей в Индии, возвращается в Англию, на воспитание к дяде-затворнику в его поместье. Однако дядя находится в постоянных отъездах, и Мэри начинает исследовать округу, в ходе чего делает много открытий, в том числе находит удивительный маленький сад, огороженный стеной, вход в который почему-то запрещен. Отыскав ключ и потайную дверцу, девочка попадает внутрь. Но чьи тайны хранит этот загадочный садик? И нужно ли знать то, что находится под запретом?.. Впрочем, это не единственный секрет в поместье...

Enemy at the Gate *Xlibris Corporation*

You have probably heard of gates or read about gates in the scriptures, but you dont understand what it really means. Well, in this book, I am going to teach you the spiritual significance of gates in correlation with physical gates. God has given us the authority and power through Christ to rule at the gates and to legislate and decree at the gate. The gate is a place of influence and power, where destinies are determined physically and spiritually. This book will help you pray strategically, skillfully, and intelligently.

Of Women and Salt

A Novel *Flatiron Books*

AN INSTANT NEW YORK TIMES BESTSELLER THE WASHINGTON POST NOTABLE BOOK OF 2021 A GOOD MORNING AMERICA BOOK CLUB PICK WINNER of the Isabel Allende Most Inspirational Fiction Award, She Reads Best of 2021 Awards • FINALIST for the 2022 Southern Book Prize • LONGLISTED for Crook’s Corner Book Prize • NOMINEE for 2021 GoodReads Choice Award in Debut Novel and Historical Fiction A sweeping, masterful debut about a daughter's fateful choice, a mother motivated by her own past, and a family legacy that begins in Cuba before either of them were born In present-day Miami, Jeanette is battling addiction. Daughter of Carmen, a Cuban immigrant, she is determined to learn more about her family history from her reticent mother and makes the snap decision to take in the daughter of a neighbor detained by ICE. Carmen, still wrestling with the trauma of displacement, must process her difficult relationship with her own mother while trying to raise a wayward Jeanette. Steadfast in her quest for understanding, Jeanette travels to Cuba to see her grandmother and reckon with secrets from the past destined to erupt. From 19th-century cigar factories to present-day detention centers, from Cuba to Mexico, Gabriela Garcia's Of Women and

Salt is a kaleidoscopic portrait of betrayals—personal and political, self-inflicted and those done by others—that have shaped the lives of these extraordinary women. A haunting meditation on the choices of mothers, the legacy of the memories they carry, and the tenacity of women who choose to tell their stories despite those who wish to silence them, this is more than a diaspora story; it is a story of America’s most tangled, honest, human roots.

The Negro Motorist Green Book

1940 Edition *Colchis Books*

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

Rider at the Gate *Aspect*

Stranded on a distant planet that abounds with fertile farmland, human colonists appear to be in paradise. But all the native animals communicate by telepathy, projecting images that drive humans mad. Only Nighthorses stand between civilization and madness. When a flare of human emotion spreads to all the horses, chaos erupts.

Men Who Hate Women

From Incels to Pickup Artists: The Truth about Extreme Misogyny and How it Affects Us *All Sourcebooks, Inc.*

A groundbreaking book that pulls back the curtain on the terrorist movement no one is talking about Women's rights activist Laura Bates has been the target of many misogynistic attacks online: from hate-fueled Twitter rants to vivid descriptions of her own rape and even death threats. At first, the vitriol seemed to be the work of a small handful of individual men... but over time, the volume and consistency of the attacks hinted at something bigger and more ominous. As Bates followed the thread of online misogyny farther into the corners of the internet, the spiral of hateful and toxic rhetoric deepened until she found an unseen, organized movement of thousands of anonymous men wishing violence (and worse) upon women—the terrorism no one is talking about. Men Who Hate Women examines the rise of secretive extremist communities who despise women as Bates traces the roots of misogyny across a complex spider web of groups extending from Men's Rights Activists to trolls and the incel movement. Drawing parallels to other extremist movements around the world, including white nationalism, Bates shows what attracts men to the movement, how it grooms and radicalizes boys, how it operates, and what can be done to stop it. Most urgently of all, she follows the pathways this extreme ideology has taken from the darkest corners of the internet to emerge covertly in our mainstream media, our playgrounds, and our government. Going undercover on and offline, Bates provides the first comprehensive look at this under-the-radar phenomenon, including eye-opening interviews with former members of these communities, the academics studying this movement, and the men fighting back. By turns fascinating and horrifying, Men Who Hate Women is a broad, unflinching account of the deep current of loathing toward women and anti-feminism that underpins our society and is a must-read for parents, educators, and anyone who believes in equality for women. "Men Who Hate Women has the power to spark social change."—Sunday Times

The Daily Show (The Book)

An Oral History as Told by Jon Stewart, the Correspondents, Staff and Guests *Grand Central Publishing*

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

The Gate *Vintage*

In 1971 a young French ethnologist named Francois Bizot was taken prisoner by forces of the Khmer Rouge who kept him chained in a jungle camp for months before releasing him. Four years later Bizot became the intermediary between the now victorious Khmer Rouge and the occupants of the besieged French embassy in Phnom Penh, eventually leading a desperate convoy of foreigners to safety across the Thai border. Out of those ordeals comes this transfixing book. At its center lies the relationship between Bizot and his principal captor, a man named Douch, who is today known as the most notorious of the Khmer Rouge’s torturers but who, for a while, was Bizot’s protector and friend. Written with the immediacy of a great novel, unsparing in its understanding of evil, The Gate manages to be at once wrenching and redemptive.

Infinite Country

A Novel *Avid Reader Press / Simon & Schuster*

A REESE’S BOOK CLUB PICK AND INSTANT NEW YORK TIMES BESTSELLER “A knockout of a novel...we predict [Infinite Country] will be viewed as one of 2021’s best.” —O, The Oprah Magazine Named a Most Anticipated Book of 2021 from Esquire, O, The Oprah Magazine, Elle, GMA, New York

Post, Ms. Magazine, The Millions, Electric Literature, LitHub, AARP, Refinery29, BuzzFeed, Autostraddle, She Reads, Alma, and more. I often wonder if we are living the wrong life in the wrong country. Talia is being held at a correctional facility for adolescent girls in the forested mountains of Colombia after committing an impulsive act of violence that may or may not have been warranted. She urgently needs to get out and get back home to Bogotá, where her father and a plane ticket to the United States are waiting for her. If she misses her flight, she might also miss her chance to finally be reunited with her family in the north. How this family came to occupy two different countries, two different worlds, comes into focus like twists of a kaleidoscope. We see Talia’s parents, Mauro and Elena, fall in love in a market stall as teenagers against a backdrop of civil war and social unrest. We see them leave Bogotá with their firstborn, Karina, in pursuit of safety and opportunity in the United States on a temporary visa, and we see the births of two more children, Nando and Talia, on American soil. We witness the decisions and indecisions that lead to Mauro’s deportation and the family’s splintering—the costs they’ve all been living with ever since. Award-winning, internationally acclaimed author Patricia Engel, herself a dual citizen and the daughter of Colombian immigrants, gives voice to all five family members as they navigate the particulars of their respective circumstances. And all the while, the metronome ticks: Will Talia make it to Bogotá in time? And if she does, can she bring herself to trade the solid facts of her father and life in Colombia for the distant vision of her mother and siblings in America? Rich with Bogotá urban life, steeped in Andean myth, and tense with the daily reality of the undocumented in America, Infinite Country is the story of two countries and one mixed-status family—for whom every triumph is stitched with regret, and every dream pursued bears the weight of a dream deferred.

The Dutch House

A Novel HarperCollins

Finalist for the Pulitzer Prize New York Times Bestseller | A Read with Jenna Today Show Book Club Pick | A New York Times Book Review Notable Book | TIME Magazine's 100 Must-Read Books of 2019 Named one of the Best Books of the Year by NPR, The Washington Post; O: The Oprah Magazine, Real Simple, Good Housekeeping, Vogue, Refinery29, and Buzzfeed Ann Patchett, the #1 New York Times bestselling author of Commonwealth, delivers her most powerful novel to date: a richly moving story that explores the indelible bond between two siblings, the house of their childhood, and a past that will not let them go. The Dutch House is the story of a paradise lost, a tour de force that digs deeply into questions of inheritance, love and forgiveness, of how we want to see ourselves and of who we really are. At the end of the Second World War, Cyril Conroy combines luck and a single canny investment to begin an enormous real estate empire, propelling his family from poverty to enormous wealth. His first order of business is to buy the Dutch House, a lavish estate in the suburbs outside of Philadelphia. Meant as a surprise for his wife, the house sets in motion the undoing of everyone he loves. The story is told by Cyril’s son Danny, as he and his older sister, the brilliantly acerbic and self-assured Maeve, are exiled from the house where they grew up by their stepmother. The two wealthy siblings are thrown back into the poverty their parents had escaped from and find that all they have to count on is one another. It is this unshakeable bond between them that both saves their lives and thwarts their futures. Set over the course of five decades, The Dutch House is a dark fairy tale about two smart people who cannot overcome their past. Despite every outward sign of success, Danny and Maeve are only truly comfortable when they’re together. Throughout their lives they return to the well-worn story of what they’ve lost with humor and rage. But when at last they’re forced to confront the people who left them behind, the relationship between an indulged brother and his ever-protective sister is finally tested.

Daughters of Earth

Feminist Science Fiction in the Twentieth Century Wesleyan University Press

The best of women’s science fiction and feminist theory together in one volume

A Thousand Splendid Suns A&C Black

A riveting and powerful story of an unforgiving time, an unlikely friendship and an indestructible love

Around the World in Seventy-Two Days Graphic Arts Books

“She was part of the ‘stunt girl’ movement that was very important in the 1880s and 1890s as these big, mass-circulation yellow journalism papers came into the fore.” –Brooke Kroeger Around the World in Seventy-Two Days (1890) is a travel narrative by American investigative journalist Nellie Bly. Proposed as a recreation of the journey undertaken by Phileas Fogg in Jules Verne’s Around the World in Eighty Days (1873), Bly’s journey was covered in Joseph Pulitzer’s popular newspaper the New York World, inspiring countless others to attempt to surpass her record. At the time, readers at home were encouraged to estimate the hour and day of Bly’s arrival, and a popular board game was released in commemoration of her undertaking. Embarking from Hoboken, noted investigative journalist Nellie Bly began a voyage that would take her around the globe. Bringing only a change of clothes, money, and a small travel bag, Bly travelled by steamship and train through England, France—where she met Jules Verne—Italy, the Suez Canal, Ceylon, Singapore, Hong Kong, and Japan. Sending progress reports via telegraph, she made small reports back home while recording her experiences for publication upon her return. Despite several setbacks due to travel delays in Asia, Bly managed to beat her estimated arrival time by several days despite making unplanned detours, such as visiting a Chinese leper colony, along the way. Unbeknownst to Bly, her trip had inspired Cosmopolitan’s Elizabeth Briland to make a similar circumnavigation beginning on the exact day, launching a series of copycat adventures by ambitious voyagers over the next few decades. Despite being surrounded by this air of popularity and competition, however, Bly took care to make her journey worthwhile, showcasing her skill as a reporter and true pioneer of investigative journalism. With a beautifully designed cover and professionally typeset manuscript, this edition of Nellie Bly’s Around the World in Seventy-Two Days is a classic work of American travel literature reimagined for modern readers.

I Hate Men Fourth Estate

Sabriel Harper Collins

Game of Thrones fans will love the New York Times bestselling Abhorsen series. Sabriel, the first installment in the trilogy, launched critically acclaimed author Garth Nix onto the fantasy scene as a rising star. Dark Secrets, Deep Love, and Dangerous Magic Sent to a boarding school in Ancelstierre as a young child, Sabriel has had little experience with the random power of Free Magic or the Dead who refuse to stay dead in the Old Kingdom. But during her final semester, her father, the Abhorsen, goes missing, and Sabriel knows she must enter the Old Kingdom to find him. She soon finds companions in Mogget, a cat whose aloof manner barely conceals its malevolent spirit, and Touchstone, a young Charter Mage long imprisoned by magic, now free in body but still trapped by painful memories. As the three travel deep into the Old Kingdom, threats mount on all sides. And

every step brings them closer to a battle that will pit them against the true forces of life and death—and bring Sabriel face-to-face with her own destiny. “Sabriel is a winner, a fantasy that reads like realism. Here is a world with the same solidity and four-dimensional authority as our own, created with invention, clarity and intelligence.” —Philip Pullman, author of His Dark Materials trilogy

How to Avoid a Climate Disaster

The Solutions We Have and the Breakthroughs We Need Knopf

#1 NEW YORK TIMES BEST SELLER • In this urgent, authoritative book, Bill Gates sets out a wide-ranging, practical—and accessible—plan for how the world can get to zero greenhouse gas emissions in time to avoid a climate catastrophe. Bill Gates has spent a decade investigating the causes and effects of climate change. With the help of experts in the fields of physics, chemistry, biology, engineering, political science, and finance, he has focused on what must be done in order to stop the planet's slide to certain environmental disaster. In this book, he not only explains why we need to work toward net-zero emissions of greenhouse gases, but also details what we need to do to achieve this profoundly important goal. He gives us a clear-eyed description of the challenges we face. Drawing on his understanding of innovation and what it takes to get new ideas into the market, he describes the areas in which technology is already helping to reduce emissions, where and how the current technology can be made to function more effectively, where breakthrough technologies are needed, and who is working on these essential innovations. Finally, he lays out a concrete, practical plan for achieving the goal of zero emissions—suggesting not only policies that governments should adopt, but what we as individuals can do to keep our government, our employers, and ourselves accountable in this crucial enterprise. As Bill Gates makes clear, achieving zero emissions will not be simple or easy to do, but if we follow the plan he sets out here, it is a goal firmly within our reach.

Waiting at the Prison Gate

Women, Identity and the Russian Penal System Bloomsbury Publishing

The Russian Federation has one of the largest prison populations in the world. Women in particular are profoundly affected by the imprisonment of a family member. Families and Punishment in Russia details the experiences of these women-be they wives, mothers, girlfriends, daughters-who, as relatives of Russia's three-quarters of a million prisoners, are the "invisible victims" of the country's harsh penal policy. A pioneering work that offers a unique lens through which various aspects of life in twenty-first century Russia can be observed: the workings of criminal sub-cultures; societal attitudes to parenthood, marriage and marital fidelity; young women's quests for a husband; nostalgia for the Soviet period; state strategies towards dealing with political opponents; and the social construction of gender roles.

On Norms and Agency

Conversations about Gender Equality with Women and Men in 20 Countries World Bank Publications

Based on focus groups and interviews with nearly 4,000 women, men, girls, and boys from 20 countries, this book explores areas that are less often studied in gender and development: gender norms and agency. It reveals how little gender norms have changed, how similar they are across countries, and how they are being challenged and contested.

The Manipulated Man

The Golden House

A Novel Random House

NEW YORK TIMES BESTSELLER • A modern American epic set against the panorama of contemporary politics and culture—a hurtling, page-turning mystery that is equal parts The Great Gatsby and The Bonfire of the Vanities NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • PBS • HARPER’S BAZAAR • ESQUIRE • FINANCIAL TIMES • THE TIMES OF INDIA On the day of Barack Obama’s inauguration, an enigmatic billionaire from foreign shores takes up residence in the architectural jewel of “the Gardens,” a cloistered community in New York’s Greenwich Village. The neighborhood is a bubble within a bubble, and the residents are immediately intrigued by the eccentric newcomer and his family. Along with his improbable name, untraceable accent, and unmistakable whiff of danger, Nero Golden has brought along his three adult sons: agoraphobic, alcoholic Petya, a brilliant recluse with a tortured mind; Apu, the flamboyant artist, sexually and spiritually omnivorous, famous on twenty blocks; and D, at twenty-two the baby of the family, harboring an explosive secret even from himself. There is no mother, no wife; at least not until Vasilisa, a sleek Russian expat, snags the septuagenarian Nero, becoming the queen to his king—a queen in want of an heir. Our guide to the Golden’s world is their neighbor René, an ambitious young filmmaker. Researching a movie about the Golden, he ingratiates himself into their household. Seduced by their mystique, he is inevitably implicated in their quarrels, their infidelities, and, indeed, their crimes. Meanwhile, like a bad joke, a certain comic-book villain embarks upon a crass presidential run that turns New York upside-down. Set against the strange and exuberant backdrop of current American culture and politics, The Golden House also marks Salman Rushdie’s triumphant and exciting return to realism. The result is a modern epic of love and terrorism, loss and reinvention—a powerful, timely story told with the daring and panache that make Salman Rushdie a force of light in our dark new age. Praise for The Golden House “[A] modern masterpiece . . . telling a story full of wonder and leaving you marveling at how it ever came out of the author’s head.”—Associated Press “Wildly satiric and yet piercingly real . . . If F. Scott Fitzgerald, Homer, Euripides, and Shakespeare collaborated on a contemporary fall-of-an-empire epic set in New York City, the result would be The Golden House.”—Poets & Writers “A tonic addition to American—no, world!—literature . . . a Greek tragedy with Indian roots and New York coordinates.”—San Francisco Chronicle

The Road Vintage

NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by

love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.

A Gentleman in Moscow

A Novel *Penguin*

The mega-bestseller with more than 2 million readers, soon to be a major television series From the #1 New York Times-bestselling author of The Lincoln Highway and Rules of Civility, a beautifully

transporting novel about a man who is ordered to spend the rest of his life inside a luxury hotel In 1922, Count Alexander Rostov is deemed an unrepentant aristocrat by a Bolshevik tribunal, and is sentenced to house arrest in the Metropol, a grand hotel across the street from the Kremlin. Rostov, an indomitable man of erudition and wit, has never worked a day in his life, and must now live in an attic room while some of the most tumultuous decades in Russian history are unfolding outside the hotel's doors. Unexpectedly, his reduced circumstances provide him entry into a much larger world of emotional discovery. Brimming with humor, a glittering cast of characters, and one beautifully rendered scene after another, this singular novel casts a spell as it relates the count's endeavor to gain a deeper understanding of what it means to be a man of purpose.
