### **The House of Special Purpose**

**A Novel by the Author of The Heart's Invisible Furies** *Other Press, LLC*

From the author of *The Heart's Invisible Furies* and *The Absolutist*, a propulsive novel of the Russian Revolution and the fate of the Romanov family. Part love story, part historical epic, part tragedy, *The House of Special Purpose* illuminates an empire at the end of its reign. Eighty-

year-old Georgy Jachmenev is haunted by his past—a past of death, suffering, and scandal that will stay with him until the end of his days. Living in England with his beloved wife, Zoya, Georgy prepares to make one final journey back to the Russia he once knew and loved, the Russia that both destroyed and defined him. As Georgy remembers days gone by, we are transported to St. Petersburg, to the Winter Palace of the czar, in the early twentieth century—a time of change, threat, and bloody revolution. As Georgy overturns the most painful stone of all, we uncover the story of the house of special purpose.

**The House of Special Purpose**  
*Doubleday Canada*

Part love story, part historical epic, part

tragedy, *The House of Special Purpose* illuminates an empire at the end of its reign. Eighty year old Georgy Jachmenev is haunted by his past - a past of death, suffering and scandal that will stay with him until the end of his days. Living in England with his beloved wife Zoya, Georgy prepares to make one final journey back to the Russia he once knew and loved, the Russia that both destroyed and defined him. As Georgy remembers days gone by, we are transported to St. Petersburg in the early 20th century, to the Winter Palace of the Tsar. A time of change, threat and bloody revolution. And as Georgy overturns the most painful stone of all, we uncover the story of the house of special purpose.

### **The House of Special Purpose** *Random House*

Russia, 1915: Sixteen year old farmer's son Georgy Jachmenev steps in front of an assassin's bullet intended for a senior member of the Russian Imperial Family and is instantly proclaimed a hero. Rewarded with the position of bodyguard to Alexei Romanov, the only son of Tsar Nicholas II, the course of his life is changed for ever. Privy to the secrets of Nicholas and Alexandra, the machinations of Rasputin and the events which will lead to the final collapse of the autocracy, Georgy is both a witness and participant in a drama that will echo down the century. Sixty-five years later, visiting his wife Zoya as she lies in a London hospital, memories of the life they have lived together flood his mind.

And with them, the consequences of the brutal fate of the Romanovs which has hung like a shroud over every aspect of their marriage...

### **The House of Special Purpose**

**An Intimate Portrait of the Last Days of the Russian Imperial Family : Compiled from the Papers of Their English Tutor, Charles Sydney Gibbes** *Stein & Day Pub*

Reconstructs the final days and hours of the Romanovs, as recorded by the Englishman who was their tutor

### **Crippen**

**A Novel of Murder** *Macmillan*

Re-creates an infamous serial killer case

involving the 1910 Scotland Yard investigation into the murder of Bella Elmore, whose body is discovered in the cellar of her husband and killer Hawley Crippen, a doctor who has fled in disguise along with his mistress on a cruise ship bound for America. Reader's Guide included. Reprint. 30,000 first printing.

### **House of Special Purpose**

House of Special Purpose, was the Bolshevik code name for the Ipatiev House, used as a place of confinement for the last czar of Russia, Nicholas II, and his family, after his forced abdication of the throne. After spending seventy-eight days in the house, during the early morning hours of April 17th, 1918, the royal family is escorted to a

basement room where they were assassinated. The killing squad was shocked and horrified when the bullets from their weapons bounced off the czar's children. Unbeknownst to them, the royal jewels of the Romanoff dynasty had been sewn into their undergarments. Finding the jewelry, the secret police, Cheka, confiscated the property and place it in a vault, only to discover items missing during an audit in 1925. While Special agent Jeannie Loomis and her partner, Ismail Flores, attend Super Bowl LIV in Florida, Ricky Pinheiro, Jeannie's love interest, attends a high-level briefing at the NSA where he is informed that the possible location of the missing Romanoff jewelry are in the hands of a Russia oligarch living in San Francisco. He is using the jewelry as

collateral to fund left-wing anarchy. In Dallas, the FBI is closing in on a lone wolf jihadist desiring another 9-11 type attack on the United States. Before his capture, he flees to the underbelly of the Haight-Ashberry district in San Francisco and becomes the focus of Loomis and her team. As their search for the jihadist intensifies, the former sergeant-at-arms of the Sons and Daughter of Liberty (the execution arm of the secretive court called the Star Chamber) and his assassins, began killing off the remaining justices of the secret court as an act of revenge. They also orchestrate the kidnapping of a wealthy family's teenage girl, mimicking the exploits of the former Symbionese Liberation Army. It will take all of Loomis's experience and skills to focus her team on the tasks at hand.

**The House of Special Purpose** *Onyx Books*

In 1941, freelance news photographer Jane Todd and Scotland Yard detective inspector Morris Black, acting upon the direction of the OSS, embark on a dangerous mission to obtain a priceless artifact from the Bolshevik Revolution that has the power to turn the tide of the war. Original.

**Created on Purpose for Purpose****Manifesting Your God Purpose** *Tate Publishing*

Do you know that you were well thought out in the mind of God? Do you know you were not a by-chance product? Do you know you have a God purpose? Created On Purpose For Purpose holds

the keys that will unlock all the answers and equip you to walk out your God purpose! Everyone has a sense that they were born for a purpose. But there is something more than just a purpose. The God purpose was designed specifically for you, and it's your responsibility to live out this assignment! From her own experience in discovering her God purpose, author Lisa Singh has outlined the steps to take to discover your God purpose. This easy-to-read guide will instruct you to explore why God designed a special purpose for you and how you can come to understand it. Once you know your place in the world, you can begin to live your purpose and thereby bless not only yourself, but the world you live in. Realize who you are and learn practical applications for

victorious, fulfilling living. Whether studying alone or in a small Bible study, you'll find the tools you need to find your God purpose and start living your life the way it was intended to be lived—on purpose!

**The House in the Mist** *BoD – Books on Demand*

Reproduction of the original: The House in the Mist by Anna Katharine Green

**A Doll's House** *Graphic Arts Books*

Nora Helmer is a dutiful young wife and mother of three children whose attempt to secure her family's future may ultimately lead to its destruction. Ibsen's play explores female identity and independence in a male dominated society. The Helmer family consists of

Torvald and Nora, as well as three children: Ivar, Bobby and Emmy. From the outside, they appear to live a happy and idyllic life. Yet, a secret from Nora's past threatens to destroy everything she loves. One of Torvald's employees blackmails Nora, hoping she can influence her husband in the workplace. When she doesn't succeed, Torvald is informed of her misdeeds. This leads to a life-changing confrontation that forces Nora to reevaluate her marriage and desire for a family. A Doll's House a one of Ibsen's most forward-thinking plays. It was deemed scandalous for its depiction of a wife who prioritizes her own well-being over others. It's an insightful examination of how gender roles dominated nineteenth century Europe. With an eye-catching new cover, and

professionally typeset manuscript, this edition of A Doll's House is both modern and readable.

### **Shelters, Shacks and Shanties**

#### *Library of Alexandria*

ÊIf my present reader happens to be a Boy Scout or a scout-master who wants the scouts to build a tower for exhibition purposes, he can do so by following the directions here given, but if there is real necessity for haste in the erection of this tower, of course we cannot build one as tall as we might where we have more time. With a small tower all the joints may be quickly lashed together with strong, heavy twine, rope, or even wire; and in the wilderness it will probably be necessary to bind the joints with pliable

roots, or cordage made of bark or withes; but as this is not a book on woodcraft we will suppose that the reader has secured the proper material for fastening the joints of the frame of this signal-tower and he must now shoulder his axe and go to the woods in order to secure the necessary timber. First let him cut eight straight polesÑthat is, as straight as he can find them. These poles should be about four and one half inches in diameter at their base and sixteen and one half feet long. After all the branches are trimmed off the poles, cut four more sticks each nine feet long and two and a half or three inches in diameter at the base; when these are trimmed into shape one will need twenty six or seven more stout sticks each four and one half feet long for braces and for

flooring for the platform.

## House of Special Purpose

**A Jeannie Loomis Novel** *R. R. Bowker*  
House of Special Purpose, was the Bolshevik code name for the Ipatiev House, used as a place of confinement for the last czar of Russia, Nicholas II, and his family, after his forced abdication of the throne. After spending seventy-eight days in the house, during the early morning hours of April 17th, 1918, the royal family is escorted to a basement room where they were assassinated. The killing squad was shocked and horrified when the bullets from their weapons bounced off the czar's children. Unbeknownst to them, the royal jewels of the Romanoff dynasty

had been sewn into their undergarments. Finding the jewelry, the secret police, Cheka, confiscated the property and place it in a vault, only to discover items missing during an audit in 1925. While Special agent Jeannie Loomis and her partner, Ismail Flores, attend Super Bowl LIV in Florida, Ricky Pinheiro, Jeannie's love interest, attends a high-level briefing at the NSA where he is informed that the possible location of the missing Romanoff jewelry are in the hands of a Russia oligarch living in San Francisco. He is using the jewelry as collateral to fund left-wing anarchy. In Dallas, the FBI are closing in on a lone wolf jihadist desiring another 9-11 type attack on the United States. Before his capture, he flees to the underbelly of the Haight-Ashberry district in San Francisco

and becomes the focus of Loomis and her team. As their search for the jihadist intensifies, the former sergeant-at-arms of the Sons and Daughter of Liberty (the execution arm of the secretive court called the Star Chamber) and his assassins, began killing off the remaining justices of the secret court as an act of revenge. They also orchestrate the kidnapping of a wealthy family's teenage girl, mimicking the exploits of the former Symbionese Liberation Army. It will take all of Loomis's experience and skills to focus her team on the tasks at hand.

### **Next of Kin**

#### **A Novel** *Macmillan*

John Boyne has been heralded as "one of the most imaginative and adventurous of

the young Irish novelists working today" by the Irish Independent. He achieved bestseller status and won numerous awards worldwide for *The Boy in the Striped Pajamas*. Now in *Next of Kin*, he steps into the drawing rooms and private clubs of the prewar English aristocracy to offer an unobstructed view of a social elite driven by the conflicting desires to uphold tradition and to acquire vast wealth. It is 1936, and London is abuzz with gossip about the affair between Edward VIII and Mrs. Simpson. But the king is not the only member of the aristocracy with a hard decision to make. Owen Montignac, the handsome and charismatic scion of a wealthy family, is anxiously awaiting the reading of his late uncle's will, for Owen has run up huge gambling debts and casino boss Nicholas

Delfy has given him a choice: Find 50,000 pounds by Christmas or find yourself six feet under. So when Owen discovers that he has been cut out of the will in favor of his cousin Stella, he finds that even a royal crisis can provide the means for profit, and for murder. Next of Kin vividly captures the spirit of 1930s London, revealing the secrets of the upperclass, complete with gambling, murder, an art heist, and a conspiracy to unseat the new king that could change the future of the country.

### **Lucifer's Son** *CreateSpace*

There are arch angels, and there are fallen ones. One managed to have human like children that served special purposes. The book is a thriller for me, and a crime novel to others. The effects

of this book depends on the reader's level and maturity. Nevertheless, events of those days are accurate.

### **The Absolutist** *Doubleday Canada*

September 1919: Twenty-year-old Tristan Sadler takes a train from London to Norwich to deliver a clutch of letters to Marian Bancroft. Tristan fought alongside Marian's brother Will during the Great War. They trained together. They fought together. But in 1917, Will laid down his guns on the battlefield and declared himself a conscientious objector, an act which has brought shame and dishonour on the Bancroft family. The letters, however, are not the real reason for Tristan's visit. He holds a secret deep within him. One that he is desperate to unburden himself of to

Marian, if he can only find the courage. Whatever happens, this meeting will change his life – forever.

### **Yiddish Tales**

**Alone In Vietnam** *Robert B Boyd Jr*

**Second Coming** *Larry Flynn*

Jay, your average stoner from Portland Oregon, finds out when he's twenty-one that he is Jesus, the son of God. This may have been a good thing if it weren't for the fact that he had been molested early in life by a Catholic Priest. It is a comic and tragic tale of reincarnated Disciples, and a difficult choice on whether the world is worth saving. Jay grows up thinking he's a normal kid. Through a series of hilarious and

heartbreaking adventures, he finally learns of his true identity, long after he was supposed to. His reincarnated disciples are a mixture of loveable and misunderstood characters that join Jay on a journey across the Country that leads them to Elvis, Oprah, jail, and near death experiences. And when Jay becomes too big for the Church to control, they confront a situation that could very well destroy the world.

**Jews in Service to the Tsar** *Russian Information Services, Incorporated*

Lev Berdnikov offers us 28 biographies spanning five centuries of Russian Jewish history, and each portrait opens a new window onto the history of Eastern Europe's Jews, illuminating dark corners and challenging widely-held conceptions

about the role of Jews in Russian history.

## **Tsar Nicholas II and the End of the Romanov Dynasty**

### **The History of the Downfall of Imperial Russia** *Createspace Independent Publishing Platform*

\*Includes pictures \*Includes the tsar's quotes about his life and reign \*Includes a bibliography for further reading "I am not yet ready to be Tsar. I know nothing of the business of ruling." - Tsar Nicholas II of Russia The 17th century was marked by multiple pro-democratic revolutions exploding in both hemispheres. In Europe and its neighbors to the east, border-changing wars were fought incessantly. In the late 19th and early 20th centuries, the

underlying premises of political, governmental and social structures within several European and Asian states were shaken to the core after centuries of royalty and one-family rule. By the onset of World War I, royal families began to experience a long, slow decline, with some quietly fading into the status of national symbols and others experiencing political overthrow. Some were horrified by the suddenness of a changing public, while others barely noticed. In the ensuing chaos brought about by the Great War, the last ruling family in Russia suffered the most brutal form of regime change at the hands of the Bolsheviks following a revolution in 1917, as the public outcry for individual equality mirrored the violence of the French Revolution from a prior century.

The Romanov dynasty, which had enjoyed unbroken control over the throne since the early 1600s, represented a dilemma for a dissatisfied and restless workforce that nevertheless viewed the royal family through the lens of an ancient mystique. The modern Romanov saga was rife with intrigue, including the exploits of and mystique surrounding Grigory Rasputin, suspicion directed toward the German roots of Tsarina Alexandra, and fascination with the almost beatified children of the Tsar, their image buoyed by the powerful new medium of photography. When this mystical and fictitious portrait of the beloved ruler and happy peasant collided with Lenin's Bolshevik uprising, a movement largely devoid of mercy or sentiment, the pathos of the Romanov

executions was felt all the more deeply around the world, and it has remained a topic of intense inquiry well into the following century. At the same time, gossip surrounding their fates, particularly that of the "lost" Grand Duchess Anastasia Nikolaevna, have ensured that the Romanovs remain relevant nearly a century after their downfall. Tsar Nicholas II and the End of the Romanov Dynasty: The History of the Downfall of Imperial Russia looks at the seminal events that brought about an end to Imperial Russia. Along with pictures and a bibliography, you will learn about the Romanovs like never before.

**I, Church** *Createspace Independent Pub*  
"It was the best of church, it was the

worst of church..." [not Charles Dickens]  
 In some ways, the church has a horrendous track record and is deserving of much of the hate, accusation and mistrust it has received. But, in many other ways, the church has also been monumental in affecting great systemic change, being first on the scene in crisis and on the forefront of reaching out to and loving well those considered the least of these. To those of you who believe church is the worst thing ever: You're right! To those of you who believe church is the best thing ever: You're right! The church was God's idea and it is the plan He has chosen to bring transformation to a world desperately in need of a deeper experience of His love. He doesn't appear to have a plan B. We are it! I call this book, 'i, church' because

more than a building or a meeting or a list of do's and don'ts, the church is about the people. It is about me. And it is about you. If you love Jesus and have chosen to follow Him, then you are the church. Let's figure out together how to be the best church we can be. "Brett Anderson weaves a picture of the church that is stark and real. He sees through church politics and denominational blinkers and defines the core of what the church is and isn't and what God desires it to be." [Bruce Collins, legend and appreciator of good coffee]

**The Red Brick House** *Booksurge Publishing*

"Where are we? Kady asked, as they turned to look at the entire room. They saw the kitchen had a wood-burning

stove, no sink faucet, and no refrigerator." "I don't know, Allie said, "but look out this window, across the yard and the garden. Isn't that the cotton patch where Nanna said she had to cross the narrow dirt road to help pick cotton?" The sisters, Allie, Kady, Lindey, and their cousin, Taylor, have been transported into their great grandmother's world when she is five and then again when she is seven. During their second visit, Taylor's little brother, Lance, shows up, surprising everyone, except Minnie, who has expected him and is so pleased he has come with them. This fictional story is based on contemporary children, who are real, and the historical, real-life happenings of the Tucker family in the 1920's told by Jewel Tucker Phillips.

### **Free Roll** *Brandt Tobler*

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story

with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

## **Pursue Your Purpose Not Your Dreams**

### **It Starts with You**

Dreams allow us to create possibilities in our minds that may or may not come true. Purpose allows life to create what's destined to come true. Understanding

the difference between "PURPOSE" and "DREAMS" starts with knowing "who we are" and what's happening in our environment. This book has been written to nurture awareness of "self," identity development, self-esteem, and the difference between our "PURPOSE" and our "DREAMS."

## **Searching for the Epic of Flight**

### **107 Books Briefly Noted** *Createspace Independent Pub*

Which are the best books on flying? Is there an "Epic of Flight"? Here are 107 titles reviewed in 22 categories of flight.

### **Stuck**

## **Asperger's Syndrome and**

**Obsessive-Compulsive Behaviors**

There are many challenges that children with Asperger's syndrome (AS) will have to overcome to reach their highest potential. In order to help them progress in constructive ways, those who care for and about these children often need to make changes too, sometimes difficult ones. Stuck provides a roadmap for understanding and addressing the complexities of AS, especially the presence of obsessive-compulsive behaviors (OCBs) that so frequently complicate basic functioning for both the child and others involved in their lives. The more knowledge and skills that caregivers can gain about these issues the better. Whether you are a parent, an educator, or a healthcare professional that wants to increase their awareness

about Asperger's syndrome and obsessive-compulsive behaviors, you can benefit from the useful concepts and practical, action-oriented activities presented throughout this book.

**Memoir American *punctum* books**

The texts which comprise this small book - forms of essay, talk, dialogue - at one time saw themselves as individualists who went somewhere (to small press magazines) on their own. Now they are here, collected with the chance of going nowhere together. As it should be: since they represent the fate of language and translation in the memory of aliens living inside America - like a family going nowhere together, but at home. The philosopher Jacques Derrida and his family are part of this family in the dead

letter office, and curiously they are named going nowhere together at home. Along the way, so are the poets Charles Reznikoff and William Carlos Williams and Emmanuel Hocquard and Juliette Valery and Charles Olson, as well as Horace's Odes in translation. You will find in this Memoir what it means for an alien to search for his family in a book outside the time of its writing. You will find him discovering that translation is a personal story and that poetry might not have a home without it. You will find him wondering: whose voices are these which we hear around us as we write, as Babel turns to rumor through the fact of translation, wherein a book is being made and remade from American to French and back again? You will find him through translation like a Being in the

Poetry of the Extraterritorial, an un-owned territory which is neither French nor American but is negotiated by the rumor of a poetry which emerges from both, a future condition (État) which seeks the name it could be but is not. Follow this alien Being's trajectory: he is not of America but grows up in it. He publishes a book in French translation before it appears in the American English original. He becomes native to a writing whose eloquence is always in question, at times because it is passive, at other times because it is unpronounceable. Who, over time, finds his Memoir? In the dead letter office, we do. We find someone somewhat like ourselves, who uses language and translation as if these were a poet's gifts in the making of history, a history which

is foreign yet integral to his homeland. We find someone who uses it to return to his own people and place, so that he can "only stand more/revealed." We find someone who will act the new basis for his identity - the consciousness whose coming into Being must be premised on his existence in another world.

### **Game-Changing Advisory Boards**

#### **Leveraging Outside Wisdom to Deliver Sustainable Value** *Createspace Independent Pub*

21 privately-owned company owners share stories of how they leveraged advisory boards to help them build valuable, sustainable companies.

### **The House of Argyll and the**

### **Collateral Branches of the Clan Campbell**

#### **From the Year 420 to the Present Time (Classic Reprint)** *Forgotten Books*

Excerpt from The House of Argyll and the Collateral Branches of the Clan Campbell: From the Year 420 to the Present Time For the work, but to compress them into an ordinary volume. To justly recount the works of the eminent men of the name of Campbell who have left their impress in the pages of the world's history, would take up far more space than we have devoted to the whole subject. In the Appendix, we have barely given the names of a few of the most celebrated of the Clan; without that list our work would hardly be complete,

appearing, as it does, shortly before the happy event that is to shed additional lustre on their already bright escutcheon. When a Royal Princess, endowed with beauty and accomplishments of the highest rank, is about to be united to the heir of the House of Argyll, who inherits the statesmanlike qualities of the most celebrated of his ancestors; and while he is highly honoured by having gained the affections of the Princess, the sanction of the Queen, and the approbation of the country, his royal bride will not have to blush for the connexion she is forming; for we make hold to say, that no other family can show a more numerous and illustrious roll of names than the Campbells. About the Publisher Forgotten Books publishes hundreds of

thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Ali Monpour, special investigator for the National Security Advisor. Rare Earths is a fast-paced political thriller ripped from today's headlines! Action and intrigue intertwine from the deserts of Balochistan to the halls of power in Washington, D.C.

### **Psion Beta** *Createspace Independent Pub*

Sammy, a 14-year-old fugitive, accidentally discovers he has the powers of a Psion. ... Plucked off the streets, he is thrust into the rigorously-disciplined environment of Psion Beta headquarters. As a new Beta, Sammy must hone his newfound abilities using holographic fighting simulations, stealth training missions, and complex war games. His fellow trainees are other kids competing

to prove their worth so they can graduate and contribute to the war effort. But the stifling competition at headquarters isolates Sammy from his peers. Learning to use his incredible abilities powers is difficult enough, but when things go horribly wrong on a routine training mission, he must rely on the other Betas to stay alive. The Silent War is at a tipping point; even one boy can be the difference. But to do so, he must survive.

### **The Judge's House Illustrated**

In the story, a student arrives in a small town looking for a quiet place to stay while preparing for his examination. Making light of the local superstitions, he moves into an old mansion where a notorious hanging judge once lived. He is

comfortably settled and engrossed in his work when, in the middle of the night, he is visited by an enormous rat with baleful eyes. As soon as the giant rat appears, other rats that infest the old house fall silent. When the great rat returns on the second night, the student begins to feel uneasy. He soon learns why the locals fear the Judge's House.

### **Lovebound** *Destiny House Publishing*

Just for a moment imagine yourself the spouse or even the parent of someone in prison. What images come to your mind? In her story, the author challenges us to think outside of our own mindsets. Through the writer's eyes you will see glimpses of what it is really like from the outside looking in. It is her hope that as you read you will not only recognize

things that have "imprisoned" you but that you will be set free from those things. Isaiah 61:1 The Spirit of the Lord is upon me because the Lord hath anointed me to preach good tidings unto the meek; he hath sent me to bind up the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to them that are bound... -----

----- Regina Moody currently lives in Kinston, Alabama. She and Mickey have been married for 19 years. They have one son (Braxton Lee Moody). She is employed full time as a nurse. She and her family attend New Life Worship Center in Samson, Alabama. In recent years, she has served on many Kairo's outside teams. (An international ministry designed to help women who have loved

ones incarcerated). Presently she helps with a local jail ministry.

### **Kitab Kabbani**

#### **Beyond Our Ideas of Right-Doing and Wrong Doing, There Is a Field. I Will Meet You There. -Rumi**

The Middle East is spinning out of control, but what does that mean to a simple fast-order cook in Central California? Everything-his family, his love life, his future, his purpose. And it may be that he means a great deal to the Middle East. Some are willing to kill him and others are willing to risk their lives to protect him. This adventure takes the reader to Turkey, Iran, and Arabia. Themes of historical religions of the Middle East, modern interpretations,

truth, understanding, and what the future holds for this volatile region are interwoven throughout the book. Romance and its seeming impossibility provide a metaphor for all that is wonderful about this region, and all that may be suffocating hope. The unspoken question through most of the book asks is something more happening as this adventure unfolds?

### **United States Government Policy and Supporting Positions**

#### **Plum Book 2020** *Independently Published*

The Plum Book is published by the Senate Committee on Homeland Security and Governmental Affairs and House Committee on Oversight and

Reform alternately after each Presidential election. The Plum Book is used to identify Presidential appointed and other positions within the Federal Government. The publication lists over 9,000 Federal civil service leadership and support positions in the legislative and executive branches of the Federal Government that may be subject to noncompetitive appointment. The duties of many such positions may involve advocacy of Administration policies and programs and the incumbents usually have a close and confidential working relationship with the agency head or other key officials. The Plum Book was first published in 1952 during the Eisenhower administration. When President Eisenhower took office, the Republican Party requested a list of

government positions that President Eisenhower could fill. The next edition of the Plum Book appeared in 1960 and has since been published every four years, just after the Presidential election.

### **J. Sheridan Le Fanu, Novels and Stories Collection** *CreateSpace*

Joseph Thomas Sheridan Le Fanu (28 August 1814 - 7 February 1873) was an Irish writer of Gothic tales and mystery novels. He was the leading ghost-story writer of the nineteenth century and was central to the development of the genre in the Victorian era. Three of his best known works are Uncle Silas, "Carmilla" and The House by the Churchyard. He was a meticulous craftsman and frequently reworked plots and ideas from his earlier writing in subsequent

pieces. Many of his novels, for example, are expansions and refinements of earlier short stories. He specialised in tone and effect rather than "shock horror," and liked to leave important details unexplained and mysterious. He avoided overt supernatural effects: in most of his major works, the supernatural is strongly implied but a "natural" explanation is also possible. In this book: Uncle Silas Carmilla The House by the Church-Yard The Watcher and other weird stories

### **Average Joe's Pillars of Leadership**

**Defining Characteristics of Leadership** *Createspace Independent Publishing Platform*

How To Develop The Leadership

Characteristic Already Within You  
 Leaders change the world. Leaders inspire others. Leaders live their passion  
 Vision Knowing what you want and where you are going is vital. The next step is picturing, in your mind, exactly what you want down to the smallest detail. However, the most important piece of the puzzle is your WHY - the reason you want whatever it is you want. Without that it's game over. Courage  
 You may have your purpose, but do you possess the guts to tell the world and follow it through. Courage needn't be loud and aggressive, more often it's a voice in your mind which compels you to keep trying. Integrity Are you honest? Do you speak what you believe? Do you set the example for others to emulate? Are you a person of their word? Are you

committed to becoming more than what you already are? Did you answer yes to all the above? Integrity is built upon these questions, leadership is built upon integrity. Humility The initial response to leadership and humility brings up images of oil and water - they cannot go together. On a second look you will find humility running through every great modern day leader. The role of a leader is to serve the people following them. Can you think less of yourself and more of others, to best meet their needs? It's not as easy as it sounds. Self Discipline If you cannot control yourself you will NEVER have the control of others. You will never be able to keep a team around you who complement your strengths and enhance your weakness. Without those people the dream is just that, a dream,

and will never become reality. Planning The first words that come to mind are usually -not again- accompanied with an eye roll. Many great people have said what I'm about to say - if you fail to plan you plan to fail. A plan is like the foundations when building a house. Without them all the work that's supposed to be carried out on top, will eventually collapse on itself. Influence The number one skill needed to be a great salesman and one of the 12 pillars of leadership. Influence is the ability to help people see what you see, to paint them the picture of how you see the future and for them to say -I want that too!- Decision My parents can't make a decision and it's frustrating as hell, especially when we go out for a meal. I ask them where they would like to go, I

always get the same response -I'm easy-. As mad as this makes me I realised - people will not follow a leader who cannot decide what to do. Listening Sorry to break your bubble, but you are not going to have all the great ideas. you are one mind among billions, someone else will have the same motives as you and will be able to help. Listen to them and by listen I don't mean hear what they say, actually listen with the intent to understand. Responsibility Can you handle it? The pressure, the weight of the dream on top of your shoulders. If you can't, would you turn down a new opportunity? Many people do! Communication You have the vision, the courage and the best plan since Steve Jobs released the iPhone, but can you tell me so they fully understand it

without it taking a long time? It's not easy, but if it was everybody would be able to do it. Mentoring Help the people who follow you by sharing what you know. Not only do they learn, every time you share an idea you get to hear it again and again and again - repetition is the mother of skill.

### **The House of Special Purpose** *Penguin*

Christopher Hyde continues to carve an indelible niche in the world of international thrillers. This WWII story is filled with actual events, historical figures, and a true-to-life atmosphere and intrigue that pull the reader in and don't let go. November 1941. Freelance news photographer Jane Todd and Scotland Yard detective inspector Morris

Black are recruited by Wild Bill Donovan of the OSS. Their orders are to trace an artifact rumored to exist from the bloody days of the Bolshevik Revolution. The missing relic may hold the key to forging or destroying the balance of power in the war that is sure to involve the U.S. As the long-cold trail heats up for Jane and Black, close on their heels are a brutal Nazi assassin, a mysterious countess with a very shady past, and the lethally charming head of NKVD operations in America. "Hyde's storytelling is pure genius."—New York Daily News "[Hyde] draws tension with the skill of a surgeon."—New York Times bestselling author Michael Connelly

**The House of Special Purpose** *Canelo*  
It was a long-forgotten secret buried in

the past. Now it may change the course of World War II. November, 1941: Freelance news photographer Jane Todd and Scotland Yard detective inspector Morris Black are recruited by the Office of Strategic Services. Their orders are to trace an artifact rumoured to exist from the bloody days of the Bolshevik Revolution. The missing relic may hold the key to forging or destroying the balance of power in the war that is sure to involve the U.S. As the long-cold trail heats up for Todd and Black, close on their heels are a brutal Nazi assassin, a

mysterious countess with a very shady past, and the lethally charming head of NKVD operations in America. Filled with actual events, historical figures, and a true-to-life atmosphere and intrigue that pull the reader in and don't let go, perfect for fans of Robert Harris, Rory Clements and Ken Follett.
