With this guidebook—and the kindness of strangers—Ruth could finally make a safe journey from Chicago to her grandma's house in Alabama. Ruth's story is fiction, but The Green Book and its role in helping a generation of African American travelers avoid some of the indignities of Jim Crow are historical fact.

The Glass Castle**A Memoir** *Simon and
Schuster*

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and

wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

Recitatif

A Story Knopf

A beautiful, arresting story about race and the relationships that shape us through life by the legendary Nobel Prize winner—for the first time in a beautifully produced stand-alone edition, with an introduction by Zadie Smith “A puzzle of a story, then—a game.... When [Morrison] called *Recitatif* an ‘experiment’ she

meant it. The subject of the experiment is the reader." —Zadie Smith, award-winning, best-selling author of *White Teeth* In this 1983 short story--the only short story Morrison ever wrote--we meet Twyla and Roberta, who have known each other since they were eight years old and spent four months together as roommates in St. Bonaventure shelter. Inseparable then, they lose touch as they grow older, only later to find each other again at a diner, a grocery store, and again at a protest. Seemingly at opposite ends of every problem, and at each other's throats each time they meet, the two women still cannot deny the deep bond their shared experience has forged

between them. Another work of genius by this masterly writer, *Recitatif* keeps Twyla's and Roberta's races ambiguous throughout the story. Morrison herself described *Recitatif*, a story which will keep readers thinking and discussing for years to come, as "an experiment in the removal of all racial codes from a narrative about two characters of different races for whom racial identity is crucial." We know that one is white and one is Black, but which is which? And who is right about the race of the woman the girls tormented at the orphanage? A remarkable look into what keeps us together and what keeps us apart, and how perceptions are made tangible by reality,

Recitatif is a gift to readers in these changing times.

A Jim Chapel Mission *Harper Collins*

Afghanistan veteran Jim Chapel has been enlisted in a new war. This time it's in his own backyard . . . and even more deadly. A small band of fugitives escapes from a secret upstate New York military facility, leaving a trail of bodies in its wake. Each fugitive has a target—an innocent civilian—and will not stop until that target has been eliminated. Wounded Special Forces veteran Jim Chapel has been stuck behind a desk rather than out in the field, but medical technology

has finally caught up with his ambitions. Coupled with his unstoppable determination, it will take him back to where he thrives: the thick of the action. Drafted into a new war, this time in our homeland, Chapel is tasked with hunting a group of escapees from a top secret military compound—all extremely deadly, genetically modified killers—and unraveling the mystery behind their existence. Aided by an enigmatic woman named Angel and a courageous, beautiful veterinarian, Chapel begins a cross-country hunt to stop the murders. But are the killers really rogues, or are they part of a sinister conspiracy that reaches into the highest levels?

The Stranger's Child *Vintage*

From the Man Booker Prize-winning author of *The Line of Beauty*: a magnificent, century-spanning saga about a love triangle that spawns a myth, and a family mystery, across generations. In the late summer of 1913, George Sawle brings his Cambridge schoolmate—a handsome, aristocratic young poet named Cecil Valance—to his family's modest home outside London for the weekend. George is enthralled by Cecil, and soon his sixteen-year-old sister, Daphne, is equally besotted by him and the stories he tells about Corley Court, the country estate he is heir to. But what Cecil writes in Daphne's autograph album will

change their and their families' lives forever: a poem that, after Cecil is killed in the Great War and his reputation burnished, will become a touchstone for a generation, a work recited by every schoolchild in England. Over time, a tragic love story is spun, even as other secrets lie buried—until, decades later, an ambitious biographer threatens to unearth them. Rich with Hollinghurst's signature gifts—haunting sensuality, delicious wit and exquisite lyricism—*The Stranger's Child* is a tour de force: a masterly novel about the lingering power of desire, how the heart creates its own history, and how legends are made. This eBook edition includes a

What Happens When You Dare to Ask God for the Impossible

Multnomah

The words on these pages will not go down like Ambien. I'm not writing to calm or coddle you. With God's help, I intend to incite a riot in your mind. Trip your breakers and turn out the lights in your favorite hiding places of insecurity and fear. Then flip the switch back on so that God's truth can illuminate the divine destiny that may have been lying dormant inside you for

years. In short, I'm out to activate your audacious faith. To inspire you to ask God for the impossible. And in the process, to reconnect you with your God-sized purpose and potential." —Steven Furtick, from *Sun Stand Still*

Auden, The Psalms, and Me *Church Publishing, Inc.*

• A "first person narrative," key to the work and prayer of the current Book of Common Prayer • Appeal to those interested in literature or in the history of the BCP In the nearly 40 years since the advent of the 1979 Book of Common Prayer, the retranslation of the Psalter created for that book has become a standard, used not only by Episcopalians, but

adopted by others into their own worship service books and liturgies. Now J. Chester Johnson, one of the two surviving members of the Committee that produced the retranslation, has agreed for the first time to call to tell the story of this Psalter and the little-known but vital part played in it by acclaimed poet W. H. Auden, whom Johnson replaced on the committee when Auden decided to return to live in England. Despite Auden's ambivalence about changes in the Episcopal Book of Common Prayer, he wrote associated articles and poems, authored many letters—some of special liturgical and spiritual significance—

and attended Psalter drafting committee meetings. Auden, The Psalms, and Me not only illuminates this untold part of the Episcopal Psalter story but also describes the key elements that drove the creation of this special retranslation.

The Unstuck Church

Equipping Churches to Experience Sustained Health *Thomas Nelson*

Acclaimed church leader, blogger,

founder and chief strategic officer of The Unstuck Group, Tony Morgan unpacks the lifecycle of a typical church, identifies characteristics of each phase, and provides practical next steps a church can take to move towards sustained health. Think about your church for a moment. Is it growing? Is it diminishing? Is it somewhere in between? Acclaimed church leader, blogger, and founder and chief strategic officer of The Unstuck Group, Tony Morgan has identified the seven stages of a church's lifecycle that range from the hopeful and optimistic days of launch, to the stagnating last stages of life support. Regardless of the stage in which you find your church, it carries with it

the world's greatest mission—to "go and make disciples of all the nations . . ." With eternity at stake the Church should be doing most everything within its power to see lives changed forever. The Church should strive for the pinnacle of the lifecycle, where they are continually making new disciples and experiencing what Morgan refers to as "sustained health." In The Unstuck Church,

Morgan unpacks each phase of the church lifecycle, and offers specific and strategic next steps the church leader can take to find it's way to sustained health . . . and finally become unstuck. The Unstuck Church is a call for honest an assessment of where your church sits on the lifecycle, and a challenge to move beyond it.
