In contrast, a remanufactured or reman engine has been returned to the vehicle manufacturer's original factory specification through an extensive, audited process. As a result, remanufactured engines provide levels of performance, reliability and lifespan that are equal to and, in many instances exceed, those of the original.

Reman vs recon engines - a clear distinction | Ivor Searle

At Rebuilt Engines we offer a fast and efficient solution for replacement of your damaged engine. We can either recover your vehicle, remove your existing engine and rebuild it with quality reconditioned components or, stock permitting, send you with a fully rebuilt engine by specialist engine couriers

anywhere in the UK, usually next day. Our engine factory is staffed by qualified, experienced engineers capable of remanufacturing engine components from any vehicle to the highest standards.
