Basho's Narrow Road *Stone Bridge Press, Inc.*

Matsuo Basho (1644-94) is considered Japan's greatest haiku poet. *Narrow Road to the Interior* (Oku no Hosomichi) is his masterpiece. Ostensibly a chronological account of the poet's five-month journey in 1689 into the deep country north and west of the old capital, Edo, the work is in fact artful and carefully sculpted, rich in literary and Zen allusion and filled with great insights and vital rhythms. In *Basho's Narrow Road: Spring and Autumn Passages*, poet and translator Hiroaki Sato presents the complete work in English and examines the threads of history, geography, philosophy, and literature that are woven into Basho's exposition. He details in particular the extent to which Basho relied on the community of writers with whom he traveled and joined in linked verse (renga) poetry sessions, an example of which, *A Farewell Gift to Sora*, is included in this volume. In explaining how and why Basho made the literary choices he did, Sato shows how the poet was able to transform his passing observations into words that resonate across time and culture.

The Narrow Path *Simon and Schuster*

The Narrow Path is a story about a couple who must face their differences and learn to work together as they look toward a lifetime of love. Miranda Klassen's Mennonite church is big and modern and she loves the mixture of

faith, action, and activity. But in order to follow her dream she moves across the country to a small town to organize the 75th anniversary celebration of an Old Order Mennonite church. Ted Wiebe has been assigned to assist and guide Miranda, feeling good that his church has chosen another Mennonite. But except for sharing the same basic faith and denomination, their churches have nothing else in common. His church embraces old-style roots, so Ted expects to find someone similar at the airport: a woman who never wears pants, no body piercing (including pierced ears), no makeup, and wearing a head covering as a sign of modesty, someone else who lives in accordance with old-fashioned values. But the woman who acknowledges him is wearing unreasonably high and outlandishly expensive shoes, denim jeans, and makeup, including bright red lipstick. As she gets off the plane she's fiddling with an iPod and yapping on the cell phone. When Miranda enters Ted's church and community she feels like she's been transported back into Little House On The Prairie. Ted is supposed to help Miranda fit in, and Miranda is supposed to help his church reach out into the community. When it's time to start planning and organizing for the celebration, then the fun really begins.

People believe a lot of different things about salvation and many of those things are not true. It is dangerous to believe false things, especially when our eternal destiny is at stake. Therefore, we need to think critically about it to make sure we get it right. Salvation requires entrance through a narrow gate (trust in Christ alone), but there is more to it than that. The gate actually leads to a narrow and difficult road that we must travel. Many people assume their salvation is largely completed because the defining episode—a time of conversion—is history, and all that remains is to coast into heaven. However, salvation is not simply an event in our past, but a lifelong journey that leads to a promised inheritance. And all along the way, we make choices that will affect the outcome of that journey. In *The Narrow Road*, Tom Gender challenges us to seriously contemplate what the Bible says about how God saves sinners and what that means for our daily lives.

How to Get Rich *Penguin*

Felix Dennis is an expert at proving people wrong. Starting as a college dropout with no family money, he created a publishing empire, founded *Maxim* magazine, made himself one of the richest people in the UK, and had a blast in the process. *How to Get Rich* is different from any other book on the subject because Dennis isn't selling snake oil, investment tips, or motivational claptrap. He merely wants to help people embrace entrepreneurship, and to share lessons he learned the hard way. He reveals, for example, why a regular paycheck is like

crack cocaine; why great ideas are vastly overrated; and why "ownership isn't the important thing, it's the only thing."

The Sound of One Hand Clapping *Grove/Atlantic, Inc.*

A sweeping novel of world war, migration, and the search for new beginnings in a new land, *The Sound of One Hand Clapping* was both critically acclaimed and a bestseller in Australia. Recognized with the Australian Booksellers' Book of the Year Award and the Vance Palmer Prize for Fiction, it now introduces to an international readership a young Australian who is emerging as one of our most talented new storytellers. In the winter of 1954, in a construction camp for a hydroelectric dam in the remote Tasmanian highlands, when Sonja Buloh was three years old and her migrant Slovenian father was drunk, her mother Maria walked off into a blizzard, never to return. Thirty-five years later, Sonja returns to Tasmania and a father haunted by memories of the European war and other, more recent horrors. As the shadows of the past begin to intrude ever more forcefully into the present, Sonja's empty life and her father's living death are to change

forever. *The Sound of One Hand Clapping* is about the barbarism of an old world left behind, about the harshness of a new country, and the destiny of those in a land beyond hope who seek to redeem themselves through love.

The Narrow Road to Oku *National Geographic Books*

In the account which he named "The Narrow Road to Oku," Basho makes a journey lasting 150 days, in which he travels, on foot, a distance of 600 ri. This was three hundred years ago, when the average distance covered by travelers was apparently 9 ri per day, so it is clear that Basho, who was forty years old at the time, possessed a remarkably sturdy pair of walking legs. Nowadays with the development of all sorts of means of transportation, travel is guaranteed to be pleasant and convenient in every respect, so it's almost impossible for us to imagine the kind of journey Basho undertook, "drifting with the clouds and streams," and "lodging under trees and on bare rocks." During my countless re-readings of "The Narrow Road to Oku," I would bear that in mind, and the short text, which takes up less than 50 pages even in the pocket-book edition, would strike me as much longer than that, and I would feel truly awed by Basho's 2,450-kilometer journey. I chose "The Narrow Road to Oku" as the theme of the exhibition marking the thirtieth anniversary of my career as an artist. As somebody who has been illustrating works from Japanese literature for many years, the subject naturally attracted and interested me. But once I'd embarked on the project, it wasn't long before I realized I'd chosen a more difficult and delicate task than I ever imagined, and I wanted to reprove

myself for my naivete. Last year, to mark the centenary of Tanizaki Jun'ichiro's birth, I produced a set of 54 pictures for his translation of "The Tale of Genji." This was a formidable undertaking, as I had to grapple with the achievement of a literary genius whom I had personally known. But if producing a single picture to represent each chapter in "The Tale of Genji" was a matter of selecting a particular "face," or "plane" to represent the whole, producing a picture to represent each haiku in "The Narrow Road to Oku" was without a doubt a matter of having to select one tiny "point"--a mere "dot." One misjudgment in my reading, and the picture would lose touch with the spirit of Basho's work, and end up simply as an illustration that happened to be accompanied by a haiku. I had to meticulously consider every word in those brief 17-syllable poems. Then, if I was fortunate, from the vast gaps and the densely packed phrases a numinous power would gather and inspire me: at times I felt as if I was experiencing what ancient people called the "kotadama," the miraculous power residing in words. A self-styled "beggar of winds and madness," Basho originated and refined a unique genre of fictional travel literature, which used poetry that enabled one to render, empty-handedly, all of creation. I believe that I could ask for no greater favor from my painter's brush than that I too be able to glean the merest fragment of what the saint of haiku Basho saw, and be able to reproduce it in my work. — Miyata Masayuki

A NEW YORK TIMES CRITICS' TOP BOOK OF THE YEAR • BOOKLISTS' EDITOR'S CHOICE • ONE OF NPR'S BEST BOOK OF THE YEAR "At once a film book, a history book, and a civil rights book.... Without a doubt, not only the very best film book [but] also one of the best books of the year in any genre. An absolutely essential read." —Shondaland This unprecedented history of Black cinema examines 100 years of Black movies—from *Gone with the Wind* to Blaxploitation films to Black Panther—using the struggles and triumphs of the artists, and the films themselves, as a prism to explore Black culture, civil rights, and racism in America. From the acclaimed author of *The Butler* and *Showdown*. Beginning in 1915 with D. W. Griffith's *The Birth of a Nation*—which glorified the Ku Klux Klan and became Hollywood's first blockbuster—Wil Haygood gives us an incisive, fascinating, little-known history, spanning more than a century, of Black artists in the film business, on-screen and behind the scenes. He makes clear the effects of changing social realities and events on the business of making movies and on what was represented on the screen: from Jim Crow and segregation to white flight and interracial relationships, from the assassination of Malcolm X, to the O. J. Simpson trial, to the Black Lives Matter movement. He considers the films themselves—including *Imitation of Life*, *Gone with the Wind*, *Porgy and Bess*, the Blaxploitation films of the seventies, *Do The Right Thing*, *12 Years a Slave*, and

Black Panther. And he brings to new light the careers and significance of a wide range of historic and contemporary figures: Hattie McDaniel, Sidney Poitier, Berry Gordy, Alex Haley, Spike Lee, Billy Dee Williams, Richard Pryor, Halle Berry, Ava DuVernay, and Jordan Peele, among many others. An important, timely book, *Colorization* gives us both an unprecedented history of Black cinema and a groundbreaking perspective on racism in modern America.

Eyrie *Farrar, Straus and Giroux*

Shortlisted for the 2014 Miles Franklin Literary Award An exhilarating new book from Australia's most acclaimed writer Tim Winton is Australia's most decorated and beloved literary novelist. Short-listed twice for the Booker Prize and the winner of a record four Miles Franklin Awards for Best Australian Novel, he has a gift for language virtually unrivaled among English-language novelists. His work is both tough and tender, primordial and new—always revealing the raw, instinctual drives that lure us together and rend us apart. In *Eyrie*, Winton crafts the story of Tom Keely, a man struggling to accomplish good in an utterly fallen world. Once an ambitious, altruistic environmentalist, Keely now finds himself broke, embroiled in scandal, and struggling to piece together some semblance of a life. From the heights of his urban high-rise apartment, he surveys the wreckage of his life and the world he's tumbled out of love with. Just before he descends completely into pills and sorrow, a woman from his past and her preternatural child appear, perched on the edge of disaster, desperate for help. When you're fighting to keep your head above water, how can you save someone else from drowning? As Keely slips into a nightmarish world of con

artists, drug dealers, petty violence, and extortion, Winton confronts the cost of benevolence and creates a landscape of uncertainty. *Eyrie* is a thrilling and vertigo-inducing morality tale, at once brutal and lyrical, from one of our finest storytellers.

Imagine Me Gone *Little, Brown*

From a Pulitzer Prize and National Book Award finalist, a ferociously intimate story of a family facing the ultimate question: how far will we go to save the people we love the most? When Margaret's fiancée, John, is hospitalized for depression in 1960s London, she faces a choice: carry on with their plans despite what she now knows of his condition, or back away from the

suffering it may bring her. She decides to marry him. *Imagine Me Gone* is the unforgettable story of what unfolds from this act of love and faith. At the heart of it is their eldest son, Michael, a brilliant, anxious music fanatic who makes sense of the world through parody. Over the span of decades, his younger siblings -- the savvy and responsible Celia and the ambitious and tightly controlled Alec -- struggle along with their mother to care for Michael's increasingly troubled and precarious existence. Told in alternating points of view by all five members of the family, this searing, gut-wrenching, and yet frequently hilarious novel brings alive with remarkable depth and poignancy the love of a mother for her children, the often inescapable devotion siblings feel toward one another, and the legacy of a father's pain in the life of a family. With his striking emotional precision and lively, inventive language, Adam Haslett has given us something rare: a novel with the power to change how we see the most important people in our lives. "Haslett is one of the country's most talented writers, equipped with a sixth sense for characterization"-Wall Street Journal "Ambitious and stirring . . . With *Imagine Me Gone*, Haslett has reached another level."-New York Times Book Review
