So, what are you waiting on? Start your reading journey today with electronic The Will To Change Men Masculinity And Love publication downloads. With many titles and genres to select from, the possibilities are endless. Pleased reading!

The Will to Change

Men, Masculinity, and Love *Simon and Schuster*

Everyone needs to love and be loved—even men. But to know love, men must be able to look at the ways that patriarchal culture keeps them from knowing themselves, from being in touch with their feelings, from loving. In *The Will to Change*, bell hooks gets to the heart of the matter and shows men how to express the emotions that are a fundamental part of who they are—whatever their age, marital status, ethnicity, or sexual orientation. But toxic masculinity punishes those fundamental emotions, and it's so deeply ingrained in our society that it's hard for men to not comply—but hooks wants to help change that. With trademark candor and fierce intelligence, hooks addresses the most common concerns of men, such as fear of intimacy and loss of their patriarchal place in society, in new and challenging ways. She believes men can find the way to spiritual unity by getting back in touch with the emotionally open part of themselves—and lay claim to the rich and rewarding inner lives that have historically been the exclusive province of women. A brave and astonishing work, *The Will to Change* is designed to help men reclaim the best part of themselves.

The Will to Change

Men, Masculinity, and Love

In a thought-provoking social and cultural analysis, the author of *All About Love* explores the world of masculinity and maleness to address some of men's most common concerns, including a fear of intimacy and the loss of their patriarchal place in society, arguing that an emotionally rewarding inner life holds the key to successful intimate relationships. Reprint. 15,000 first printing.

We Real Cool

Black Men and Masculinity *Psychology Press*

Discusses what black males fear most, their longing for intimacy, the pitfalls of patriarchy, and the destruction of oppression through redemption and love.

When Angels Speak of Love *Simon and Schuster*

From writer, critic, and popular cultural icon bell hooks comes a seductive portrait of passion in fifty soul-stirring poems. *When Angels Speak of Love* heralds the debut of a major new poet: bell hooks. World renowned for her courageous, provocative intellectual writing and her alluring charisma, hooks poetically engages the erotic imagination -- creating a tapestry of words that are sensual, lush, and profoundly inspiring. In this beautiful new collection, hooks illuminates our experiences with love -- tracing the link between seduction and surrender; the intensity of desire; and the anguish of death. hooks's previous four titles on the topic of love -- from *All About Love* to *The Will to Change* -- have made her the go-to source for readers longing to bring more love into every aspect of their lives. These words are meant to be read aloud and learned by heart. This ecstatic collection affirms hooks's position as the high priestess of love.

For the Love of Men

From Toxic to a More Mindful Masculinity *St. Martin's Press*

A nonfiction investigation into masculinity, *For The Love of Men* provides actionable steps for how to be a man in the modern world, while also exploring how being a man in the world has evolved. In 2019, traditional masculinity is both rewarded and sanctioned. Men grow up being told that boys don't cry and dolls are for girls (a newer phenomenon than you might realize—gendered toys came back in vogue as recently as the 80s). They learn they must hide their feelings and anxieties, that their masculinity must constantly be proven. They must be the breadwinners, they must be the romantic pursuers. This hasn't been good for the culture at large: 99% of school shooters are male; men in fraternities are 300% (!) more likely to commit rape; a woman serving in uniform has a higher likelihood of being assaulted by a fellow soldier than to be killed by enemy fire. In *For the Love of Men*, Liz offers a smart, insightful, and deeply-researched guide for what we're all going to do about toxic masculinity. For both women looking to guide the men in their lives and men who want to do better and just don't know how, *For the Love of Men* will lead the conversation on men's issues in a society where so much is changing, but gender roles have remained strangely stagnant. What are we going to do about men? Liz Plank has the answer. And it has the possibility to change the world for men and women alike.

Why Men Won't Commit

How To Get What You (both) Want Without Playing Games *Simon and Schuster*

Why are men afraid to commit? Dr Weinberg answers this question in *WHY MEN WON'T COMMIT* and shows women how to help their men change their minds. Dr Weinberg considers that men have four basic needs (the need to be special, to travel light, for loyalty and for emotional closeness) and if they feel that these aren't being met they will develop bad gut reactions against their girlfriends, which will most likely mystify these women. The problem for women and men is that men themselves couldn't tell you about these needs because they've grown up establishing a 'masculine pretence' that forbids them from showing emotion or discussing problems. Dr Weinberg's *WHY MEN WON'T COMMIT* provides a bridge between the two sexes that will lead to greater

understanding, greater commitment and greater happiness. This is a unique approach to an age-old problem because it shows women why they needn't play games, or lose their own dignity, to help men commit. An informed, practical, straight-talking guide to men, or as Dr Weinberg calls them 'the fragile sex', **WHY MEN WON'T COMMIT** is invaluable to every woman who feels her single life must end - and soon!

All About Love

New Visions *HarperCollins*

A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The *Utne Reader* declared bell hooks one of the "100 Visionaries Who Can Change Your Life." *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

How Can I Get Through to You?

Closing the Intimacy Gap Between Men and Women *Simon and Schuster*

"What happened to the passion we started with? Why aren't we as close as we used to be?" **PROBLEM:** If you are a woman who is unfulfilled in your marriage...if you feel unheard or overburdened...if you quietly live in a state of slow-burn resentment... **PROBLEM:** If you are a man unhappy that your partner seems so unhappy with you...if you feel bewildered, unappreciated, or betrayed... This book offers a solution. Bestselling author and nationally renowned therapist Terrence Real unearths the causes of communication blocks between men and women in this groundbreaking work. Relationships are in trouble; the demand for intimacy today must be met with new skills, and Real -- drawing on his pioneering work on male depression -- gives both men and women those skills, empowering women and connecting men, radically reversing the attitudes and emotional stumbling blocks of the patriarchal culture in which we were raised. Filled with powerful stories of the couples Real treats, no other relationship book is as straight talking or compelling in its innovative approach to healing wounds and reconnecting partners with a new strength and understanding.

Man Enough

Undefining My Masculinity *HarperCollins*

A GRIPPING, FEARLESS EXPLORATION OF MASCULINITY The effects of traditionally defined masculinity have become one of

the most prevalent social issues of our time. In this engaging and provocative new book, beloved actor, director, and social activist Justin Baldoni reflects on his own struggles with masculinity. With insight and honesty, he explores a range of difficult, sometimes uncomfortable topics including strength and vulnerability, relationships and marriage, body image, sex and sexuality, racial justice, gender equality, and fatherhood. Writing from experience, Justin invites us to move beyond the scripts we've learned since childhood and the roles we are expected to play. He challenges men to be brave enough to be vulnerable, to be strong enough to be sensitive, to be confident enough to listen. Encouraging men to dig deep within themselves, Justin helps us reimagine what it means to be man enough and in the process what it means to be human.

remembered rapture

the writer at work *Henry Holt and Company*

In *Remembered Rapture: The Writer at Work*, award-winning author and renowned academic bell hooks reveals the heart of her writing life and the process through which she has come to be known as a 'visionary feminist' (Essence). Born and raised in the rural South, bell hooks learned early the power of the written word and the importance of speaking her mind. Her passion for words is the heartbeat of this collection of essays. *Remembered Rapture* celebrates literacy, the joys of reading and writing, and the lasting power of the book. With grace and insight, these essays reveal bell hooks's wide-ranging intellectual scope, untangling the complex personae of women writers, especially those whose work goes against the grain. "For anyone who writes, or seeks to understand the writing process, or wants to know more about the erudite and passionate mind of bell hooks, this is the book to read."—The Philadelphia Inquirer

Rock My Soul

Black People and Self-Esteem *Simon and Schuster*

World-renowned scholar and visionary bell hooks takes an in-depth look at one of the most critical issues facing African Americans: a collective wounded self-esteem that has prevailed from slavery to the present day. Why do so many African-Americans—whether privileged or poor, urban or suburban, young or old—live in a state of chronic anxiety, fear, and shame? *Rock My Soul: Black People and Self-Esteem* breaks through collective denial and dares to tell this truth—that crippling low self-esteem has reached epidemic proportions in our lives and in our diverse communities. With visionary insight, hooks exposes the underlying reality that it has been difficult—if not impossible—for our nation to create a culture that promotes and sustains healthy self-esteem. Without self-esteem people begin to lose their sense of agency. They feel powerless. They feel they can only be victims. The need for self-esteem never goes away. But it is never too late for any of us to acquire the healthy self-esteem that is needed for a fulfilling life. hooks gets to the heart and soul of the African-American identity crisis, offering critical insight and hard-won wisdom about what it takes to heal the scars of the past, promote and maintain self-esteem, and lay down the roots for a grounded community with a prosperous future. She examines the way historical movements for racial uplift fail to sustain our quest for self-esteem. Moving beyond a discussion of race, she identifies diverse barriers keeping us from well-being: the trauma of abandonment, constant shaming, and the loss of personal integrity. In highlighting the role of desegregation, education, the absence of progressive parenting, spiritual crisis, or fundamental breakdowns in communication

between black women and men, bell hooks identifies mental health as the new revolutionary frontier—and provides guidance for healing within the black community.

Lean In

Women, Work, and the Will to Lead *Knopf*

The #1 international best seller *Lean In*, Sheryl Sandberg reignited the conversation around women in the workplace. Sandberg is chief operating officer of Facebook and coauthor of *Option B* with Adam Grant. In 2010, she gave an electrifying TED talk in which she described how women unintentionally hold themselves back in their careers. Her talk, which has been viewed more than six million times, encouraged women to “sit at the table,” seek challenges, take risks, and pursue their goals with gusto. *Lean In* continues that conversation, combining personal anecdotes, hard data, and compelling research to change the conversation from what women can’t do to what they can. Sandberg provides practical advice on negotiation techniques, mentorship, and building a satisfying career. She describes specific steps women can take to combine professional achievement with personal fulfillment, and demonstrates how men can benefit by supporting women both in the workplace and at home. Written with humor and wisdom, *Lean In* is a revelatory, inspiring call to action and a blueprint for individual growth that will empower women around the world to achieve their full potential.

Feminism Is for Everybody

Passionate Politics *Routledge*

What is feminism? In this short, accessible primer, bell hooks explores the nature of feminism and its positive promise to eliminate sexism, sexist exploitation, and oppression. With her characteristic clarity and directness, hooks encourages readers to see how feminism can touch and change their lives—to see that feminism is for everybody.

Communion

The Female Search for Love *HarperCollins*

Renowned visionary and theorist bell hooks began her exploration of the meaning of love in American culture with the critically acclaimed bestseller *All About Love: New Visions*. She continued her national dialogue with the bestselling *Salvation: Black People and Love*. Now hooks culminates her triumphant trilogy of love with *Communion: The Female Search for Love*. Intimate, revealing, provocative, *Communion* challenges every woman to courageously claim the search for love as the heroic journey we must all choose to be truly free. In her trademark commanding and lucid language, hooks explores the ways ideas about women and love were changed by the feminist movement, by women's full participation in the workforce, and by the culture of self-help. *Communion* is the heart-to-heart talk every woman -- mother, daughter, friend, and lover -- needs to have.

Sisters of the Yam

Black Women and Self-Recovery *Routledge*

In *Sisters of the Yam*, bell hooks reflects on the ways in which the emotional health of black women has been and continues to be impacted by sexism and racism. Desiring to create a context where black females could both work on their individual efforts for self-actualization while remaining connected to a larger world of collective struggle, hooks articulates the link between self-

recovery and political resistance. Both an expression of the joy of self-healing and the need to be ever vigilant in the struggle for equality, *Sisters of the Yam* continues to speak to the experience of black womanhood.

The Midnight Library

A Novel *Penguin*

The #1 New York Times bestselling WORLDWIDE phenomenon Winner of the Goodreads Choice Award for Fiction | A Good Morning America Book Club Pick | Independent (London) Ten Best Books of the Year "A feel-good book guaranteed to lift your spirits."—The Washington Post The dazzling reader-favorite about the choices that go into a life well lived, from the acclaimed author of *How To Stop Time* and *The Comfort Book*. Somewhere out beyond the edge of the universe there is a library that contains an infinite number of books, each one the story of another reality. One tells the story of your life as it is, along with another book for the other life you could have lived if you had made a different choice at any point in your life. While we all wonder how our lives might have been, what if you had the chance to go to the library and see for yourself? Would any of these other lives truly be better? In *The Midnight Library*, Matt Haig's enchanting blockbuster novel, Nora Seed finds herself faced with this decision. Faced with the possibility of changing her life for a new one, following a different career, undoing old breakups, realizing her dreams of becoming a glaciologist; she must search within herself as she travels through the Midnight Library to decide what is truly fulfilling in life, and what makes it worth living in the first place.

The Confidence Men

How Two Prisoners of War Engineered the Most Remarkable Escape in History *Random House*

The Great Escape for the Great War: the astonishing true story of two World War I prisoners who pulled off one of the most ingenious escapes of all time. FINALIST FOR THE EDGAR® AWARD • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND NPR • “Fox unspools Jones and Hill’s delightfully elaborate scheme in nail-biting episodes that advance like a narrative Rube Goldberg machine.”—The New York Times Book Review Imprisoned in a remote Turkish POW camp during World War I, having survived a two-month forced march and a terrifying shootout in the desert, two British officers, Harry Jones and Cedric Hill, join forces to bamboozle their iron-fisted captors. To stave off despair and boredom, Jones takes a handmade Ouija board and fakes elaborate séances for his fellow prisoners. Word gets around, and one day an Ottoman official approaches Jones with a query: Could Jones contact the spirit world to find a vast treasure rumored to be buried nearby? Jones, a trained lawyer, and Hill, a brilliant magician, use the Ouija board—and their keen understanding of the psychology of deception—to build a trap for their captors that will ultimately lead them to freedom. A gripping nonfiction thriller, *The Confidence Men* is the story of one of the only known con games played for a good cause—and of a profound but unlikely friendship. Had it not been for “the Great War,” Jones, the Oxford-educated son of a British lord, and Hill, a mechanic on an Australian sheep ranch, would never have met. But in pain, loneliness, hunger, and isolation, they formed a powerful emotional and intellectual alliance that saved both of their lives. Margalit Fox brings her “nose for interesting facts, the ability to construct a taut narrative arc, and a Dickens-level gift for concisely conveying personality” (Kathryn Schulz, New York) to this tale of psychological strategy that is rife with cunning,

danger, and moments of high farce that rival anything in *Catch-22*.

The History of Sexuality

An Introduction *Vintage*

Michel Foucault offers an iconoclastic exploration of why we feel compelled to continually analyze and discuss sex, and of the social and mental mechanisms of power that cause us to direct the questions of what we are to what our sexuality is.

The Birth of Pleasure

A New Map of Love *Vintage*

In a groundbreaking new study, the author of *In a Different Voice* explores the nature of love and the obstacles that stand in the way of pleasure, revealing the path of pleasure that can be found in the midst of tragedy and the harmony and joy that can defy pain and anger. Reprint. 25,000 first printing.

A Brief History of Misogyny

The World's Oldest Prejudice *Robinson*

In this compelling, powerful book, highly respected writer and commentator Jack Holland sets out to answer a daunting question: how do you explain the oppression and brutalization of half the world's population by the other half, throughout history? The result takes the reader on an eye-opening journey through centuries, continents and civilizations as it looks at both historical and contemporary attitudes to women. Encompassing the Church, witch hunts, sexual theory, Nazism and pro-life campaigners, we arrive at today's developing world, where women are increasingly and disproportionately at risk because of radicalised religious belief, famine, war and disease. Well-informed and researched, highly readable and thought-provoking, this is no outmoded feminist polemic: it's a refreshingly straightforward investigation into an ancient, pervasive and enduring injustice. It deals with the fundamentals of human existence -- sex, love, violence -- that have shaped the lives of humans throughout history. The answer? It's time to recognize that the treatment of women amounts to nothing less than an abuse of human rights on an unthinkable scale. *A Brief History of Misogyny* is an important and timely book that will make a long-lasting contribution to the efforts to improve those rights throughout the world.

Walden

The Experience Economy *Harvard Business Press*

Rev. ed. of: *The experience economy: work is theatre & every business a stage*. 1999.

The Confessions of S. Augustine

Appalachian Elegy

Poetry and Place *University Press of Kentucky*

A collection of poems centered around life in Appalachia addresses topics ranging from the marginalization of the region's people to the environmental degradation it has endured throughout history.

The Little #MeToo Book for Men

In just seventy-five brief pages, Good Men Project Senior Editor Mark Greene exposes the brutal price that man box culture

extracts from men and women world wide. The Little #MeToo Book for Men is a concise, no holds barred call to action, inviting men to step out of silence and isolation and into the battle for a better future. From the introduction: For millions of men, manhood can seem like a foregone conclusion, mapped out for us by universally understood rules for being a 'real man.' These rules determine how we walk, how we talk, what we think and do, what we view as our responsibilities and most importantly, how we pursue or fail to pursue our deepest needs, wants and desires. These rules of manhood become so central to what we believe as to render the distinction between ourselves and our culture of manhood invisible to us. When millions of men live our lives subject to the rules of a culture we are not fully conscious of, it can be damaging for our families, our communities, our collective quality of life, and even our longevity. The Little #MeToo Book for Men seeks to encourage a conversation about how boys and men arrive at what we believe. "If this conversation can reveal even the slightest glimmer of daylight between our dominant culture of masculinity and our own daily choices as men, my hope is we will find, in that space, a more vibrant and authentic connection to our agency, our power and our humanity. Mark Greene's articles on fatherhood, men and emotional expression have received over half a million social media shares and twenty million page views. Greene writes and speaks on men's issues for the Good Men Project, the Shriver Report, the New York Times, Salon, the BBC and the Huffington Post. Follow him on Twitter @RemakingManhood

Man's Search For Meaning

The classic tribute to hope from the Holocaust *Random House*

Over 16 million copies sold worldwide 'Every human being should read this book' Simon Sinek One of the outstanding classics to emerge from the Holocaust, *Man's Search for Meaning* is Viktor Frankl's story of his struggle for survival in Auschwitz and other Nazi concentration camps. Today, this remarkable tribute to hope offers us an avenue to finding greater meaning and purpose in our own lives.

Will *Penguin*

The instant #1 New York Times bestseller! "It's the best memoir I've ever read." —Oprah Winfrey "Will Smith isn't holding back in his bravely inspiring new memoir . . . An ultimately heartwarming read, Will provides a humane glimpse of the man behind the actor, producer and musician, as he bares all his insecurities and trauma." —USA Today Winner of the NAACP Image Award for Outstanding Literary Achievement One of the most dynamic and globally recognized entertainment forces of our time opens up fully about his life, in a brave and inspiring book that traces his learning curve to a place where outer success, inner happiness, and human connection are aligned. Along the way, Will tells the story in full of one of the most amazing rides through the worlds of music and film that anyone has ever had. Will Smith's transformation from a West Philadelphia kid to one of the biggest rap stars of his era, and then one of the biggest movie stars in Hollywood history, is an epic tale—but it's only half the story. Will Smith thought, with good reason, that he had won at life: not only was his own success unparalleled, his whole family was at the pinnacle of the entertainment world. Only they didn't see it that way: they felt more like star performers in his circus, a seven-days-a-week job they hadn't signed up for. It turned out Will Smith's education wasn't nearly over. This memoir is the product of a profound journey of self-knowledge, a reckoning with all that your will can get you and all that it can leave behind. Written with

the help of Mark Manson, author of the multi-million-copy bestseller *The Subtle Art of Not Giving a F*ck*, Will is the story of how one person mastered his own emotions, written in a way that can help everyone else do the same. Few of us will know the pressure of performing on the world's biggest stages for the highest of stakes, but we can all understand that the fuel that works for one stage of our journey might have to be changed if we want to make it all the way home. The combination of genuine wisdom of universal value and a life story that is preposterously entertaining, even astonishing, puts *Will* the book, like its author, in a category by itself.

Starship Troopers *Penguin*

In a futuristic military adventure a recruit goes through the roughest boot camp in the universe and into battle with the Terran Mobile Infantry in what historians would come to call the First Interstellar War

Count Down

How Our Modern World Is Threatening Sperm Counts, Altering Male and Female Reproductive Development, and Imperiling the Future of the Human Race *Scribner*

In the tradition of *Silent Spring* and *The Sixth Extinction*, an urgent, meticulously researched, and groundbreaking book about the ways in which chemicals in the modern environment are changing—and endangering—human sexuality and fertility on the grandest scale, from renowned epidemiologist Shanna Swan. In 2017, author Shanna Swan and her team of researchers completed a major study. They found that over the past four decades, sperm levels among men in Western countries have dropped by more than 50 percent. They came to this conclusion after examining 185 studies involving close to 45,000 healthy men. The result sent shockwaves around the globe—but the story didn't end there. It turns out our sexual development is changing in broader ways, for both men and women and even other species, and that the modern world is on pace to become an infertile one. How and why could this happen? What is hijacking our fertility and our health? *Count Down* unpacks these questions, revealing what Swan and other researchers have learned about how both lifestyle and chemical exposures are affecting our fertility, sexual development—potentially including the increase in gender fluidity—and general health as a species. Engagingly explaining the science and repercussions of these worldwide threats and providing simple and practical guidelines for effectively avoiding chemical goods (from water bottles to shaving cream) both as individuals and societies, *Count Down* is at once an urgent wake-up call, an illuminating read, and a vital tool for the protection of our future.

Outlaw Culture

Resisting Representations *Routledge*

According to the *Washington Post*, no one who cares about contemporary African-American cultures can ignore bell hooks' electrifying feminist explorations. Targeting cultural icons as diverse as Madonna and Spike Lee, *Outlaw Culture* presents a collection of essays that pulls no punches. As hooks herself notes, interrogations of popular culture can be a 'powerful site for intervention, challenge and change'. And intervene, challenge and change is what hooks does best.

Wounds of Passion

A Writing Life *Macmillan*

A powerful memoir tells how one woman writer found her own voice while creating a personal love relationship based on feminist thinking and reflects on the impact of birth control and the women's movement on society. Reprint. 17,500 first printing.

Writing Beyond Race

Living Theory and Practice *Routledge*

What are the conditions needed for our nation to bridge cultural and racial divides? By "writing beyond race," noted cultural critic bell hooks models the constructive ways scholars, activists, and readers can challenge and change systems of domination. In the spirit of previous classics like *Outlaw Culture* and *Reel to Real*, this new collection of compelling essays interrogates contemporary cultural notions of race, gender, and class. From the films *Precious* and *Crash* to recent biographies of Malcolm X and Henrietta Lacks, hooks offers provocative insights into the way race is being talked about in this "post-racial" era.

Ain't I a Woman

Black Women and Feminism

"Ain't I a Woman : Black Women and Feminism is among America's most influential works. Prolific, outspoken, and fearless."- *The Village Voice* "This book is a classic. It . . . should be read by anyone who takes feminism seriously."- Sojourner "Ain't I a Woman] should be widely read, thoughtfully considered, discussed, and finally acclaimed for the real enlightenment it offers for social change."- *Library Journal* "One of the twenty most influential women's books of the last twenty years."- *Publishers Weekly* "I met a young sister who was a feminist, and she gave me a book called *Ain't I a Woman* by a talented, beautiful sister named bell hooks-and it changed my life. It changed my whole perspective of myself as a woman."- Jada Pinkett-Smith "At nineteen, bell hooks began writing the book that forever changed the course of feminist thought. *Ain't I a Woman* remains a classic analysis of the impact of sexism on black women during slavery, the historic devaluation of black womanhood, black male sexism, racism within the women's movement, and black women's involvement with feminism. bell hooks is the author of numerous critically acclaimed and influential books on the politics of race, gender, class, and culture. The *Atlantic Monthly* celebrates her as one of our nation's leading public intellectuals .

Boys Will Be Boys

Power, Patriarchy and Toxic Masculinity *Simon and Schuster*

The incendiary new book about toxic masculinity and misogyny from Clementine Ford, author of the bestselling feminist manifesto, *Fight Like A Girl*. *Boys Will Be Boys* answers the question Clementine Ford is most often asked: 'How do I raise my son to respect women?' With equal parts passion and humour, Ford reveals how patriarchal society is as destructive for men as it is for women, creating a dangerously limited idea of what it is to be a man. She traces the way gender norms creep into the home from early childhood, through popular culture or the division of housework and shines a light on what needs to change for equality to become a reality.

Desiring God

Meditations of a Christian Hedonist *Multnomah*

Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical

truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

Salvation

Black People and Love *HarperCollins*

"A manual for fixing our culture...In writing that is elegant and penetratingly simple, [hooks] gives voice to some things we may know in our hearts but need an interpreter like her to process."—Black Issues Book Review New York Times bestselling author, acclaimed visionary and cultural critic bell hooks continues her exploration of the meaning of love in contemporary American society, offering groundbreaking, critical insight about Black people and love. Written from both historical and cultural perspectives, *Salvation* takes an incisive look at the transformative power of love in the lives of African Americans. Whether talking about the legacy of slavery, relationships and marriage in Black life, the prose and poetry of Martin Luther King, Jr., James Baldwin, and Maya Angelou, the liberation movements of the 1950s, 60s, and 70s, or hip hop and gangsta rap culture, hooks lets us know what love's got to do with it. Combining the passionate politics of W.E.B. DuBois with fresh, contemporary insights, hooks brilliantly offers new visions that will heal our nation's wounds from a culture of lovelessness. Her writings on love and its impact on race, class, family, history, and popular culture will help us heal and create beloved American communities.

I Don't Want to Talk About It

Overcoming the Secret Legacy of Male Depression *Simon and Schuster*

A revolutionary and hopeful look at depression as a silent epidemic in men that manifests as workaholism, alcoholism, rage, difficulty with intimacy, and abusive behavior by the cofounder of Harvard's Gender Research Project. Twenty years of experience treating men and their families has convinced psychotherapist Terrence Real that depression is a silent epidemic in men—that men hide their condition from family, friends, and themselves to avoid the stigma of depression's "un-manliness." Problems that we think of as typically male—difficulty with intimacy, workaholism, alcoholism, abusive behavior, and rage—are really attempts to escape depression. And these escape attempts only

hurt the people men love and pass their condition on to their children. This groundbreaking book is the "pathway out of darkness" that these men and their families seek. Real reveals how men can unearth their pain, heal themselves, restore relationships, and break the legacy of abuse. He mixes penetrating analysis with compelling tales of his patients and even his own experiences with depression as the son of a violent, depressed father and the father of two young sons.

Breaking Bread

Insurgent Black Intellectual Life *Taylor & Francis*

In this provocative and captivating dialogue, bell hooks and Cornel West come together to discuss the dilemmas, contradictions, and joys of Black intellectual life. The two friends and comrades in struggle talk, argue, and disagree about everything from community to capitalism in a series of intimate conversations that range from playful to probing to revelatory. In evoking the act of breaking bread, the book calls upon the various traditions of sharing that take place in domestic, secular, and sacred life where people come together to give themselves, to nurture life, to renew their spirits, sustain their hopes, and to make a lived politics of revolutionary struggle an ongoing practice. This 25th anniversary edition continues the dialogue with "In Solidarity," their 2016 conversation at the bell hooks Institute on racism, politics, popular culture and the contemporary Black experience.

The End of Manhood

A Book for Men of Conscience

The profeminist author offers insight into masculine behavior and modern society, providing a new model of male sexuality and personal identity for any man wishing to become a genuine man of conscience

Killing Rage

Ending Racism *Macmillan*
