on the end of history and radical history into the future.

At the Limits of History: Essays on Theory and Practice ...

Addressing this issue, *At the Limits of History* reveals a further facet of Jenkins's thinking: its deconstructive point. For the historian-function does not repudiate either the hegemonic status of the discipline or its social and political authority: it just legitimizes both by insisting that they are predicated on truth, itself predicated on the past; it just denies that they are merely proxies for current political ideologies and their remorseless social and economic implementation ...

So argues Constantin Fasolt in *The Limits of History*, an ambitious and pathbreaking study that conquers history's power by carrying the fight into the center of its domain. Fasolt considers the work of Hermann Conring (1606-81) and Bartolus of Sassoferrato (1313/14-57), two antipodes in early modern battles over the principles of European thought and action that ended with the triumph of ...
