This well-written book is an expose of the dramatic lives & loves of several famous "hellraisers"--male actors from the British Isles. Author Robert Sellers did a great job covering their outsized personalities, but after a while the book becomes very repetitive with the same outrageous many times alcohol & drug-fueled acting out apparently common among those male stars.

In *Hellraisers: The Life and Inebriated Times of Richard Burton, Richard Harris, Peter O'Toole, and Oliver Reed*, author Robert Sellers gives us the lives of four of the UK's greatest actors and wildest partiers of the twentieth century. Not their complete biographies, of course (the book is far too brief to encompass four lives completely).
