Mosaic Pieces Of My Life

I have read Amy

Grant's "Mosaic: Pieces of My Life So Far" in one sitting...I could not put it down. Amy did a beautiful job expressing her true feelings...the good and the bad. Her faith is evident from to beginning to end, and there are so many inspiring passages in the book that could easily be used for devotions.

Mosaic: Pieces of My
Life So Far**

Each piece has shaped your life and molded you into the woman you are today. NONE of it is junk. God uses every single piece to craft a beautiful mosaic of your life. Your legacy. It's hard to see sometimes, isn't it? The problem is we get too stuck on the pieces. All we can see are the fragments. A little blue here, a splotch of red there.
