Policing The Caribbean Transnational Security

Transnational policing, one of the most significant recent developments in the security field, has brought about a number of changes in the organisation of criminal law enforcement in the Caribbean and other parts of the world. Drawing on interviews with chief police officers, customs, coastguard, immigration, security, military, and government officials, this book examines these changes, providing a unique insight into the work of overseas liaison officers from the UK and the USA, and their ...

Policing the Caribbean explores the emergence of law enforcement and security practices that extend beyond the boundaries of the nation state. Perceptions of public safety and national sovereignty are shifting in the face of domestic, regional and global insecurity, and with the emergence of transnational policing practices responding to drug trafficking and organised crime.

Policing the Caribbean: Transnational Security Cooperation ...

In his book, Policing the Caribbean: Transnational Security Cooperation in Practice, Ben Bowling focuses on this important and still evolving topic by highlighting the numerous developments in transnational policing in the Anglophone Caribbean. He examines the development of transnational policing in this region from early attempts by colonial authorities to foster inter-island police collaboration to the more contemporary multiagency and multijurisdictional arrangements to advance a ...

Policing the Caribbean - Ben Bowling - Oxford University Press

In many parts of the world, defence forces, established to provide military force against foreign invasion and to provide aid to the civil power in times of unrest or civil emergency, are now working largely to a law enforcement agenda. In the Caribbean, for example, the army and hybrid military/policing agencies support the police on land, while the coastguard has extensive involvement in armed policing of territorial waters (Bowling, 2010). Border protection agencies including Customs ...
