The Homework Machine By Gutman

At a school near the
Grand Canyon, a

genius-level student
invents a machine that
can do his homework,
and shares this with
the other three kids he
sits with. The brainy
kid is very different to
the girl trailing him for
grades, the boy with an
army dad who hates
homework and the girl
desperate for a belly
button ring.

Title: The Homework Machine. Author: Dan Gutman. Publisher: Simon and Schuster. Genre: Children's Fiction. Short, fun, interestingly organized, and about something that you aren't supposed to do. A good book after reading all these novels about serious issues and

murderous plots.

Review and Summary: The Homework Machine | crosscountryreading

Apparently author Dan Gutman is so accurate in his descriptions of fifth grade life that a fellow professor I know uses the book in his college education class and has his students analyze the various interactions. But read The Homework Machine just for fun.
