Staff View: Battering and family therapy
It is suggested that, in theory and practice, family systems approaches to wife battering contain biases against women. Following a selective review of family systems literature on wife battering, systemic formulations of husband-to-wife violence are

critically examined. Possible contraindications of conjoint therapy with battered women and abusive men are discussed.

Couple therapy can play a role in dealing with this issue (Harway & Hansen, 1993; Shamai, 1996). A corollary reason for using couple therapy is that it may be an effective tool for reaching out to clients who seek help for other family problems and otherwise might not be reached.
