Welcome to The Psychology of Sex website for both women and men. I don't know about you, but I used to have very mixed feelings about sex and/or a relationship with someone else. When

I was in counseling, my therapist would say this is normal for everyone. "Sometimes you want it, sometimes you don't," she'd say.

Psychology of Sex Homepage | HealthyPlace

Sex is not like eating, because a) you don't die without it, and b) it's inevitably an emotional experience when you have it. Nature has cleverly wired us this way — to put our psychological needs first and then use sex to fulfill them in order to trick us into sticking around and taking care of one another.

Feminine psychology is an approach that focuses on social, economic, and political issues confronting women all throughout their lives. It can be considered a reaction to male-dominated theories such as Sigmund Freud's view of female sexuality. The groundbreaking works of Karen Horney argued that male realities cannot describe female psychology or define their gender because they are not informed by girls' or women's experiences.

Theorists therefore claimed this new approach was required, and th
