A Dictionary of American Proverbs, 1996 | Online Research ...

As the introduction points out (p. xiii), the uniqueness of the Dictionary of American Proverbs lies in its exclusive reliance on field-recorded collectanea rather than on previously published materials. There is, nevertheless, an ambiguity that the introduction does not clarify: although it is stated on the page just cited that "all the proverbs in this dictionary were collected from oral sources," the instructions given to collectors by Bryant herself (p. 23 of her monograph) made it ...

What American Proverbs Can Offer an English Language Learner. Proverbs are short sayings that state a truth or offer a piece of

advice. The literal (word for word) translation of a proverb doesn't usually match the figurative (not literal) meaning. For this reason, proverbs are often unique to a language. All languages have their own proverbs.
