If human rights are rights that we are entitled to simply by fact of being human, and sexual rights are part of human rights, a Martian would think that ALL humans enjoy their sexual rights. But no, dear Martian, it is not so at all.

Editorial: Human Rights and Sexuality

Sexual and reproductive health and rights or SRHR is the concept of human rights applied to sexuality and reproduction. It is a combination of four fields that in some contexts are more or less distinct from each other, but less so or not at all in other contexts. These four fields are sexual health, sexual rights, reproductive health and reproductive rights. In the concept of SRHR, these four fields are treated as separate but inherently intertwined. Distinctions between these four fields are n
