The Silver Linings Playbook

A Novel *Sarah Crichton Books*

A New York Times bestseller, The Silver Linings Playbook was adapted into the Oscar-winning movie starring Bradley Cooper and Jennifer Lawrence. It tells the riotous and poignant story of how one man regains his memory and comes to terms with the magnitude of his wife's betrayal. During the years he spends in a neural health facility, Pat Peoples formulates a theory about silver linings: he believes his life is a movie produced by God, his mission is to become physically fit and emotionally supportive, and his happy ending will be the return of his estranged wife, Nikki. When Pat goes to live with his parents, everything seems changed: no one will talk to him about Nikki; his old friends are

saddled with families; the Philadelphia Eagles keep losing, making his father moody; and his new therapist seems to be recommending adultery as a form of therapy. When Pat meets the tragically widowed and clinically depressed Tiffany, she offers to act as a liaison between him and his wife, if only he will give up watching football, agree to perform in this year's Dance Away Depression competition, and promise not to tell anyone about their "contract." All the while, Pat keeps searching for his silver lining. In this brilliantly written debut novel, Matthew Quick takes us inside Pat's mind, deftly showing us the world from his distorted yet endearing perspective. The result is a touching and funny story that helps us look at both depression and love in a wonderfully refreshing way.

The Reason You're Alive *Picador*

From the New York Times bestselling author of *The Silver Linings Playbook* "A compact powerhouse of a novel ... subversive, unexpected, and utterly compelling" Booklist "A valuable addition to fiction about the tangled aftereffects of Vietnam on soldiers in the field" Kirkus After sixty-eight-year-old David Granger crashes his BMW, medical tests reveal a brain tumor that he readily attributes to his wartime Agent Orange exposure. With the closing of the Harlan County, Kentucky, coal mines, marijuana has become the biggest cash crop in the state. A hundred pounds of it can gross \$300,000, but that's chump change compared to the quarter million a human body can get you—especially when it's sold off piece by piece. So when Dickie and Coover Crowe, dope-dealing brothers known for sampling their own supply, decide to branch out into the body business, it's up to U.S. Marshal Raylan Givens to stop them. But Raylan isn't your average marshal; he's the laconic, Stetson-wearing, fast-drawing lawman who juggles dozens of cases at a time and always shoots to kill. But by the time Raylan finds out who's making the cuts, he's lying naked in a bathtub, with Layla, the cool transplant nurse, about to go for his kidneys. The bad guys are mostly gals this time around: Layla, the nurse who collects kidneys and sells them for ten grand a piece; Carol Conlan, a hard-charging coal-mine executive not above ordering a cohort to shoot point-blank a man who's standing in her way; and Jackie Nevada, a beautiful sometime college student who can outplay anyone at the poker table and who suddenly finds herself being tracked by a handsome U.S. marshal. Dark and droll, Raylan is pure Elmore Leonard—a page-turner filled with the sparkling dialogue and sly suspense that are the hallmarks of this modern master.

Lucky Linderman didn't ask for his life. He didn't ask his grandfather not to come home from the Vietnam War. He didn't ask for a father who never got over it. He didn't ask for a mother who keeps pretending their dysfunctional family is fine. And he didn't ask to be the target of Nader McMillan's relentless bullying,

which has finally gone too far. But Lucky has a secret—one that helps him wade through the daily mundane torture of his life. In his dreams, Lucky escapes to the war-ridden jungles of Laos--the prison his grandfather couldn't escape--where Lucky can be a real man, an adventurer, and a hero. It's dangerous and wild, and it's a place where his life just might be worth living. But how long can Lucky keep hiding in his dreams before reality forces its way inside? Michael L. Printz Honor recipient A.S. King's smart, funny and boldly original writing shines in this powerful novel about learning to cope with the shrapnel life throws at you and taking a stand against it.

Dr. Bird's Advice for Sad Poets *Houghton Mifflin Harcourt*

I hate myself but I love Walt Whitman, the kook. Always positive. I need to be more positive, so I wake myself up every morning with a song of myself. Sixteen-year-old James Whitman has been yawping (la Whitman) at his abusive father ever since he kicked his beloved older sister, Jorie, out of the house. Jamess painful struggle with anxiety and depression along with his ongoing quest to understand what led to his self-destructive sisters exile make for a heart-rending read, but his wild, exuberant Whitmanization of the world and keen sense of humor keep this emotionally charged debut novel buoyant.

What We Saw *HarperCollins*

"A smart, sensitive, and gripping story about the courage it takes to do what's right." —Deb Caletti, National Book Award finalist
Critically acclaimed memoirist Aaron Hartzler, author of *Rapture Practice*, takes an unflinching look at what happens to a small town when some of its residents commit a terrible crime. The party at John Doone's last Saturday night is a bit of a blur. Kate Weston can piece together most of the details: Stacey Stallard handing her shots, Ben Cody taking her keys and getting her home early... But when a picture of Stacey passed out over Deacon Mills's shoulder appears online the next morning, Kate suspects she doesn't have all the details. When Stacey levels charges against four of Kate's classmates, the whole town erupts into controversy. Facts that can't be ignored begin to surface, and every answer Kate finds leads back to the same questions: Who witnessed what happened to Stacey? And what responsibility do they have to speak up about what they saw? This honest, authentic debut novel—inspired by the events in the Steubenville rape case—will resonate with readers who've ever walked that razor-thin line between guilt and innocence that so often gets blurred, one text at a time.
