Intelligence And Us Foreign Policy

Since the Revolutionary War, intelligence has been most relevant to U.S. foreign policy in two ways. Intelligence analysis helps to inform policy. Intelligence agencies also have carried out overt action—secret operations—to influence political, military, or economic conditions in foreign states.

Intelligence and U.S. Foreign Relations - Oxford Research ...

The lack of influence by intelligence on major policy decisions is one of the respects in which reality differs from the mythology. Another is the persistent influence of policy on intelligence—not just on the questions intelligence investigates, but also on the answers it provides. Intelligence And Us Foreign Policy Pillar Paul R

Contrary to general belief, Pillar (Terrorism and U.S. Foreign Policy, 2003, etc.) declares that “however important the contributions of intelligence in executing policy at the tactical and operational levels have been, its contribution to major strategic decisions has been almost nil.” If only policy were made according to an ideal model under which leaders come to an issue with open minds, digest apolitical intelligence reports and decide what best serves the national interest.
