Book review: Forty Autumns Book review: Forty Autumns

Forty Autumns is a family memoir by American former intelligence officer Nina Willner. Willner's mother fled Communist East Germany: for forty years she couldn't see her family. In the interim, her daughter became an American intelligence officer working in Berlin during the Cold War. Willner recounts her family's history on both sides of the Iron Curtain, using this history as a lens to retell the story of the

Cold War and German Communism.
